An Easy Victory.

The Hamiltons Lay Over the Maple Leafs

Thirteen Inning Struggle at St. Thomas,

With a Cleveland Team That Plays London—Racing at Cincinnati, Windsor, Saratoga and Other Places.

BASEBALL.

HAMS WIN EASILY.

Hamilton, Ont., Aug. 5.—A good-sized crowd witnessed the ball game at Dundurn Park in the Canadian League. The Hamiltons found Doty's delivery without much trouble, and hit hard at opportune times, while the fielding of the home team was much better than that of the visitors. The Maple Leafs played a very ragged game in the field, which was greatly responsible for their defeat. Score:

	R.	H.	E.
Hamilton	8	13	2
Guelph	5	9	8

Batteries—Brahm and Conwell; Doty and Roberts. Umpire—Phelps.

GREAT GAME AT ST. THOMAS.

St. Thomas, Aug. 5.—The Power Athletic Club, of Cleveland, one of the strongest aggregations of ball tossers that has played here this season, were defeated by the local club today with the assistance of Umpire George Taylor, in one of the best and most exciting games of ball ever witnessed in this city. The visitors put up a nice, clean game, and it is safe to say they will give the Londons a hard battle for supremacy on Saturday. It took thirteen innings to decide today's contest, in the presence of the largest audience of the season—2,500. Peter Wood has demonstrated in the two previous games played here that he has a second lease of his old-time cunning, which in years past made him famous. The local team scored one run in the first and one in the second inning. Then the visitors jumped on to Hawkins' delivery in the sixth, and scored five and one in the seventh. St. Thomas again scored two in the seventh and two in the eighth. Peter Wood was then put in the box, and for the next five innings the visitors only succeeded in making one hit, and that of the scratch order. Beldon also replaced Killackey in the box for the visitors, and from that until the thirteenth inning, when the locals scored two more runs, it was a pretty battle between the two pitchers. The Clevelands play here again tomorrow. Batteries—Hawkins, Wood and Lyons; Killackey, Beldon and Killackey. Umpire—Geo. Taylor.

A SWIFT LEAGUE.

Hamilton Herald: The release of Second Baseman Flynn by the Guelph management; the rather indifferent work of Shortstop Murphy, of the same team, and the none too successful debut of Outfielder Meeks, who twice wore a Hamilton uniform, leads to the conclusion that the Canadian League is a particularly swift baseball aggregation. The players named above all came from the Michigan State League, of which Meeks was reported to be the champion batter and the other two among the crack infielders. Yet not one of them was found fast enough for our own little company. Other players have come here from prominent associations across the border, and have been promptly dismissed for incompetency. On the other hand, two or three Canadian players have stepped into the ranks of the Eastern, and have at once bounded into prominence, while their positions here have been quickly and ably filled. It is quite evident, therefore, that the Canadian is one of the best of the minor leagues on this continent, from a ball-playing view, and it is gratifying to note that the people of Hamilton, London and Guelph are beginning to encourage the league with their patronage.

UMPIRE HURST'S UNENVIABLE LOT.

Cincinnati, Aug. 5.—John Cartuyqelles, the fireman who was struck on the head with a beer glass yesterday by Umpire Tim Hurst during a game between Cincinnati and Pittsburg, is reported today to be in a critical condition. A charge of assault has been made against Hurst, and he was released on a bond of $300. A new affidavit will now be filed, charging him with assault with intent to kill, and Hurst, who has gone to St. Louis, will be rearrested there and brought back here to answer the new charge.

WON BY POINT EDWARD.

Goderich, Ont., Aug. 5.—This afternoon the Point Edward baseball club played a match with the Goderich team. Score: Point Edward 15, Goderich 5. The visitors came to Goderich on an excursion trip, and were well received by the town club.

FLYS.

Davis leads the New Yorks in batting, with an average of .325.

Delehanty still leads the league in batting, with an average of .435. Seven of the Bostons are above the .300 mark.

Jones tops the Brooklyn batting list with an average of .317. La Chance leads the team in fielding with an average of .977.

Joe Mulvey, the veteran third baseman, will be suspended for having deserted the Montreals when the transfer from Rochester to the former city was made.

Jim Corbett has been signed by the Athletics of Philadelphia to play first base in five games at Reading, Richmond, Norfolk, Lancaster and Paterson.

Scannell, the Harvard backstop, is due next week at Maplewood, N. H., where he will captain the team. He has been doing great work for Cape May since college closed.

The Providence Grays were dubbed the "Rainmakers" last week. All records were broken by them in the wet weather line, for they were prevented from playing for five consecutive days.

