My Hair

"I had a very severe sickness that took off all my hair. I purchased a bottle of Ayer's Hair Vigor and it brought all my hair back again."
W. D. Quinn, Marseilles, Ill.

One thing is certain,—Ayer's Hair Vigor makes the hair grow. This is because it is a hair food. It feeds the hair and the hair grows, that's all there is to it. It stops falling of the hair, too, and always restores color to gray hair.

How the World Uses You.

Drink and the gang drinks with you;
Swear off and you go it alone;
For the bar room bum who drinks your rum,
Has a querulous thirst of his own.
Feast and your friends are many;
Fast and they'll cut you dead;
They'll not get mad if you treat them bad,
So long as their stomachs are fed.
Steal if you get a million,
For then you can furnish bail;
It's the great big thief who gets out on leave,
While the little one goes to goal.
Advertise and the dollars will come;
Quit and they fail to arrive:
For how are the men who have money to spend,
Going to know you are still alive?

King's Evil

That is Scrofula.
No disease is older.
No disease is really responsible for a larger mortality.

Consumption is commonly its outgrowth.

There is no excuse for neglecting it, it makes its presence known by so many signs, such as glandular tumors, cutaneous eruptions, inflamed eyelids, sore ears, rickets, catarrh, wasting and general debility.

Children of J. W. McGinn, Woodstock, Ont., had scrofula sores so bad they could not attend school for three months. When different kinds of medicines had been used to no purpose whatever, these sufferers were cured, according to Mr. McGinn's voluntary testimonial, by

Hood's Sarsaparilla

which has effected the most wonderful, radical and permanent cures of scrofula in old and young.
