Trapping Ground.

With reference to your letter of the 28th November last, I am enclosing herewith copy of a letter received from the Game Commission, from which you will see that the arrangements you wish to make with reference to the above trapping ground would appear to be a matter of cancellation and transfer.

You will kindly make your application for this cancellation and the transfer of this line direct to Inspector Van Dyk, at Prince George, at the earliest opportunity.

Yours faithfully,

D. M. MacKay.
