HEAVY RAINFALL IN THE DAKOTAS

Wheat Declines Sharply in Response—Corn and Oats Also Sag.

CHICAGO, June 30.—General rains and cooler weather in the Dakotas, with prospects that Minnesota would be equally favored, had a bearish effect on wheat today. The market closed nervous at a decline of 3-8c to 1¼c net. Corn showed a loss of 3-4c to 1c from Saturday, and oats a fall of 1-8c to ½c. In provisions the outcome was an upturn of 2½c to 7½c.

Wheat was weak with July sagging more than other months. Most of the pressure on July came in a hedging way against purchases of new wheat to arrive, chiefly from Illinois, Indiana and Missouri. It was the more favorable crop outlook in the spring wheat states northwest, however, that had the greatest influence. About the only important rally resulted from an expert's opinion that South Dakota would not yield more than half a crop at best. Export sales here and at the seaboard made the final tone unsettled.

Corn turned heavy on account of scattered rains and better crop reports. There was also a big increase of the amount shown to be in store here and at other leading points.

Oats were subject to a number of flighty changes, due to elevators buying cash oats at the sample tables and reselling in the pit.

Covering by July shorts lifted provisions. Some of the advance was lost owing to talk of liberal deliveries tomorrow.

WINNIPEG GRAIN MARKET.

WINNIPEG, June 30.—With showers all over the spring wheat areas and cooler temperatures on both sides of the line, assisted by weaker Liverpool cables, the wheat market was on the down trend. Opening prices were lower, and, with heavy liquidation and scarcity of bullish influences, prices dropped steadily notwithstanding adverse reports of American spring wheat which came towards the close. The loss for the day was ⅝c to ⅞c.

The cash demand continues dull, with offerings heavier than recently and export out of line. Cash prices closed ½c lower on all contract grades and tough.

Oats were weak and flax held its own. Cash oats closed unchanged, ¼c to ½c lower. Cash flax closed ½c to 1c lower.

Inspections Saturday were 425 cars; in sight for inspection today, 350 cars.

There were, at noon yesterday, at the Union Yards, 64 cars, 1260 cattle, 66 hogs, 100 sheep, 107 calves, and 15 horses.

As is usual on Monday there were no sales made.

CITY CATTLE MARKET.

Receipts of live stock at the City Yards were 6 cars, 93 cattle, 66 hogs, 56 sheep, 55 calves.

Trade was slow, with cattle prices easier, good butchers' selling from $6.25 to $6.50.

Sheep sold at $3.50 to $5 per cwt., and lambs, $6.50 to $9 per cwt.

Calves—Prices steady at $6.50 to $9.

Hogs were reported to be 25c lower, $9.35 fed and watered, and $9 f.o.b. cars.

Maybee & Wilson sold 1 load butchers, 1050 lbs., at $6.50; 5 cows, 1150 lbs. each, at $5.35; 1 bull, 1100 lbs. each, at $5.35.

MONTREAL LIVE STOCK.

MONTREAL, June 30.—At the Montreal live stock market sales today amounted to 850 cattle, 800 sheep and lambs, 1000 hogs and 1000 calves.

There was no actual change in the condition of the market for cattle since this day week, but on account of the continued warm weather there was a disposition on the part of buyers to operate less freely, and in consequence trade was rather slow. All the offerings consisted of grass-fed stock, for which drovers were demanding as much as they did for stable-fed cattle a week ago. Choice steers in full carloads sold at $7.15 to $7.25, and good stock sold at $6.50 to $6.75 per 100 pounds, and the top price paid for picked lots of choice was $7.40. Common cattle and canners were more plentiful than they have been of late, and prices for such were fully 25c per 100 pounds lower.

There continues to be a weak feeling in the market for sheep, on account of the increased receipts, and prices since this day week have scored a further decline of 25c to 50c per 100 pounds. At this reduction the demand was good, and sales of ewe sheep were made at $4.50 per 100 pounds, and lambs at $4 to $6 each. The trade in calves was active at steady prices. An easier feeling prevailed for hogs, and prices were 10c per 100 pounds lower than this day week, at $10.40 to $10.50 for selected lots, weighed off cars.