His royal highness, Patricio Tebeau, the captain-manager of the Clevelands, is out with the prediction that the Spiders will beat out the Cincinnatis. He says: "If Buck's gang reach second, we will be first. If they are third, we will be second. We put them out of the Temple cup money last year, and we will do it again this season, if necessary."

Now that Sockalexis and Pappalau are in the shadows, the pseudonym "Indians" for Tebeau's band will enjoy a much needed vacation.

A year ago "Fat" Tebeau predicted that "Bobby" Wallace would prove a "find" in the infield. The little third baseman has verified his chief's predictions by his star play. If he experiences no setback he will be without a peer on the last bag.

Nichol, the stand-by of the Boston club, is causing Manager Selee many sleepless nights. His arm is affected by rheumatism and he is begging for a short rest. If he were disabled the Hub's chances for the pennant would vanish in an instant.

Anson has fallen off woefully in his batting this year. His record for 1896 was 196 games, 403 times at bat, and 135 base hits—an average of .335. This year he has participated in 62 games, has been 228 times at bat and made only 51 base hits—an average of .244. In 24 games he has failed to hit safely.

Breitenstein has won 13 out of his last 14 games he has pitched. Brett has quit using a ball soaked in licorice juice to practice with. He says he found the regulation too light afterward, when he got into the real game, and consequently gave frequent bases on balls because of his lack of control.

St. Thomas Times: The London Arlingtons want to play at Atlantic Park next Tuesday, and Manager Lyons has written them to go and get a reputation first.

St. Thomas Times: The Guelph Maple Leafs are anxious to secure "Billy" Rodden, the clever little St. Thomas third baseman. He went to London yesterday to cover that position, but the rain knocked out the game. The Guelph management made Rodden an offer of $80 a month, but Billy declined, and will stay here.

INTERNATIONAL TOURNAMENT.

Niagara, Ont., Aug. 5.—The international championship tennis tournament will be held at Niagara-on-the-Lake on Aug. 24 and following days, and will immediately succeed the United States championships at Newport. Great interest will be lent to the tournament this year by the presence of the three English players who are now in America, viz., Messrs. H. S. Mahony, E. L. Nisbett and Dr. W. V. Eaves, who will receive a hearty welcome in Canada from their fellow-subjects of the empire. A new international trophy is now offered for competition, as the former became the property last season of Carr B. Neal, of Chicago, the western champion, who won it two years in succession. KANSAS COURT RUN BY THE MOON.

[Topeka State Capital.]

Probate Judge Lou Dolman is a believer in the actions of the moon. He says the moon regulates his business. During the weeks of a full moon he makes big money. That is because there are lots of insane cases, he says. More people lose their minds during full of the moon than at any other time.

"When I figure on my probable earnings for a year," he said recently, "I always look at the calendar to see which weeks the moon will be full. In these weeks I always count on doing a big business.

"I have had crazy people tell me that they are always worse during the full of the moon."

A woman's work is hard. The mother who has to attend to her household duties, look after the children and the wants of her husband needs to be a strong woman in every way. A woman who suffers from weakness and disease of the delicate and important organs that make wifehood and motherhood possible cannot be well and strong in other ways. She will suffer from headaches, pains in back and sides, and lassitude and despondency. A woman in this condition cannot be a capable and amiable helpmate.

There is no necessity for a woman to suffer in this way. Dr. Pierce's Favorite Prescription is the best of all remedies for ailing women. It acts directly on the distinctly womanly organism and makes it strong and healthy. It allays inflammation, heals ulceration, soothes pain, stops debilitating drains and tones the nerves. It fits for wifehood and motherhood. It banishes the indispositions of the period of trepidation and makes baby's coming easy and almost painless. It insures the health of the little new comer and an ample supply of nourishment. It tones and soothes the nerves. Taken in connection with Dr. Pierce's Golden Medical Discovery, it makes the skin clear and beautiful. Over ninety thousand women have testified to its wonderful virtues. All good dealers sell it.

"It is with pleasure I recommend Dr. Pierce's Favorite Prescription to suffering ladies" writes Mrs. J. C. Ferguson, Box 50, Douglas Station, Selkirk Co., Manitoba. "After suffering untold tortures, I thank God I found relief and cure in Dr. Pierce's Favorite Prescription."

The only mild but sure remedy for biliousness and constipation — Dr. Pierce's Pleasant Pellets.

