Bill the Parent is the best Medical School!

This preparation which expels the Assam from the stomach and intestines of all diseases, prepares digestion and assimilation of food, gives a healthy appetite, and restores the vigour of the Stomach and Bowels.

DR. HALSEY'S GUM-COATED FOREST PILLS.

(A Scientific preparation of vegetable alterants.)

These Pills are prepared from the best Sarsaparilla, combined with other Vegetable properties of the Materia Medical virtue. They are unpatented and do contain any Mercury or Mineral whatever. They purge without griping, nauseating or weakening, can be taken at any time without hindrance from business, change of diet, or danger of taking cold. They will not harm the tender or smell of medicine, and are ten times more effectual in the cure of disease than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their good effects. Invalids given over by their Physicians as incurable have found relief, and been restored to health and vigorous health from their use.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasions more sickness and deaths in families than all other causes of disease put together. In the latter part of Summer and Autumn, when the atmosphere everywhere is poisoned, from miasma, arising from stagnant pools and decaying vegetables, whole families are laid down by Malignant Fevers, Fever and Ague and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger of exposing his children—no parent would be guilty of exposing them.

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superiority of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person at this season of the year is bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills are sufficient to keep a whole family from bilious attacks and sickness from six months to a year. A single dose, from 1 to 3, of these mild and excellent Pills for a child, from 3 to 6 for an adult, and from 5 to 8 for a grown person, clearly of all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bile on the stomach and many other disorders.

SALTS AND CASTOR OIL.

"No relation can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and carry all morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, mind clear, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs of the Stomach, Liver, Kidneys, &c., which secrete the fluids of the body and separate the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels they cleanse and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and elasticity to both body and mind. They neither cause griping nor any inconvenience whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted, has induced thousands to recommend them to their friends and the public. Instances of worth and integrity in almost every part of the country have testified to the world in favor of their great effects in curing disease.

Testimonial after testimonial showing their great powers of curing in almost every class of disease have been tendered to us by hundreds of undoubted character and responsibility. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 9, 1848.

DR. G. W. HALSEY,—Every fall, for several years back, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1848 two of my sons were taken at the same time with Bilious Fever. In former seasons, when a sickness occurred in my family, I had always employed a Physician. But at this time having two boxes of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon operated, bringing away much black and green matter. On the following day the fever had left them, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.

(Signed) IRA S. GOODHOE.

NOTICE TO THE PUBLIC.

In 1843 Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-Coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousands bears testimony to the great success attended the exertion of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good-will Dr. Halsey's Pills had gained by curing thousands of disease.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

GUM-ARABIC,

An article which in every respect supersedes Sugar, both on account of its healing virtues and its durability. The discovery of this improvement is the result of a succession of experiments during three years. For the invention of which Dr. Halsey has been awarded the only Patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's celebrated Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all imposition and to obtain Dr. Halsey's true and genuine Pills see that the label of each box bears the signature of G. W. HALSEY.

Reader!!! If you wish to be cured of a medicine which does not contain that lurking poison, Calomel or Mercury, purchase *HALSEY'S GUM-COATED FOREST PILLS*, and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates nor gives rise to griping, seek for HALSEY'S PILLS.

If you would have the most concentrated as well as the best composed *Sarsaparilla Extract* in the world for purifying the blood, obtain Dr. HALSEY'S PILLS.

If you do not wish to fall a victim to dangerous illness, and be subjected to a Physician's bill of 20 or 30 dollars, take a dose of Dr. HALSEY'S PILLS as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, but gives strength instead of weakness, procure HALSEY'S PILLS, and avoid Salts and Castor Oil and all common purgatives.

Parents, if you wish your families to continue in good health, keep a box of HALSEY'S PILLS in your house.

Ladies, Dr. HALSEY'S PILLS are mild and perfectly harmless, and well adapted to the peculiar delicacy of your constitutions. Procure them.

Travellers and Mariners, before undertaking long voyages, provide yourselves with Dr. HALSEY'S PILLS, as a safeguard against sickness.

☞ General Depot for Halsey's Forest Wine, No. 3[illegible], Spruce Street, New York. One Dollar per bottle, or Six Bottles for Five Dollars.—Twenty-Five Cents per Box for the Pills.