Butchers' cattle, choice, $7.25 to $7.40; do., medium, $5.25 to $6.25; do., common, $4 to $4.50; canners, $3.50 to $3.75; butchers' cattle, choice cows, $5.75 to $6; do., medium, $5.25 to $5.50; do., bulls, $3.50 to $5.50; milkers, choice, each, $75 to $80; do., common and medium, each, $65 to $70; springers, $55 to $60.

Sheep, ewes, $4.50; bucks and culls, $3.75 to $4; lambs, $4 to $6.

Hogs, f.o.b, $10.40 to $10.50.

Calves, $2 to $10.

CHICAGO LIVE STOCK.

CHICAGO, June 30.—Cattle—Receipts, 3000; market steady. Beeves, $7.20 to $8.85; Texas steers, $6.90 to $8.10; western steers, $7 to $8.10; stockers and feeders, $5.70 to $8; cows and heifers, $5.90 to $8.25; calves, $6.50 to $9.25.

Hogs—Receipts, 39,000; market steady, light, $8.55 to $8.80; mixed, $8.50 to $8.80; heavy, $8.30 to $8.75; rough, $8.30 to $8.45; pigs, $6.75 to $8.50; bulk of sales, $8.65 to $8.75.

Sheep and Lambs—Receipts, 23,000; market weak; native, $4.15 to $5.15; western, $4.60 to $5.15; yearlings, $5.25 to $6.50; lambs, native, $5.50 to $6.75; western, $5.60 to $6.65.

The inland revenue returns for the past month show an increase of $50,229 over those for the corresponding period of last year, the highest being $877,212.84 for June, 1913, and $826,982 for June, 1912.

C. P. R. STOCK ISSUE SOON TO BE MADE

Application for Privilege Being Pressed at Ottawa 'Tis Reported.

OTTAWA, June 30.—It is rumored here that the Canadian Pacific may press the government for leave to issue $60,000,000 common stock. The application to the government of a year ago, it is said, has not been withdrawn. In view of the announcement made in Montreal during the last few days of vast expenditures by the company aggregating $100,000,000, it is believed here that the application may be pressed for action this summer.

The issue of $60,000,000 common stock last October was in lieu of debenture stock and bore no relation to the application which was then and is still pending.

SHOULD DEVELOP INLAND WATERS

Towns Interested in Big Scheme Will Ask Government to Act.

The interest of inland towns in the development of waterway transportation was evidenced at a meeting in the city hall yesterday of the executive of the Great Waterways Union. J. W. Lyon of Guelph presided.

One resolution adopted approved of the action of the Dominion Government in ordering the construction of a larger Welland Canal to be rushed. It expressed its appreciation of the determination of the government to bring the deepest draft freighters of the great lakes into Lake Ontario, and thus give industrial points on Lake Ontario equality in the competition of all other points on the great lakes.

Another resolution urged the government to arrange for the deepening and enlarging of the canal system along the great lakes route from Lake Superior to tidewater in the St. Lawrence River.

Another resolution urged a government commission to investigate the needs of a Georgian Bay Canal, including the opening of a waterway from the Georgian Bay to North Bay, and that on the commission there be representatives of the prairie provinces, and also Hon. Adam Beck, to look after the possibilities of hydro-electric development.

FIRMS ON STATION SITE WON'T HAVE TO MOVE

Grand Trunk Says They May Stay on Short Notice.

Altho the firms occupying property on the site for the new Toronto Union Station, between Bay and York streets on Front street, had been given notice by the G. T. R. to vacate their premises, today, in view of the fact that the new viaduct plans call for a number of alterations in the former station plans, the order forcing the firms to move out was rescinded. This is with the understanding, however, that these firms will vacate on short notice.