Every wise and careful housewife recognizes the value of a good home medical book. Dr. Pierce's Common Sense Medical Adviser is that kind of a book and the best of its kind. It used to sell for $1.50 per copy. Now a big edition is being given away—FREE. For paper-covered copy, send 21 one-cent stamps, to cover customs and mailing *only*. Cloth binding 50 stamps. Address, Dr. R. V. Pierce, Buffalo, N. Y.

DROPPED DEAD!

Suddenly Stricken Down by Heart Disease.

"A sad and sudden death occurred to a well-known citizen on one of the leading streets this morning."

Nearly every large city paper contains daily some such heading. The number of deaths from heart failure is very large, but it is only when they occur in some public and sensational manner that general attention is drawn to them.

Palpitation and fluttering of the heart are common complaints. With the heart itself there is nothing radically wrong. But the system is disorganized, the kidneys and liver are out of order, and the stomach is not in condition to do its work properly. Between them all, they throw too much responsibility on the heart, and the latter is unable to stand the strain.

A box of Dr. Chase's Kidney-Liver Pills, at a cost of 25 cents, will regulate the system, purify the blood, and make a new person of every sickly man, woman and child.

Dr. Chase's Liver-Kidney Pills may be had from any dealer or from the manufacturers, Edmanson, Bates & Co., Toronto. One pill one dose, one cent a dose.

Dr. Chase's Linseed and Turpentine for coughs and colds. Largest bottle on the market; only 25 cents.

Improved Navigation of the River Thames

As Far as Chatham—Peculiar Insurance Suit—Sudden Death at Tilsonburg.

W. G. Merritt has been appointed city clerk of Chatham.

Ingersoll's jubilee celebration cost $302 50 and the receipts were $579 22.

Mr. Wm. Siddall is boring a deep well on his farm, south of Glencoe, and hopes to strike oil.

Miss Sarah Laufer lost a finger by having it caught under a knife in Doerr's biscuit factory, Berlin.

Mr. M. Toon shipped three carloads of cattle via G. T. R., from Glencoe yesterday for the English markets.

Rev. C. C. McLauren, of Galt, has accepted a call to the Brandon Baptist Church.

For July last the amount of the customs collected at Guelph was $3,462 94. For July of 1896, they were $4,910 47. This makes a decrease in the collections of $1,447 53.

The C. P. R. cold storage apparatus at North Glencoe has been completed, and is proving a very convenient addition to the company's shipping facilities at this point.

A very sudden death occurred the other day at Tilsonburg. Mrs. Frank Oster was taken with a fit, and never recovered consciousness, death taking place. Deceased was a daughter of Mr. Wm. McCartney, tailor, of that town. Gossips spread ugly stories subsequently, and relatives asked for an inquest, with the result that all the stories were disproved.

The other day a meeting of the prominent business men of Exeter was held, and a company organized, to be known as the Exeter Electric Light and Power Company, Limited, capital $10,000. At the same meeting a provisional board was elected, composed of C. Lutz (president), R. C. C. Tremaine, B.Sc. (manager), B. S. O'Neil, E. J. Spackman and Frank Woods.

J. Mote, of South Dorchester, has entered an action against Angus Stewart, of the same township, for damages. Mr. Mote was tenant of and owns part of some property in South Dorchester, which he worked on shares with defendant. The plaintiff was sued by a creditor and his interest in the farm seized, and Mr. Stewart was put in possession under a bailiff's warrant. Mr. Mote now brings action for damages. Mr. McEvoy, of London, is solicitor for plaintiff.

The Verity Plow Works, of Brantford, are in communication with the council of that city with a view to getting the city to take over their factory at $20,000, as it has become necessary for them to remove to larger premises owing to increased business, the new factory and plant to be built being estimated to cost not less than $40,000. They also wish to be exempted from taxation for a term of ten years.

With the recent extensive dredging in the river, admitting the passage of the larger class of vessels, is commenced another era in the history of Chatham, and a return of former business is promised. Next week a large propeller will come up and will take in a cargo of 15,000 bushels of wheat, shipped by J. B. Stringer & Co. to Liverpool via Montreal. The wheat crop this year in Kent is unusually large, and more shipments of a similar nature are certain to follow.

John Armstrong, who has been ill since early spring, died at his home at Sarnia, Thursday. Mr. Armstrong was born in the north of Ireland 76 years ago, and came to Canada while quite young, settling in Adelaide township, Middlesex. Many years ago he was kicked severely by a horse and rheumatism has crippled him ever since, necessitating his retirement from the farm. He has since lived in Sarnia. A widow and son and daughter, William and Margaret, survive.

