Poetry.

[FOR THE CHRONICLE.]

THE SLAVE IN NEW BRUNSWICK.

Britain! thy Freedom has cheered the Savannah,
And pow'd through the cottonwood gladness and light;
The tribes of the Desert have tested its manna,
And the glow of its pillar has led them by night.

Isle of the Ocean! thy Freedom is painted
On the flag that has triumphed on every shore;
On the tree where expired the true hearted and sainted;
And cast in the furnace—and worn in our core.

Hark! as the tyrants inglorious would task us,
Her bright wings unfurled soon the bravest appear—
As one speaks with that voice, that was heard near Damascus—
"The kingdoms supported by darkness must fall!

"Slavery has put on the heart deepest mourning,
A blot on the brow, and a cloud on the sun,
And that blush on the cheek, which for ages keeps burning,
And that mark on the creature—which speaks him undone.

"All that shock us, and all that can harrow,
All that can fever the blood and the brain,
All that can wither the mind and the marrow,
Falls short of God's Image dyed red with the chain!

"All that can call down the lightning and thunder,
And pour o'er a land the Dead Sea of His ire,
All that rent a proud country asunder,
And roll bitter waves o'er its climepits of fire—

"All that can strike down her flag in Dishonour,
All that can strew barren salt on her head—
Worse far than Murder—dark Slavery on her,
Weighs like a millstone, and sinks her like lead.

"Rest thy vile hammer, disturb not the sages,
Lying under their laurels, embalmed in the heart,
Furl thy black banner, unroll'd through long ages,
Let the green grass wave over thy scourge and thy mart!

"Whirlwinds are round thee, from earth and from ocean,
The sighs of thy captives, to rend thee apart—
To strike off thy wheels—the red track of whose motion,
Like the trial of the Scorpion, has wither'd the heart!

"Robbery—Murder—oh! all that can harrow,
Falls short of thee, Slavery, lighting thy shine,
With the torch that is fed by the African's marrow,
And treading their souls like the grape of the vine!

Not in the slavemart or cottonwood shady,
Is the black flag unfurl'd that makes Africans beasts—
But set up in the Temple—the place that is holy,
And deck'd with its scriptural mottos by priests!

"Shame on such priesthood—the ravens shall mock it!
And shame on the offspring of preachers so base!
Let the black flame of scandal burn down to the socket,
And die not in stench—till it dies with their race:

"Land of the saint, and the mighty in story,
But the land now of bondage, of sin and of shame!
And art thou the land, where a Washington's glory
Revealed both to Freedom and Man—a new flame?

"Bear it thou, Son! o'er the Eastern billows
Wherever thy wings sparkle over the wave—
Till the son of Circassia shall weep by his willows,
For the dark sons of Congo—America's slave!

"Bear it thou, Moon! o'er the Island Pacific
Till the Cannibal blushes to think of such men;
And let each new Moon in Night's cradle prolific,
Lisp that tale to the footstool of Mercy again!

"Spread it ye, Stars! o'er your compass of glory,
Ye Stars! that conduct the long lost through the waves!
And, O Earth! thy Volcanoes shall burn at the story—
And the Fires of thy Liberty burst from their graves!

"Hark! 'tis done! from the Rock, where the Pilgrims first wandered,
What Host in its glory triumphantly starts?
The glory Departed still sits on that standard
And those fires brightly burn this' its Millions of Hearts!

"Africans! fly from your rack and your manger,
Where you green shores of Albion have welcome and care;
Whose flag is a banner of love o'er the stranger—
That shall last while the Sun and the Moon shall endure!

"Sweet Isle of the Ocean! loved Island of Britain!
Wherever thy branches bud over the sea,
There is love for the Pilgrim, and balm for the smitten,
And the smile of a Mother, O Britain! from thee.

"Thou hast tears for the weeper, and oil for his wounds—
Not like the gold tears of the South are thy tears:—
But like those pure drops, that the Morning diffuses
From those Fountains of Holiness—high in the Spheres!"

JUDSON'S
CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT,
FOR THE CURE OF
Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and
CONSUMPTION,
DO NOT NEGLITECT.
CONSUMPTION

Can and has been cured in thousands of cases by this only certain remedy.

