BASEBALL.

THE FRENCHMEN VICTORIOUS.

Two games were played here yesterday afternoon, one at 4 o'clock and the other at 6:30 between the Montreals and Londons. The first was won by the Frenchmen, who warmed the delivery of Mickey Jones somewhat freely, but poor support by the London field was also in a measure accountable for the defeat. Latouche was the pitcher for the visitors and was hit freely but at inopportune times. A hit by Hiland, errors by Dowie and Latouche and a single by Connors yielded London two runs in the first. Although three or four good chances of scoring occurred afterwards they failed to materialize until the ninth, when Leighton secured first by forcing Hiland out at second and scored on Friel's three-bagger.

For Montreal, in the third, errors by Leighton, Wright and Coughlin and Foulkrod's single yielded no less than three. Dowie made a double in the fourth and scored on Latouche's single. Hulin made a single and scored on Sales' double in the fifth. Jones was taken out of the box at the end of the fifth inning and Demaris was substituted. Score:

THE TABLES TURNED.

The second game was not as interesting as the first, owing to the fact that the Londons almost knocked Petty out in the first inning. Singles by Hiland, Friel, Coughlin and Wright, Leighton's base on balls and Petty's wild pitch gave the home team four runs—a lead which Montreal could not find its heart to overtake. Leighton's two-bagger and Friel's single caused the former to score in the second. In the fifth Coughlin got first on Sales' muff of a grounder, and got home on a badly mixed-up return from the outfield of Wright's single. In the seventh Reidy's sacrifice and Porter's single caused Wright to score after Sales' error had given him first.

For Montreal Fulmer knocked a fly to Friel in the second. He muffed it and Fulmer scored, after stealing second and third, on a sacrifice by Dowie. In the fourth Sales made a single, and scored on an overthrow by Friel and Foulkrod's sacrifice. In the seventh hits by Cartwright and Dowie and Coughlin's error yielded two runs. The game was called at the end of the seventh on account of darkness:

STILL ANOTHER STORY.

ROCHESTER, June 26.—It is reported on the authority of a prominent ball man that the Rochester American Association franchise and players are to be sold to Detroit, provided that city will pay $25,000 for them. It is believed that Detroit has offered $20,000. Gen. Brinker, president of the Association, and Treasurer McKay have gone out of town, and it is believed they are in Detroit. Secretary Bohacheck will neither confirm nor deny the rumor. If the franchise is sold it will be because of the legal action taken to stop Sunday ball playing. It is generally understood that, without the profit of the Sunday games, the management cannot make both ends meet. On the other hand, the Association counsel says he is confident that the right to play on Sunday can be established, and that he will make the present a test case.

DETROIT DENUDED.

The infield of the Detroit Baseball Club, the strongest point of the International champions, is broken, and soon will be seen here no more. Von der Ahe came to terms with Higgins yesterday, and with Campau, Wells and our erstwhile second basman started for St. Louis. However, the deal was not alone for Higgins. It included Wheelock and Virtue, and these two players will join the St. Louis Browns after July 4. Von der Ahe, as a feeler, first offered $1,000 for Virtue, Wheelock and Higgins, but Chris was finally compelled to put up $3,000 before the welcome "take them" greeted his ears. All three men will get $1,500 for the remainder of the season at St. Louis and contracts for next year, Higgins at $2,800, Virtue and Wheelock at $2,100. Von der Ahe was not satisfied with bagging our best players, and threw out his net for Manager Leadley, with every prospect that the cast will be successful. Leadley has agreed to go to St. Louis for $250 a month for the balance of the present season and a $3,000 contract for next season. The date of his departure is not yet set.

The Detroit directors continue to assert that they will go through the season.—[Detroit Free Press.

FLYS.

Exeter defeated Clinton Wednesday by 13 to 10.

Toronto will again play here on Friday and Saturday. There will be two games on Dominion Day with Saginaw-Bay City.

Joe Knight is hitting terrifically for Cincinnati. In Monday's game he got two singles and a home run off the famous Clarkson, of Boston.

"Con." Murphy, of Brooklyn, leads the Players' League pitchers with Keefe second. The average of earned runs off the former to a game is one and a half, and off the latter it is two.

The Maple Leaf Juniors of Mount Brydges visited Komoka on Saturday. The Komoka team was a picked one from among the Seniors and Juniors, among whom was a traveler noted for his remarkable talking powers. The score was: Komokas, 15; Maple Leafs, 17; batteries, Roland and McKellar, Wilkinson and Robinson. With two men out in the last inning and two strikes on the batter Robinson got his fingers smashed by a foul tip. C. Betts went behind the bat, and the striker was put out on the next ball.

