Leslie's Stove Varnish.

A Valuable discovery by which all *Stoves, Pipes, Grates, Franklins, Iron Railings*, and every description of Iron work, (where an intense heat is not required,) whether exposed to the weather or not, may be kept a splendid Jet Black with as beautiful a polish as a Coach Body and with one third the labour bestowed on other preparations.

This is a valuable preparation on account of its anti-corrosive properties; all Stoves and Pipes which are put away during the summer should have an application of the Stove Varnish which would effectually prevent the rusting or corroding of the Iron.

The Varnish is strongly recommended to Families and the Public in general, from three facts; First, its cheapness brings it within the reach of all; Second, from its high polish and durability, two applications during the year being at all necessary for a Franklin; and lastly, from no labour being required in its application, this last fact justly entitles it to the name of "SERVANT'S FRIEND."

Celebrated Toilet Preparations.

We would call the attention of the Ladies and Gentlemen of New-Brunswick to the following choice Toilet articles—

ISAAC BABBITT'S
Superior Toilet Soaps,

CYTHEREAN CREAM OF SOAP, PANARISTON SHAVING CREAM, PANARISTON SHAVING SOAP, IN SOLID ROLLS, PANARISTON SOAP FOR MEDICAL USES, AND SHAVING POWDER.

These choice Soaps and Creams enjoy the highest fame for their superior excellence, both in this country and Europe. Medals have been awarded from the best institutions, and testimonials of their virtues by thousands who have used them.

Cytherean Cream of Soap, for Ladies, softens the skin, removes freckles, purifies the complexion, and is free from all impure or irritating properties, and is admired by all who use it.

Panariston Shaving Cream takes the place of all other Soaps as a preparation for the razor, and those who use it once will never after use any other.

Panariston Rolls are put up in a neat portable style, suited to travellers' convenience.

The following are a few from the many testimonials received:—

Rev. John Pierpont says of the Shaving Soap, "it is unequalled as a preparation for the razor; by any thing that I have found." Dr. C. A. Hayes, State Assayer, says of the Cytherean Cream, "I have never met with any Soap Compound, which, in cleansing the most delicate skin would, like this, leave it perfectly moist, soft, and healthy." Dr. Walter Channing says, "I have no memory of so good an article." Dr. Luther V. Bell, Superintendent of the McLean Asylum, says, "It is superior to any other saponaceous compound I have known." Hon. Horace Greely, of the N. Y. Tribune, says "we have tried it, and found it perfect; no other soap is worthy of being mentioned the same day." Dr. Bailey, editor of the National Era, says, "it is in all respects the very best soap we have used."—Mrs. Swisshelm, editress of the Pittsburgh Saturday Visiter, says, "it is superior to anything in the soap line, either soft or hard." Mr. Prentice of the Louisville Journal, says, "the Cytherean Cream of Soap is probably the best for preserving the purity of the skin which has yet appeared." The New York Literary World says, "Mr. Babbitt will be the Sayer of soap, the great regenerator."

WASHING
Made pleasant and easy by the use of
BOSTON
Chemical Washing Powder.

THIS Soap Powder, prepared by a practical Chemist, is superior for washing clothes, cleaning paint work, removing grease from woollens and takes the place of other soaps for cleansing purposes. One package with five minutes labor makes two gallons of pure soft soap. Thousands of families have adopted its use and give it the preference over all other saponaccous compounds.

Manufactured by BECK & Co., No. 120 Washington-street, Boston.

Retailed by Grocers and Druggists generally.

Sold in St. John, by FELLOWS & Co., G. F. EVERETT & Co., and G. C. GARRISON.

PERRY'S HUNGARIAN BALM.

For Restoring, Preserving, and Beautifying the Hair.

This elegant preparation is an effectual Remedy for Baldness, or Falling off of the Hair. It prevents and completely eradicates Scurf and Dandruff; strengthens the Roots of the Hair; causes it to grow luxuriantly; gives it a Rich, Dark, Soft, and Glossy appearance, and prevents it turning Gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the Hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy secretions, thereby removing and preventing the accumulation of Scurf, Dandruff, and other impurities, which so frequently cause premature decay, and loss of the hair.