The death of David Webster, of Newbury, is announced. Deceased was born at Ayr, Scotland. At an early age he enlisted in the Forty-second Highlander Black Watch, serving about eight years, coming to Canada nearly 40 years ago. He settled in Mosa, Ekfrid, and finally in Newbury, where he resided for over 25 years, following his trade as a weaver. A few years ago he lost his house by fire and was severely burned, after which he never regained his complete strength. Lately he suffered from kidney disease. He was 88 years old.

The Presbyterians of Alvinston have completed arrangements for the laying of the corner stone of their new church on the evening of Thursday, Aug. 12. The stone will be well and truly laid by John Fraser, M.P. After this ceremony has been performed, an adjournment will be made to the skating rink, where refreshments will be served. Short speeches will be delivered by John Fraser, M.P., W. S. Caven, M.P., Rev. R. Haddo, Watford, and Rev. A. Fraser, Mosa. Music will be furnished by the Alvinston Cornet Band and the church choir. Miss McLaughlin and Mrs. Stalk will render solos.

An action at law in which a point of much interest will be in dispute will likely result from the death of Chas. Lumley, M. C. R. brakeman, killed on the T., H. and B. at Brantford a week ago Tuesday. The deceased two months ago joined Unity Lodge, No. 47, Brotherhood of Railway Trainmen, in which he was insured for $1,200. The deceased represented himself as a single man, for which he was accepted generally throughout the city. At his request the policy of insurance was made payable to his mother. But though deceased represented himself as a single man, he was married in Sarnia, in December, 1896, and his wife and child live at Algonac, Mich., where his father and mother also reside. The B. of R. T., according to their rules, cannot pay the money to the mother of deceased, he having a wife living, and it is likely that a suit will arise as to whom the insurance shall be paid, should the wife and mother not come to an agreement.

Dizziness and Weak Eyesight—How to Cure Them.

Mrs. J. Dell, Chatham, Ont., says: "For two years I could never go to sleep before 2 or 3 o'clock in the morning. I suffered much from vertigo and dim eyesight. Milburn's Heart and Nerve Pills have removed the dizziness, restored my heart to healthy action, strengthened my eyesight, and I can truly say they are a blessing to anyone suffering as I did."

A Georgia coroner's jury brought in the following verdict recently: "The deceased came to his death from a railroad in the hands of a receiver, and the same is manslaughter in the first degree."

MUNYON CURED THESE PEOPLE---GO SEE THEM OR WRITE THEM.

Mr. John D. Wray, proprietor of the Britannia House, Wellington street, London, Ont., says: "For the past nine months I have suffered frequently with rheumatism of the hip. After using Munyon's Rheumatism Cure for a short time I was relieved, and desire to highly recommend that medicine."

Cured in One Month.

Mr. Bebee Carnaghan, retired farmer, Ellesmere, P. O., Ontario, says: "I was afflicted for ten months with dyspepsia, which caused vomiting of my food; also with obstinate constipation, frequently accompanied with violent cramps; cold sweats and prostrations were frequent. I tried several physicians, some of the best in Toronto, but without obtaining relief. After nearly a year's suffering I began using Munyon's Remedies, and improved from the start. After one month's treatment I gave up the remedies, and find myself cured. This was some time ago, and I have had no trouble since. I desire to express my gratitude for what Munyon's Remedies have done for me."

A Most Wonderful Remedy.

Mr. Emmanuel Harrison, a prominent and wealthy citizen of Brampton, Ont., says: "I suffered with lumbago since last February, and the pain was so severe at times that I could not sleep. Munyon's Rheumatism Cure was recommended to me and I purchased a bottle; took three doses that night, and the next morning I felt greatly relieved. I have only used the second bottle, and am now entirely cured. I consider this Rheumatism Cure the most wonderful remedy I ever heard of."

Munyon Relieves Suffering.

Mary A. Gitaly, Leaksdale, Scott township, Ontario, says: "I was quite a sufferer from stomach trouble, and everything that I ate caused me distress and pain. I began the use of Munyon's Remedies and in a short time my stomach became very much stronger, and I was again able to eat as usual."

Mrs. James Milligan, 288 Buller street, Woodstock, Ont., says: "I have suffered with catarrh and bronchial affection for the past sixteen years, and I was getting worse each year. I had lost considerable flesh, and was so weak I could scarcely walk across the floor. I doctored with several doctors, and tried everything I heard of, even getting medicine from New York. The last doctor told me he could do no more, for me, and I could not be cured. I felt I could not stand it much longer. I had a distressing cough, had to sit up in a chair night after night, and was, in fact, in a physical wreck. My family advised me to try Munyon's Remedies, but I had no faith. To please them I got the Cough Cure, Catarrh Cure and Catarrh Tablets. I noticed an improvement almost from the start. I am now feeling better in every way, and can do all my own work, walk a mile without feeling tired. My appetite is good, and I feel I am on the high road to recovery. I have not felt so well in nine years."

