Steinway Best, Says Hofmann.

Views of the Great Pianist on the Subject of Pianos. Declares That No Other Piano Approaches the Steinway.

New York, April 14.—Josef Hofmann, the great pianist, was asked today by a press representative his opinion as to which is the best piano, to which question he replied:

"There is but one best piano, and that is the Steinway, and no other piano approaches it. I want to give the greatest possible pleasure and satisfaction to my audience. By accomplishing that I gain the greatest reputation, and that is what I want. This end I attain by using the Steinway. I desire you to distinctly understand that there is no money consideration whatever to influence me in my opinion. You have asked me my candid opinion about pianos for the benefit of the public, and I have told you what I honestly think on the subject."

LORD KITCHENER TO RECEIVE HANDSOME GIFT OF $250,000

As a Reward for Services in South Africa.

KING'S MESSAGE TO THE LORDS

Commander-in-Chief on His Way to England—Baden-Powell Busy—Scenes Among the Boers.

London, June 4.—In the House of Commons today the government leader, A. J. Balfour, presented a message from King Edward as follows:

"His Majesty taking into consideration the eminent services rendered by Lord Kitchener and being desirous in recognition of such services to confer on him some signal mark of his favor recommends that he, the King, should be enabled to grant Lord Kitchener £50,000 ($250,000)."

John Dillon, William Redmond, and Swift MacNeill (Irish Nationalists), announced their intention of opposing the grant at every stage.

A resolution giving effect to his majesty's message will be discussed tomorrow.

VISCOUNT KITCHENER.

London, June 4.—It was announced this afternoon that Lord Kitchener had been created a viscount by King Edward.

LEFT FOR ENGLAND.

The Times, of Natal, states that Lord Kitchener has left for England, and that Gen. Lyttleton is acting commander-in-chief of the British forces in South Africa.

KING'S SHARE IN THE PEACE.

One of the ecclesiastical garments which the King will wear when anointed and crowned is embroidered with palms. The symbolism will not be inappropriate now that peace is made in South Africa. Foreign journals already describe it as the King's peace. While he has aided in bringing it about, it is doubtful if he has been unduly influenced by the approach of the coronation. Lord Rosebery's overzealous admirers credit him with facilitating Dr. Kuyper's intervention, which proved the point of departure from the policy of guerilla warfare, where documents were sent to Boer leaders in the field.

THE VOTE FOR SURRENDER 54 TO 6.

Pretoria, Transvaal, June 4.—The ballot of the Boers at Vereeniging resusted in 54 votes in favor of surrender and 6 against it. Preparations are being made here for the surrender of the Boer commands, which will take place on the race course. All the Boers are allowed perfect freedom.

There will be a thanksgiving service on Sunday, June 8, on the church square, in which it is hoped the Boers will participate.

The women in the concentration camps are anxious to return to their homes immediately, but this will be impossible until a system of supply depots for the outlying districts is established.

BADEN-POWELL BUSY.

Gen. Baden-Powell is arranging for the distribution of mounted constabulary in various districts. The police, railroads and telegraphs will be handed over to the civil authorities as soon as possible, and the restrictions of martial law will be gradually relaxed.

BOERS CORDIAL.

The Boer delegates who, during the peace negotiations were stiff, formal and unfriendly, are now extremely cordial. All the commandants are returning to their commands in order to explain the situation.

Gen. Louis Botha, the Boer commandant-general, has written an open letter to the burghers thanking them for their obedience in the past and exhorting them to be equally loyal in their obedience to the new government.

KITCHENER'S COMPLIMENT.

Lord Kitcener's address to the Boer delegates at Vereeniging, in which he said that if he had been one of them he would have been proud to have done so well in the field as they had done, made the best possible impression, and drew forth a hearty response from Gen. Beyers, the chairman of the Boer conference, who expressed the pleasure the Boers' experienced at meeting Lord Kitchener as a friend, adding that they had fought so long against him that they had acquired full appreciation of his worth.

REMARKABLE SCENES.

The departure of the Boer commanders from Vereeniging for their various districts was marked by remarkable scenes of fraternization. The trains conveying the Boers started late, and, the night being extremely cold, sentries along the railroad track lighted huge bonfires, around which groups of Boers and Britons gathered, forming a highly picturesque scene. The late opponents joined in such songs as "Hard Times Come Again No More," and "Old Folks at Home," the British soldiers and the burghers outvying one another in their demonstrations of joy. In brief, the scenes at the departure of the trains resembled nothing so much as the starting of huge picnic parties.

The same signs of rejoicing were witnessed throughout the Rand. Flags were displayed everywhere, and thanksgiving services were held in all the towns.

MR. KRUGER.

It is reported that friendly advances are being indirectly made by the British Government to Mr. Kruger, with the object of enabling the ex-president to return to South Africa, conditionally on his retirement to his Rustenburg farm.

NEW GRAIN TAEXS STAND.