THE TURF.

THE LONDON TURF CLUB'S JUNE MEETING.

All things seemed to conspire yesterday to make the first day of the London Turf Club's June meeting a success. The weather was all that could be desired. About 1,000 spectators were present and there was plenty of enthusiasm, the different winners being loudly cheered. With the exception of the first race all the events were well contested. The track was in splendid condition and was liberally sprinkled previous to each event, which greatly aided all to see the finishes. A very interesting event was the three-quarter mile heat, two in three, which was evenly contested, both heats being won by Mr. T. D. Hodgens' Kitestring, with Longshot a good second each time. The judges were Messrs. J. H. Brown, T. D. Hodgens, D. McMillan, with Mr. J. Vining clerk. Ald. Dreaney and Dr. Blackwell (Glencoe) officiated as starters, while Col. Tracy and W. H. Birrell acted as timekeepers.

There was considerable delay in getting the first race started, it being nearly 3 o'clock before the event was called. Meanwhile the sports passed away the time in criticising the points of the different horses as they trotted around the course, Grey Tobe, a grey gelding, being the favorite at long odds. It was whispered that G. T. was a "ringer," and the result of the race was claimed by some to give color to the rumor, the gelding stepping the last heat to the tune of 2:34½. Next to the gelding, Lizzie M., a neat little black mare, was favored with the confidence of the sports, but she showed signs of sickness and did not do as well as was expected of her.

THE 2:50 TROT.

The following horses were entered in this race: Lady Rooker, b. m., Jas. Cline; Annie Rysdyk, b. m., Sheppard Bros.; Sarah R., blk. m., F. Restorick; Lizzie M., blk. m., H. H. Evely, V.S.; Chester, g. g., M. T. Buchanan; Grey Tobe, g. g., T. S. Johnston; Tommy O., b. g., M. O'Mara.

Grey Tobe drew first place with Lizzie M., Annie Rysdyk, Chester, Tommy O. and Lady Rooker, in the order named. An excellent start was made in the first heat, Grey Tobe, Chester and Tommy O. getting away together, with the others close behind. At the first quarter Tommy O. crept up close behind the grey and took second, with Chester about a length behind. These positions were retained until the finish. Time 2:36¾.

The second heat was a trifle faster, Mr. O'Mara's gelding pulling away from Grey Tobe on the first 100 yards, but he broke and was overhauled again by the grey at the first post. On the home stretch the grey broke and was passed by Tommy O., who broke in turn and the grey passed under the wire a leader by a neck, Chester and Lady Rooker following in order on a gallop. Time 2:35¾.

Before the last heat was run the judges thought that Johnston, the driver of Tommy O, was not doing the horse justice, and had another man named Odell substituted. The horses got away in a bunch and continued to keep each other close company until the first half-mile, when Grey Tobe pulled away from the others, with Lady Rooker second, Tommy O third and Chester a good fourth. The finish was made in the same positions. Time, 2:34½.

Summary—First race, 2:50 class—(trotters and pacers) for a purse of $200, divided into 60, 25 and 15 per cent., best three in five:

T. S. Johnston's (Goderich) g.g., Grey Tobe	1	1	1
Martin O'Mara's (London) b.g. Tommy O	2	2	3
James Cline's (Orwell, Ont.) b.m. Lady Rooker	5	4	2
M. T. Buchanan's (Ingersoll) Chester	3	3	4
F. Restorick's (Watford) Sarah R	4	5	5

Time, 2:36¾, 2:35¾, 2:34½.

THE 2:35 TROT.

By reason of its closeness this race was the most exciting of the day, six heats being run with the issue still in doubt. Dynamite was held pretty well in check for the first two heats, after which he was run for all he was worth. The following horses started in the first heat: Dynamite, b. g., T. Brown; Major Stanton, bay, John Fitch; Tommy Burke, rn. g., John Beacon; Ruby T., b. s., N. Sage; Lizzie Gibson, b. m., C. Lowell; Baldwin, ch. g., 8 years, R. Thompson; Louisa C., b. m., Neil Sullivan.

Tommy Burke secured first position with Louisa, Lizzie Gibson, Ruby T., Dynamite, Baldwin, and Major Stanton in the order named. In the first heat the horses got away together. After a lively clip for about 200 yards Lizzie Gibson took the lead but was overtaken by Beacon's roan at the half-mile. Baldwin and Louisa C. kept close behind the leaders, and the four made an excellent struggle on the home stretch, the roan giving place to Lizzie Gibson with Baldwin second, Louisa C. third, and the roan fourth. Time, 2:35½.

