To the Electors of the City St. John.

GENTLEMEN,—I am again a Candidate to represent you in the Dominion Parliament, and solicit a continuance of the support so generously accorded me in the past. If elected, I will give my best energies to the development of the varied interests of the Dominion, and especially those of the City I have so long had the honor of representing.

On the day of nomination I will refer at length to the important subjects that have engaged the attention of Parliament during the past five years.

Your Obedient Servant,

S. L. TILLEY.

july30

To the Electors of the City and County of Saint John.

GENTLEMEN:

I be: to offer myself, a Candidate, to represent you in the Dominion Parliament, and to solicit your votes and support for the purpose. The great and advancing interests of the City and County—as the front door of the Confederacy—demand the highest attainments and best efforts of a representative. I respectfully trust that my qualifications may suit you, and that my intimate acquaintance, not only with the City but with every part of this Province, and the interest I have long taken in great measures to improve it, may recommend me to your favorable consideration.

If elected I will interest myself in the agricultural and mining interests of the country, and I shall be my pride to elevate the condition of this City and County, and to place it first in the Dominion for manufacturing and fishing, shipping, and mercantile prosperity.

The encouragement of your manufacturing interests of every description, which I have long advocated, more especially as employments for retaining our children, working people and wealth in the Country, shall have my best exertions, and the making of the Bay Verte Canal, and the enlargement of our Harbor; which I have written so much, shall engage my unceasing efforts for the speedy accomplishments of these very desirable ends.

Finally, Gentlemen, my desire is to increase the wealth of every family and individual in this City and County, and to enact such just and equal laws as will produce harmony, contentment and happiness. I will further express myself on nomination day.

Your truly, obt. servant,

DAVID S. KERR.

St. John, July 13th, 1872. jy29

To the Electors of the City of St. John.

GENTLEMEN.—

IN response to your urgent request that I should allow myself to be put in nomination at the forthcoming election of a member for the City of St. John to represent you in the Dominion Parliament, after due consideration, I cheerfully accede to your wishes, and consent to place my services at the disposal of the electors of the City of St. John, particularly in the interests of our own City, Province and people, whose rights and claims I consider have been completely ignored during the past five years.

I am

Your obt'r servant,

july25 J. S. BOIES DeVEBER.

To the Electors of the City and County of St. John.

GENTLEMEN,—At the request of many of your number, I have been induced to become a Candidate at the approaching Election; and having nearly all my means invested in Manufacture, Shipping and other industry among you, I am largely interested in endeavoring to promote the prosperity of your city and county.

If elected I will earnestly labor to procure for the Province what it is entitled to in the Union, as I desire the people of this Province to be put in all respects on exact equal terms with the people of her sister Provinces; and I will oppose all attempts of the General Parliament to interfere with the rights reserved to the several Provinces.

I will also try to lighten the taxes upon the country, as well by introducing greater economy in the public service, as by every other means in my power, for I believe that our power to successfully compete with our neighbors in manufactures and all other industries mainly depends upon our ability to keep our people free from burthens, and, by consequence, to make the cost of living cheap in the Dominion.

I will labor to bring about freer trade relations with our neighbors, the citizens of the United States.

I will support whatever I believe will be for the interest of the Dominion generally and for yours in particular; and I respectfully solicit your support.

Your obedient servant,

A. E. PALMER.

To the Electors of the City and County of St. John.

GENTLEMEN,—Having been requested by many of your most influential freeholders to allow myself to be put in nomination at the next general election as a candidate for the representation of your County in the General Parliament of the Dominion, I have consented to do so, and if you deem me a fit and proper person to be your representative, I have to solicit your support.

Being a resident in the County, and having no small stake in it, I feel that your interests are identified with my own, and if elected, my best energies shall be devoted to your service and to the welfare of the Province generally. I shall have the honor of placing my views fully before you from the hustings on the day of nomination.

I am, your obedient servant.

To the Electors of Charlotte

Gentlemen,—

At the request of many friends from different parts of the County, I shall be a candidate for your suffrages at the coming Election to represent you in the Parliament of Canada. If my conduct as your representative in the Local Legislature in looking after the interests of this County and the Province generally meets with your approval, I ask for a renewal of your confidence to represent you in the Dominion Parliament.

GENTLEMEN.—I shall be a Candidate for your suffrages, at the coming election.

In preparation for political life I have attended all the sessions of the first Parliament of the Dominion. To the Electors of the City of St. John.

GENTLEMEN.—

IN response to your urgent request that I should allow myself to be put in nomination at the forthcoming election of a member for the City of St. John to represent you in the Dominion Parliament, after due consideration, I cheerfully accede to your wishes, and consent to place my services at the disposal of the electors of the City of St. John, particularly in the interests of our own City, Province and people, whose rights and claims I consider have been completely ignored during the past five years.

I am

Your obt'r servant,

july25 J. S. BOIES DeVEBER.

To the Electors of the City and County of St. John.

GENTLEMEN,—At the request of many of your number, I have been induced to become a Candidate at the approaching Election; and having nearly all my means invested in Manufacture, Shipping and other industry among you, I am largely interested in endeavoring to promote the prosperity of your city and county.

If elected I will earnestly labor to procure for the Province what it is entitled to in the Union, as I desire the people of this Province to be put in all respects on exact equal terms with the people of her sister Provinces; and I will oppose all attempts of the General Parliament to interfere with the rights reserved to the several Provinces.

I will also try to lighten the taxes upon the country, as well by introducing greater economy in the public service, as by every other means in my power, for I believe that our power to successfully compete with our neighbors in manufactures and all other industries mainly depends upon our ability to keep our people free from burthens, and, by consequence, to make the cost of living cheap in the Dominion.

I will labor to bring about freer trade relations with our neighbors, the citizens of the United States.

I will support whatever I believe will be for the interest of the Dominion generally and for yours in particular; and I respectfully solicit your support.

Your obedient servant,

A. E. PALMER.