London, June 4.—In the House of Commons today, in reviewing the necessities of the situation, now that the South African war is terminated, the chancellor of the exchequer forecasted the purport of his statement, saying that the new taxes, including the duty on grain, would be retained in order to raise the money required; but, if there is any surplus it will be devoted to the redemption of part of the national debt.

CONGRATULATIONS CABLED BY THE KING TO KITCHENER

On the Termination of the War in Africa.

SIMILAR MESSAGE TO MILNER

Canada To the King—Lord Kitchener at Veereniging Camp—His Reply to Lord Minto.

London, June 4.—King Edward has cabled his congratulations on the conclusion of peace to Lord Kitchener and Lord Milner, the British high commissioner in South Africa.

The following is the text of the King's dispatch to Kitchener:

"I send you my most hearty congratulations on the termination of hostilities. I also heartily congratulate my brave troops under your command for having brought the long and difficult campaign to so glorious and successful a conclusion."

To his message Lord Kitchener replied:

"The army in South Africa highly appreciates your majesty's most gracious message which I am now communicating to it. I humbly beg to thank your majesty."

TO MILNER.

The text of the royal dispatch to Lord Milner is as follows:

"I am overjoyed at the news of the surrender of the Boers, and I warmly congratulate you on the able manner in which you have conducted the negotiations."

To this message Lord Milner replied: "I offer my deepest thanks to your majesty's gracious message. I am profoundly thankful that your majesty's coronation will be celebrated with peace throughout your South African domains."

CANADA TO THE KING.

Ottawa, June 4.—The following cables were sent by the governor-general to Mr. Joseph Chamberlain:

"My ministers beg to offer His Majesty the King the humble and loyal congratulations of the people of Canada on the restoration of peace in South Africa, and they regard the announcement on the eve of the approaching solemnities of the coronation as forming a happy augury for the long-continued prosperity and greatness of his majesty's reign. (Signed) Minto."

LORD MINTO TO LORD KITCHENER.

"Ottawa, June 3.—Canada rejoices and congratulates you and army on the conclusion of what all feel will prove a lasting and honorable peace. (Signed) Minto."

KITCHENER'S REPLY.

The following acknowledgment to his personal message of congratulation to Lord Kitchener was received today by his excellency the governor-general:

"Pretoria, June 3.—Lord Minto, Ottawa—My hearty thanks, on behalf of myself and army, for Canada's congratulations. (Signed) Kitchener."

LORD KITCHENER AT VEREENIGING CAMP.

Pretoria, June 4.—Lord Kitchener, accompanied by his brother, Gen. Kitchener, visited the camp at Vereeniging last Monday and greeted the delegates to the Boer conference there. He also expressed his hope that in the future that Boer and Britain would live in amity.

London, June 3.—Joseph Chamberlain, the colonial secretary, was received bp King Edward at Buckingham Palace tonight. Mr. Chamberlain's residence at Birmingham is nightly the scene of patriotic demonstrations and ovations.

A PASS FOR KRUGER.

Telegraphing from Amsterdam, the correspondent of the London Daily Mail says that Sir William Cunningham Greene, the British minister at Berne, Switzerland, and who was formerly the British agent at Pretoria, together with Lord Reay, from London, has arrived and conferred at length with Dr. Kuyper, the Dutch premier. It is rumored, says the correspondent, that Mr. Greene and Lord Reay purpose accompanying Dr. Kuyper to notify Mr. Kruger of the conditions of peace and to offer him safe conduct to South Africa on condition of his retirement to his farm at Rustenburg. Dr. Kuyper's good offices in this matter were requested by Great Britain.

MESSAGE FROM THE KING.

London, June 4.—Contrary to the custom, the House of Lords will hold a sitting today to receive a message from King Edward with reference to peace in South Africa. It is expected that this message will announce the conferring a title upon Lord Kitchener and the granting him a reward for his services. This reward will probably be £100,000 ($500,000).

It now appears that Lord Kitchener will not return to London for the King's coronation, and Jos. Chamberlain, the colonial secretary, has said that the government does not propose to have the new South Africa colonies represented at the crowning of King Edward. The Transvaal and Orange River Representatives could hardly reach London in time for the function.

UNCONDITIONAL SURRENDER.

Berlin, June 4.—Referring to the terms of peace in South Africa, the German newspapers express great disappointment and say they amount practically to unconditional surrender of the Boers.

The Boer delegates in Europe arrived in Utrecht Tuesday afternoon. They held a prolonged conference in the house of Mr. Kruger and afterwards another meeting was held in the Hotel de Pays Bas. None of the delegates was willing to talk with regard to the conclusion of peace or of what had been done.

The Handelsblad declares that neither Mr. Kruger nor any of the Boer delegates in Europe has received any communication from the Boers in South Africa concerning peace. "The inference is," says the paper, "that the British government is stopping such dispatches."

A MARVELOUS GUN DEVISED BY KRUPP

Will Puncture the Thickest Armor Plate Yet Made.

A BRITISH STEAMER ASHORE

Lord Strathcona on the Peace Settlement—Canada's Opportunity—Sixteen Persons Killed.

A MARVELOUS GUN.