Louisa C. got an advantage on the start for the second heat and held it for the first quarter, when Baldwin put on a lively gait and gave the mare his dust. Baldwin kept his lead for the remainder of the heat and won by a length with Louisa C. second and Dynamite and Major Stanton together for third place. Time, 2:41.

Dynamite was given his head in the third heat, and although he made a poor start he continued to gain inch by inch upon his leaders until the last quarter, when he pulled up close behind Baldwin, and dashed under the wire with a lead of a length, Major Stanton taking second, with Baldwin and Louisa C in order.

When the start for the fourth heat was made the pole horse went off on a run, Lizzie Gibson going ahead for a short time, Baldwin crowding her out of the lead at the end of the first quarter-mile, Louisa C closing up the gap between herself and Baldwin. Dynamite finished ahead, making the heat in 2:39½.

The fifth heat was secured by Baldwin, who took the lead at the quarter-mile and finished first in 2:37½.

The sixth heat to decide upon the positions of the three leaders was run between Lizzie Gibson, Baldwin and Dynamite, and was close and exciting. Baldwin took the lead and held it until a few yards from the wire, when his driver began whipping his horse across the line. Baldwin broke and the heat was declared dead. Time, 2:36.

Summary—Second race, 2:35 class (trotters only), purse $250; best three in five; 60, 25 and 15 per cent.:

R. Thompson's (Goderich) ch. g. Baldwin	2	1	3	2	1	dead heat.
T. Brown's (Sarnia) b. g. Dynamite	5	3	1	1	2	
C. Lowell's (Galt) Lizzie Gibson	1	6	6	4	5	3
Louisa C	3	2	4	3	4	drawn.
T. Fitch's (Hamilton) Maj. Stanton	6	4	2	5	3	drawn.
J. Beacon's (Clinton) Tommy Burke	4	5	5	6		distanced.

Time—2:35¼, 2:41, 2:37¼, 2:39½, 2:37½, 2:36.

The final heat of this race is to be run this afternoon.

THIRD RACE RUNNING.

All those entered started in this contest, Kitestring being the favorite at long odds. The following were the aspirants: Topsy B., b.m., 4 years, Robt. Beattie; Nettie, c.m., T. S. Hare; Lady Bell, b.m., 5 years, Dean, V.S.; Colonist, b.g., F. W. Schwendiman; Glen Daly, br.s., F. Sage; Long Shot, b.g.; A. E. Gates; King Bob, br.s., Orkney Stables; Kitestring, br.m., T. D. Hodgens. A good start was made and Kitestring gradually got away from the others and finished in 1:20. Long Shot second and Colonist third.

In the second heat the horses got away together with the exception of Kitestring, who was several yards behind. But the brown mare settled down to work and caught up with the leaders when the half mile was reached without showing any exertion. On the homestretch all the jockeys used the whip freely but Kitestring shot ahead at the finish. Time 1:19.

Summary—Third race—Three-fourth mile, running race, for $200; best two in three; $125, $50 and $25:

T. D. Hodgens' (London) br. m Kitestring	1	1
A. E. Gates' (Toronto) b. g. Longshot	2	2
S. W. Schwendiman's (Drayton) b. g. Colonist	3	5
Robert Beattie (Brussels) b. m. Topsy B	5	3

Time—1:20, 1:19.

Colonist and Topsy to divide third money.

HUNT CLUB RACE.

The following horses started in the Hunt race: Terra Cotta, rn. g., 5 years, J. Fulcher; Metcalf, b. g., 3 years, J. D. O'Neil; Victor, ch. g., 5 years, H. R. Abbott; Surprise, b. g., D. H. Grand; Rosalie, br. m., 5 years, J. S. Brown. Victor and Terra Cotta took the lead, and were closely followed by Surprise, who, however, forged ahead and came in a winner by about a neck with Victor second and Terra Cotta third. Time 2:20.

NOTES.

Grey Tobe, Dynamite, and Baldwin have all been protested.

Martin O'Mara was fined $100 for abusing the judges when his rider was removed.

A. Furness who rode Metcalfe in the Hunt Club race was thrown and badly shaken up.

Surprise, the winner of the Hunt Club race was a competitor for the Queen's plate in Toronto.

The owners of the horses protested will have 30 days to satisfy the judges that they are eligible.

A prominent horseman said that he had seen Dynamite when he was known as Waiting, with a record of 2:22.