Munyon Alone Gave Relief.

Mr. Robert Howie, Gore road, East London, Ont., says: "I was a great sufferer from dyspepsia. All the remedies that I tried did me no good, except Munyon's. I take great pleasure in recommending your preparations."

Utmost Faith in Munyon.

Mr. T. H. Reed, 749 Palmerston avenue, Toronto, Canada, says: "I was suffering severely with kidney disease when I began treatment with the Munyon specialists, some three or four months ago. I also had very severe pain from stomach trouble. I used Munyon's Dyspepsia and Kidney Cures and before I had finished two bottles of each I was satisfied that both diseases had been cured. I have the utmost faith in the Munyon Remedies."

Quickly Broke Up a Cold.

Mr. Neal McLeod, 40 Turner avenue, Toronto, says: "I suffered from a severe cold for a week, and tried several remedies, but they afforded me no relief. I felt so badly I could hardly go out attend to my duties. One bottle of Munyon's Cold Cure gave immediate relief, and I have not suffered since."

Mrs. Mary Moss, No. 260 Chestnut street, Toronto, Canada, says: "I have used Munyon's Dyspepsia Cure with splendid results. I was so bad with this disease that food would lie for hours on my stomach, causing me great pain and agon. I also had severe pains in my back, and was frequently troubled with sour stomach. I had to be extremely careful what I ate, but after using one vial of Munyon's Dyspepsia Cure I am now able to eat anything without distress afterwards. After suffering for years with this disease, it is a pleasure to be again able to eat anything I desire. Thanks to Munyon."

Dyspepsia Twenty Years.

Mr. Thomas Shaw, Merton, Ont., says: "I was troubled with dyspepsia and nervousness for twenty years. I tried everything that was advertised, and consulted many doctors, who did me no good. I began using Munyon's Dyspepsia Cure and Nerve Cure, and they have proved the best thing that I have ever used. I am feeling better than I have before in years."

Child Completely Cured.

Mrs. H. Snell, 222 Victoria street, Toronto, Canada, says: "I have used Munyon's Remedies for my infant boy, who was treated for swollen glands of the neck. When we began the treatment, his neck was very badly swollen on each side, and he was suffering great pain. We have used only two small vials of Munyon's Balm, and the child has been completely cured, and has been in splendid health since. I am daily recommending Munyon's Remedies."

Fever Promptly Checked.

Mr. T. C. Smith, well-known jeweler, 598 Queen street, Toronto, Canada, says: "We have used Munyon's Fever Cure with splendid results. A few weeks ago our little girl suffered from a high fever, and it was promptly checked by the use of Munyon's Fever Cure. The little one has now fully recovered. I have great confidence in Munyon's New System."

SOME OF MUNYON'S REMEDIES:

Munyon's Rheumatism Cure seldom fails to relieve in one to three hours, and cures in a few days. Price, 25c.

HAY FREIGHT REDUCED.

Toronto, Aug. 5.—As a result of the meeting of railway freight agents here this week a reduction of rates on hay for export has been determined upon. Hay growers claimed that existing rates prevented shipment for export with a profit, and a considerable reduction will be made, bringing the figure down to where it stood in 1893, when there was a phenomenal hay crop with large exports.

Boils, Pimples and eruptions, scrofula, salt rheum and all other manifestations of impure blood are cured by Hood's Sarsaparilla.

A PEACEFUL INVASION.

Halifax, N. S., Aug. 5.—The United States battleship Indiana, which is to be repaired at Halifax, will arrive here next Monday and will enter the dry dock the day following.

ATTACK ON MAYOR FLEMING.

Toronto, Aug. 5.—Under instructions from Mr. E. A. MacDonald, a writ has been issued at Osgoode Hall to secure an injunction against the appointment of Mayor Fleming as assessment commissioner, on the ground of using corrupt and illegal means to secure the appointment. Judge Moss, in the absence of Judge MacMahon, the vacation judge, declined to consider the application for the injunction.

FAGGED OUT.—None but those who have become fagged out know what a depressed, miserable feeling it is. All strength is gone, and despondency has taken hold of the sufferers. They feel as though there was nothing to live for. There, however, is a cure—one box of Parmelee's Vegetable Pills will do wonders in restoring health and strength. Mandrake and Dandelion are two of the articles entering into the composition of Parmelee's Pills.
