NORMAL SCHOOL ENTRANCE

The results of the examinations for entrance into the normal schools are given below. The certificates of successful candidates and the statements of marks of those who failed will be mailed to principals or inspectors in the course of a few days.

Successful candidates who desire to attend the coming session of the normal schools are reminded that their application for admission must be made to the deputy minister of education no later than Tuesday, Sept. 7. No student will be admitted who will not be at least 18 years of age before September 1.

For those applicants who are required to pass the September examinations in the prescribed lower school subjects, the session will begin on Tuesday, Sept. 21 at 9 a.m. For applicants with the prescribed certificates from approved schools and for applicants belonging to Grade A, it will begin on Monday, Sept. 27 at 9 a.m. No applicant who is required to pass the September examination will be admitted without doing so. It would be well, therefore, for applicants to make certain of their status before the first mentioned date.

For full information regarding conditions of admission to a normal school, applicants are referred to sections 4 and 5 of the syllabus, copies of which may be obtained by applying to the deputy minister of education. No candidate will be admitted who does not comply fully with the conditions of these sections.

As already announced, the appeal examiners have re-read the papers of each candidate whose marks would in former years have justified an appeal. Where such a candidate has still failed, his statement of marks will be stamped as re-read, and no further appeal will be allowed. In all other cases of failure appeals will not be refused if made before September 1, and accompanied by the fee of $2.00. In view of all the precautions taken, however, it is most unlikely that such appeals would succeed.

The list of succesful candidates is as follows:

Wealthy Man Goes to Chain Gang.

ATLANTA, Ga., Aug. 2.—The last chance of escape from a sentence to the chain gang passed from William H. Mitchell, for years one of the most prominent men in Southern Georgia, when the state court of appeals affirmed the lower court's sentence that he must serve a year for assault and battery upon his relative, Miss Lucile Linton.

Mitchell nearly a year ago disguised himself as a negro woman and attempted to abduct Miss Linton. She is wealthy and a social leader of the community in which Mitchell lived, in and about Thomasville.

REPRESSION IN RUSSIA

Hundred Britishers Send Protesting Letter to Sir Edward Grey.

LONDON, Aug. 2.—A letter protesting against the unrelaxed repression of liberty in Russia is published here today.

It is addressed to Sir Edward Grey, the secretary of foreign affairs, and asks whether it is impossible to bring friendly pressure upon the Russian Government to ameliorate the alleged conditions. The letter is signed by over 100 clergymen, newspapers, members of the house of commons and others.

The Times in an editorial on the letter denounces the choice of the day of arrival in British waters of Emperor Nicholas for the publication of such a letter, as bad taste, and gratuitous boorishness.

A Valuable Handbag.

NEW YORK, Aug. 2.—A handbag fond on an excursion steamer July 9, was claimed to-day by Mrs. Grace Livingston Wheelock of Philadelphia. The bag contained $2755 in new bills, two gold watches, two diamond rings and other valuables.
