YNAMITE FOUND
IN A DOMINION
BUILDING, OTTAWA

Ottawa, Aug. 16—A dozen sticks of
namite found this evening in the base-
ent of the east block of the dominion
blic buildings caused a flutter of ex-
tement among the dominion police, by
hom the discovery was made. There
as enough of the explosive, had it been
laced there with hostile intent, to have
recked the main portion of the build-
g.
There are circumstances, however,
hich incline the police to the belief that
e dynamite must have been intended
or the public works department, and
as carelessly delivered, or rather left,
t the wrong address.
In the basement of the east block, near
e west tower, and almost directly un-
er the offices of the governor-general
nd the prime minister, is a small room
sed as an office by a foreman of the
blic works department who attends to
pair work in the justice and neighbor-
g departments. It was in this room
at the dynamite was found by a do-
inion policeman on his rounds at 6
clock.
The explosive lay upon the desk, done
p as an ordinary parcel in paper wrap-
ing. Above it was a card on which
as pencilled, in what was intended to
e conspicuous letters, the warning:
Dangerous. Don't handle. Dynamite."
And beside the parcel lay a bill, ad-
ressed to the public works department
or twelve sticks of dynamite, from a
ell known hardware firm on Sussex
reet.
The usual occupants of the room had
uit work for the day, and there was
o one about who had seen the package
laced there.
Police officials express confidence that
he "mystery" of the dynamite package
ill be cleared up easily.

BISHOP RICHARDSON CONFIRMS THIRTY-NINE AT CHATHAM

Bishop Richardson arrived in Chatham on Saturday evening last and was with Archdeacon Forsyth at the services in St. Paul's and St. Mary's churches on Sunday the 15th inst. There was a choral celebration of the holy eucharist in St. Mary's at 8 a.m., the bishop being the celebrant. There was a large attendance including many of those who came to observe the day as a memorial of their confirmation and first communion and to make intercession for those who were to be confirmed on the evening of the same day.

At 11 o'clock the bishop attended the service in St. Paul's church and read the session and preached an instructive sermon on the subject of Ezekiel's vision of the valley of dry bones. In the afternoon his lordship visited St. Mary's Sunday school and delivered an instructive and pleasing address to the children, expressing his satisfaction at seeing so many in attendance in the holiday season. The bishop afterwards administered confirmation privately to a sick candidate, and at 7 p.m. St. Mary's church was filled to the doors when confirmation was administered to thirty-nine candidates who had been undergoing preparation during several months by Archdeacon Forsyth. The bishop delivered a deeply interesting and instructive address to the candidates and congregation on the authority, meaning and purpose of confirmation, and the whole service was one of great beauty and reverent appropriateness.

During his visit the bishop was the guest of Archdeacon Forsyth at St. Paul's rectory and left on Monday morning for Fredericton. On Wednesday, the 18th inst., his lordship will proceed to New York where he will deliver a series of addresses in connection with the "Tent Mission" to be held in that city.

67TH DETACHMENT SET ASIDE PAY TO MACHINE GUN FUND

Resolution Subscribed to by Men of Squad Calls Attention to Method of Raising Large Fund.

A detachment of the 67th regiment stationed at St. Leonard's (N. B.), has set a good example to the working and salaried men of New Brunswick by setting aside two days' pay to the machine gun fund.

The resolution signed by the men is self-explanatory and follows:

St. Leonards, N.B., Aug. 14, 1915.

"We, the undersigned officers, N. C. O's. and men of the detachment 67th regiment, under the command of Lieut. S. H. James, subscribe the amount set opposite our names as a contribution towards a machine gun fund. The total amount will be forwarded to the nearest machine gun fund which is at Andover and Perth. The amount is practically two days pay minus separation allowance. Should all the working men or salaried men of the province contribute two days' pay towards this fund it would supply a large army.

Wednesday, Aug. 18.

Lieut.-Col. J. L. McAvity has cabled to Mayor Frink: "War office will not accept McClary's field kitchen; send funds here at once."

This was received by his worship late last night and was sent from Folkestone. It will be remembered that his worship was able to secure the only available field kitchen that McClary's Manufacturing Company had at their Montreal house with the generous gift of $1,200 of James F. Robertson and arranged that this should be shipped immediately. It is understood that it has already gone forward.

There is little doubt that the war office is standardizing in field kitchens as it is in the case of machine guns and probably Lieut.-Col. McAvity could procure better suited kitchens in England His worship will at once send on the money available as requested, including the fine gift of $1,200 of Miss Murray, Douglas avenue, received yesterday.

One Small Gain.

(New York World).

One of the good results of the war is the discovery in Paris of an antiseptic from which "wonderful results" have been obtained in preventing wound infection. It is not much, but it is something to have even a surgical remedy on the credit side of the account.

Prof. H. G. Perry of Acadia, was one of the lecturers at the Summer School of Agriculture, which recently closed at Sussex. With his wife and family he has returned to Wolfville.

Rev. A. H. Whitman, who has given seven years of faithful service at Billtown, N. S., will take up his work as assistant pastor at Amherst about September 1. He has been enjoying a vacation at his old home at Albany, N. S.

Rev. H. P. Thorpe, of Victoria, B.C., has volunteered for hospital work at the front. For over four years he has been pastor of the Douglas street Baptist church of Victoria.

By the death of Mrs. Rebecca L. Fullerton of St. John West, the denomination loses an aged and faithful supporter. She was the last surviving cousin of Sir Charles Tupper, Bart. A daughter, Miss Clara B. Fullerton, has been prominent in the work of U. B. W. M. U. for several years, serving as recording secretary.

Another son of the manse' has been enrolled among the forces which are soon to take their place in the fight for liberty and justice. L. G. Gage, son of Rev. G. H. Gage, of Margaretville, N. S., has been accepted for overseas service.

Rev. J. T. Dimock, who for five years has rendered faithful service as pastor of the Leicester church and the outstations of the Amherst church, has become pastor at Westchester. Before the division of the Eastern Association, Pastor Dimock rendered efficient service as clerk of that body. He remains clerk of the Northern Association.

Rev. Warren H. McLeod, formerly of this province, but for some years laboring in British Columbia, has accepted a call to become pastor of the Baptist church at Eureka, Cal., and is now on the field.

He is now attending the sessions of the commission in this city.