Judson's Chemical Extract of
CHERRY AND LUNGWORT,

and no remedy has ever before been discovered that will certainly CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless as to have been pronounced by physicians and friends to be past all possibility of recovery, and at times thought to be dying, has been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medications which are peculiar adopted to and essentially necessary for the cure of

COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all deceased matter by expectoration, producing a delightful change in the breathing and chest, and this after the prescriptions of the very best medical men, and the invention of kind and sorrowing friends and nurses have failed to give the smallest relief to the *Consumptive sufferer.*

THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medicines which were said to be *infallible* cures, but which have proved only palliatives, but this medicine is not only a palliative but a *cure for ulcerated lungs.* It contains no deleterious Drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as *Spitting of blood, Coughs, pain in the side, night sweats, &c.*

About 1000 certificates of almost *miraculous* cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine but the publication of them looks too much like quackery, [I will show them to any person, calling at our office.] This medicine will speak for itself, and enough in its own favour, wherever it is tried.

Caution—This medicine is put up in a large bottle, and you must find the name of Judson & Co., Proprietors, New-York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John St., New York.

To Owners of and Dealers in Horses.

CARLTON'S FOUNDER OINTMENT.

For the cure of Founder, Split Hoof, Hoof-bound Horses, contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts, Kicks, &c., on Horses.

CARLTON'S RING-BONE CURE,

For the cure of Ring Bone, Blood Spavin, Windgalls, and Splint:—a certain remedy.

CARLTON'S CONDITION POWDERS, FOR HORSES AND CATTLE.

The changes of weather and season, with the change of use and food, have a very great effect on the sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed. Any which, if not attended to, will result in the Yellow Water, Aleaves, Worms, Botts, &c., all of which will be prevented by care, when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them. Remember and ask for CARLETON'S CONDITION POWDERS, and take *no others.*

CARLTON'S NERVE AND BONE LINIMENT FOR HORSES,

and for the cure of all diseases of man or beast that require *external* application, and for *contracted cords* and *muscles*, strengthens *weak limbs*, and is also used *for sprains, bruises, saddle galls, swelled legs*, and sores of all kinds on horses.

CARLETON'S articles for Horses and Cattle are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety cases out of one hundred any of the above complaints.—They have been used by Farmers, livery men, stage proprietors and others, with the most marked and decided success.

Caution—None can be genuine unless you find the name of J. Carleton Comstock on the Wrapper of each article.

COMSTOCK'S VERMIFUGE.

This is the most extraordinary remedy for Worms ever used; it effectually eradicates Worms from both Adults and Children. It cannot harm the most delicate infant or strongest Adult, and never fails to completely root out and destroy all kinds of Worms. The cost, 25 cts. per bottle, puts it within reach of all, and all parents who are without it are wanonly exposing the lives of their children to these fell destroyers of youth. "Worm." Look for the name of Comstock & Brother, proprietors, on the Wrapper of each Bottle

HAYS' LINIMENT FOR THE PILES.

The worst attack of the Piles are effectually and permanently cured in a short time by the use of the genuine Hays' Liniment. Hundreds of our first citizens throughout the country have used this liniment with complete success.

☞ Caution.—Never buy it unless you find the name of Comstock & Co., upon the wrapper, proprietors of the genuine article.

DEAFNESS.

Use Dr. Lheritier's ACOUSTIC OIL, for the cure of Deafness. Also, all those disagreeable noises like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching deafness. Many persons who have been deaf for ten, fifteen, or twenty years, but were subject to ear-ache, have, after using one or two bottles, thrown aside their trumpets, hearing quite perfectly well. It has cured cases of ten, fifteen, and even thirty years standing of deafness.

For sale by S. L. TILLEY, King street, St. John, N. B.

RHEUMATISM.

Comstock's Nerve and Bone Liniment, is warranted to cure any case of Rheumatism, Gout, Contracted Cords, and Muscles, or stiff joints, strengthens Weak Limbs, and enables those who are crippled to walk quite. Comstock & Brothers, Proprietors, New York, and none genuine without their name on the wrapper.

☞ CAUTION.

THE great popularity the *COMPOUND BONESET CANDY* has obtained since its introduction to the Public about two years ago, has induced several persons (three of whom are known to the Proprietors) to issue a Candy made to look like and called by the same name as the true article, but in quality and composition differing from it in both.

The Subscribers would caution the public against such fraud as no person makes, or can make, the genuine except them, and further, the composition which they give the Confectioner to form into Candy is so prepared as to defy any attempt of Chemical analysis.

In future, as heretofore, each package of the Original will be accompanied by a circular with the signature of the Proprietors, FELLOWS & CO. without which none can be genuine.