The Hungarian Balm is especially adapted to ladies' use; and those who have tried the various oleaginous mixtures, with no benefit, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Instead of matting and tangling the hair, (which is more or less pulled out in the process of combing,) it leaves it free and clean; promotes a natural moisture, and imparts a beautiful dark and glossy appearance. Try it once, and you will be convinced of its superiority *over all other compounds for the hair.*

Much more might be said in favor of this inestimable Compound, but it is deemed unnecessary, as the proprietor feels confident that ONE TRIAL will convince the most incredulous of its rare and manifold virtues. Therefore,

If you have lost your hair and wish to restore it,
If you are losing your hair and wish to preserve it,
If you are troubled with Dandruff and wish to remove it,
If you have any Humour of the Scalp and wish to cure it,
If you are troubled with Nervous Headache and wish to cure it,
If you have Hair Eaters at the roots of the hair and wish to destroy them,
If you have Harsh, Dry and Wiry Hair, and wish it to become Soft, Pliable, and Beautiful as Silk;

and if you wish to preserve Rich, Graceful, and Luxuriant Tresses to the latest period of life,

Use Perry's Hungarian Balm.

PRICE—25 and 50 cents per bottle, in large bottles.

Prepared by BUN & PERRY, No. 1, Cornhill, Boston.

D. TAYLOR, JR., Boston, General Agent for the Provinces, to whom orders must be directed.

PROFESSOR MOTT'S
Celebrated Female Regulating Pills

These wonderful Pills are compounded entirely from the vegetable kingdom, and they are now recommended to the Female sex as an invaluable remedy for many complaints to which they are subject. In obstruction—either total or partial, they have been found of inestimable benefit for healthy action. The Aperient stimulent and tonic properties are so admirably combined in the composition of these Pills, that they clear the Bowels from all corrupt and vitiated matter—rouse up the sluggish action of the Heart, Blood, and other fluids from all Humours—strengthen the nerves and muscles, and give tone and energy to the whole system.

These Pills will most effectually put to flight all complaints which may arise from Female Irregularities, such as Headache, Backache, Giddiness, and Dimness of Sight, Ringing in the Ears, Costiveness, Loss of Appetite, Pain in the Side and Chest, and general lassitude and debility. Thousands of Females who are fast approaching the verge of the grave, may be relieved by giving these Pills a thorough trial. They have never been known to fail in effectually removing the complaints above enumerated, and want only to be known and tried to satisfy the most incredulous of their intrinsic value.

To Professor HOLLOWAY.

SIR,—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the violence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and although she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the *severity of the attack*, and the *speedy* cure, I think, speaks much in favor of your astonishing Pills. (Signed) R. W. KIRKUS.

[illegible] PAIN AND TIGHTNESS IN THE CHEST AND STOMACH OF A PERSON 84 YEARS OF AGE.

From Messrs. Thew & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement.—August 2nd, 1851.

To Professor HOLLOWAY,

SIR,—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues. I am now rendered, by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before.

AN EXTRAORDINARY CURE OF THE GRAVEL, AND A MOST DANGEROUS FEVER COMPLAINT.

Copy of a Letter addressed to J. K. Hayden, Esq., Sydney, New South Wales dated Feb. 20th, 1851.

SIR,—A Mr. Thomas Clark, a Settler at Lake George, was for a considerable time seriously afflicted with a Complaint of the Liver, together with the Gravel. His medical attendants, after trying all their skill, candidly told him that his case was hopeless, and any further efforts useless. In this situation, and when expecting every day would terminate his existence, a friend recommended him to try Holloway's Pills, and as a forlorn hope he did so, the first gave him considerable relief, he therefore persevered in taking them according to the directions, and is now restored to health. He will feel great pleasure in confirming this statement, or even make an affidavit to the same effect, should it be required.

(Signed) WILLIAM JONES, Proprietor of the Goulburn Herald, New South Wales