Berlin, June 4.—According to the Boersen Courier, Herr Krupp has brought to perfection a gun, the projectile from which is capable of penetrating the best and thickest armor-plate he manufactures. Emperor William has already witnessed trials of this new gun, and his majesty has exacted a promise from Herr Krupp to reserve it exclusively for the use of the German navy.

STEAMER ASHORE.

Cape Town, June 4.—The British steamer Clan MacGregor, from Port Natal, May 28, for New York, is ashore at Martha's Point, on the south coast of Cape Colony. It is expected she will be a wreck.

DIVORCE IN HIGH LIFE.

A dispatch received in Paris from Monaco confirm the report that the courts of the principality have decreed the judicial separation of the Prince and Princess of Monaco. The latter was formerly Alice, Dowager Duchess of Richelieu, a daughter of Michael Heine, a banker, of New Orleans, La.

STRATHCONA'S VIEWS REGARDING PEACE SETTLEMENT.

London, June 4.—Lord Strathcona, when interviewed, regards the conclusion of honorable peace with the greatest satisfaction. He says Canada must now prepare to take advantage of the splendid opportunity offered for extension of trade with South Africa. While he quite understood and sympathized with the British Government's desire to promote the settlement of British emigrants to South Africa, Canada would be disappointed were any state-aided emigration scheme devised which applied to South Africa only.

Lord Strathcona denied the alleged fast service agreement between the Elder-Dempsters and the Canadian Government. Negotiations might be proceeding, but nothing had yet been definitely settled. Regarding the date of the coronation conference, Lord Strathcona said it would probably be early in July.

SIXTEEN PERSONS KILLED.

Sixteen persons were killed and ofur more were wounded as a result of an explosion of gas on Monday in an ozocerite mine in the Province of Galicia.

FIRES IN PEKIN.

Pekin, June 3.—Fires occurred yesterday at the French barracks here and today at the quarters of the Austrian troops. Although the fires were large the resulting damages were small. The fires are believed to have been of incendiary origin. When the buildings burned there was much excitement and rejoicing among the crowds of Chinese who had congregated outside the legation quarters of Pekin to enjoy the sight of the flames.

$78,000,000 ASKED FOR UNCLE SAM'S NAVY

Senate Committee Increases the Appropriations.

Washington, June 4.—Mr. Hale, from the senate committee on naval affairs, reported the naval appropriation bill to the senate. The committee reports in favor of all the new vessels recommended by the house and at the prices fixed in the house bill, but strikes out the provision that half the vessels shall be built in government yards. There is a provision authorizing the construction either of a battleship or cruiser on the Pacific coast.

The secretary of the navy is authorized to contract with the Holland company for five submarine boats, and he also may have tested any other submarine boat and purchase one at a cost not to exceed $150,000. The bill as reported increases the appropriation made by the house, $546,905, making a grand total of $78,166,838.

GIRL GETS TO BE A "HOBO"

Well-Reared Daughter of a Merchant in Jail for Vagrancy.

Says She Will Kill Herself Rather Than Return to Her Home.

Madison, Wis., June 4.—Miss Frances Shetterly, the daughter of a Des Moines merchant, is in jail here on a charge of vagrancy. She declared she will kill herself rather than go back to her parents.

Miss Shetterly left home five weeks ago and has been wandering in search of work in the river towns of Illinois most of the time since. She sold her costly hat and expensive dress while on the trip, and her small hand satchel was stolen from her in the depot at Dubuque. Lately she has been entirely out of money, and has begged her living and beaten her way in true hobo fashion. When arrested in Madison she was watching a chance to board a freight train for Milwaukee or Chicago.

She absolutely refused to reveal her name, and wished to plead guilty and go to jail, but Judge Donovan sent her to jail on a continuance of ten days. Later she told her name and story to the sheriff. She said her sweetheart drugged and disgraced her in a hospital in Des Moines. The nurse told the secret and life at home became insufferable.

Miss Shetterly is but 18 years old, a graduate of a Des Moines high school, and has taught school for two terms. Not a word has been heard from her relatives.

Dr. Johnston submitted a call from St. George's Church, London Junction, in behalf of Rev. Hector McKay, B.A. The call was sustained and accepted, and Mr. McKay's induction appointed to take place on Thursday, June 26, at 8 p.m., the moderator to preside, Dr. McCrae to address the minister and Mr. Clark the congregation.

In the afternoon, a large congregation that more than filled the church, assembled to witness the solemn ordination service of the Presbyterian Church which the present generation in that community had never witnessed before, the previous pastor, Dr. Sutherland, now resident in this city, having been ordained in the same place in 1866.

Rev. Mr. Rae delivered a very appropriate sermon from I. Cor., xxviii., 20, 21. After the ordination prayer and laying on of the hands of the presbytery, Rev. Dr. Johnston very impressively addressed the newly inducted minister. Mr. Reede delivered the charge to the congregation.

The service being over members of the presbytery and al lothers present were invited to partake of tea at the manse furnished by the ladies of the congregation.