At a meeting of the Executive Committee last evening, the action of the judges in fining Mr. O'Mara was sustained.

THE SALVATOR-TENNY RACE.

SHEEPSHEAD BAY, June 26.—The interest in the races here centered in the match between Salvator and Tenny. Twenty thousand persons crowded into the grounds, and acted like crazy people when Salvator won. "Dead heat, dead heat!" the shout went up as the horses' heads went by the finish together. Salvator had won, however, by the shortest of short heads, and had the race been twenty yards further Garrison's magnificent riding would have landed Tenny a winner.

The record was broken all to smash. The record of 2:06½ made by Kingston was beaten 1½ seconds and the judges hoisted 2:05 as the time. The fractional times were as follows: First quarter, 25 seconds; half mile, 49¾; five furlongs, 1:02½; three-fourths, 1:14¾; seven-eights, 1:27¼; mile, 1:39¾; mile and an eight, 1:52¾; and the mile and quarter in 1:05. Mutuals paid $8 20.

THE OAR.

WILL ROW AGAIN.

SYDNEY, N. S. W., June 26.—Owing to the dispute over Monday's boat race, in which O'Connor was defeated by Stansbury, the two oarsmen will row again on Monday next.

QUOITING.

The London and Sarnia quoiters are to meet in a friendly contest Dominion Day at Point Edward, and a good day's sport may be confidently expected.

CRICKET.

Playing at Hammersmith on Saturday, June 7, against Old Kensington at West London ground, W. H. Bromham accomplished a remarkable bowling performance. He clean bowled four wickets with successive balls, took five wickets with six balls, and seven in eleven, all clean bowled, his analysis at the finish reading 11 overs, 5 maidens, 8 runs, 8 wickets. Hammersmith scored 85 and 61 (for six wickets) to their opponents' 37.

STRATHROY VS. ASYLUM.

A game has been arranged between the London Asylum and Strathroy cricket clubs, to take place on the grounds of the former to-morrow. Strathroy generally musters a strong team, and they will give plenty of leather-hunting. The eleven will consist of Dampier, Bishop, Armstrong, Thompson, Watson, Maitland, Cluff, Barker, Suell, Richardson and McIntosh. The Asylum team will be composed as follows: Butler, Heighway, O'Leary, Flynn, Thirling, Kingsland, Laird, Owens, H. Pope, Dr. Fairchild and Dr. Beemer. The visitors will arrive at 9:30, and the game will be an all-day affair.

LACROSSE.

At Tilsonburg the Lisgars played the Ontarios of Brantford and won four straight games.

The Athletics of St. Catharines crossed sticks with the Brantfords in Agricultural Park Wednesday afternoon, and Brantford won, 4 games to 1.

At Barrie on Wednesday, the first lacrosse match of the season in the Northern District champion series took place between the Barrie and Orillia clubs, Orillia won, 2 to 1.

THE RING.

PUGILISTS THROW UP THE SPONGE IN COURT.

PURVIS, Miss., June 26.—The cases against Muldoon, Cleary and Donovan were called in the Circuit Court here yesterday, when pleas of guilty were entered, each asking the clemency of the court. A fine of $250 was entered against Muldoon; Cleary and Donovan were each fined $100. The fines were paid.

John L. Sullivan was fined $500.

Kilrain was present and stated he had challenged Sullivan to a finish either with bare knuckles or light gloves, London prize ring rules, the fight to come off in Fort Worth, Texas.

EXTRAORDINARY SUCCESS
OF THE
MONSTER CLEARING SALE
AT
POWELL, ALLEN & BRICKENDEN'S, THE GREAT KID GLOVE HOUSE

This has been a busy week with us. Crowds of customers are visiting our store and buying largely from the wonderful bargains offered. Our customers and citizens of London, and those coming from surrounding towns, should keep in mind that we have gone through our stock and marked down the prices to such a low point that we defy any drygoods house in London to equal our prices. Don't forget that everything down to the value of 10c. has been reduced. No hieroglyphics used in marking our goods, but every article is marked in plain figures, so all can see what they are doing.

We wish everybody to remember that we have imported the bulk of our magnificent stock and personally selected it in the British markets, and now are determined to force the sale of the greater bulk of the stock, which is very much larger than we can afford to carry, amounting in value to some thing over

$50,000 00.

N.B.---We respectfully urge all who have $1 to expend in purchasing drygoods to come and see for themselves, as we will be more than delighted to show everybody through our stock, as we know an inspection will convince all and amaze everybody how such elegant goods can be sold at such low prices.