PLANTAGENET WATER.

Paris, Industrial Fair, 1844. Of all the Waters that were exhibited, and in which there was great competition, the decision of the Jury was in favor of Plantagenet Water, and that it was with great difficulty strangers and visitors to the city could be supplied. The quality of these Mineral Waters has been pronounced by the most eminent Medical Men of Europe, and they recommend it as the most valuable diuretic, and cure for all diseases arising from a disordered state of the Urinary Passages, and not to their cause throughout the Province. The testimony of the medical gentlemen is certainly highly favorable to the chemical value and quality of these Waters. Sent, Nelson and Gilds placing them above all other Mineral waters on this Continent.

I believe I was one of the first Practitioners of this city to recommend the use of the Plantagenet Spring Water, and since that time I have prescribed it to a very large number of my patients with unmistakable advantage.

Two members of my family of feeble and delicate constitutions have derived marked benefit from the use of the Water. One had nearly lost all power in the right arm, the result of a severe and protracted attack of Rheumatism; the other was troubled with debilitated from disorganement of the digestive and alimentary organs.

The administration of the Water, combined with the proper treatment, produced in both cases the most important results in constipation, arising from sedentary habits, and irregular hours.

In hemorrhoids, nervous sickness, and the other complaints to which women are subject under certain circumstances, it acts most agreeably, and effectually, but in cases of derangement of the urinary organs, which are so common in this country, it should be taken in smaller quantities at a time, but more frequently.

From an extensive experience I am well satisfied with the operation of the Water; to weak persons it is quite invaluable, and I deem it preferable to any other of the Mineral Waters I am acquainted with. I look upon the Mineral Waters of Plantagenet as a great boon conferred by Providence on mankind.

WM. KENNEDY, M. D., V. S. Col.

Phy. & Sur. Chasseurs Vert."

"Many months experience in the use of the Plantagenet Waters in my family have fully convinced me of their value, as a remedial agent, and I have not had reason to change my opinion in regard thereto, and always act as a gentle aperient and alterative, and, from their composition, they possess, in addition, decidedly tonic properties."

"Certainly, too much has not been said in their favor, for they are, probably, the most valuable Waters on this Continent.

The following certificate is from the Hon. Peter McGill, ex-Speaker of the Legislative Council of the Province, and President of the Bank of Montreal:—

"CHATEAU LAMORAIE, Esq.

"Sir,—Having during the four past years used the Plantagenet Water, so well known and so highly commended to public favor by many of our most eminent Medical Practitioners, I can bear testimony to its salutary effects on my own individual health, and doubt not its efficacy in other cases of debility and invigorate the constitution of feeble persons who may freely use it. The value of this water has been generally acknowledged in this community, and my own experience of its excellent qualities fully warrants me in giving my testimony to its beneficial effects.

SMITH'S EXTERMINATOR

FOR THE ENTIRE EXTERMINATION OF *Rats, Mice, Cockroaches, Beetles, Crickets, Ants, &c.,* Without the use of Arsenic or other Mineral Poisons.

The Genuine Article has a Label, similar to the above, pasted on the top of each Box.

The following TESTIMONIALS, from parties of high respectability, will place its efficacy above suspicion!—

With pleasure I assert, that the use of SMITH'S EXTERMINATOR was attended with complete success in destroying Cockroaches, Beetles, and Rats, in and about my premises, which were completely infested with them.

C. F. BAILLARGEON, Ptre.

Quebec, 7th March, 1846.

My premises have been infested with Rats for several years, and I have tried various means to rid myself of the annoyance, without success. Having been strongly recommended Smith's EXTERMINATOR, I have much pleasure in certifying that its use has been perfectly successful in the total destruction of the Rats with which my place abounded, and that without the least inconvenience.

BENJAMIN HART.

Montreal, November 29, 1848.

I hereby certify, that by using SMITH'S EXTERMINATOR it has perfectly succeeded in ridding the College Premises of Cockroaches, Crickets, and such like disgusting insects, which were before very numerous.

S. VILLENEUVE,
Director of Montreal College.

Montreal, April 20, 1848.

From the Rev. B. Davis, D. D., Minister of the Baptist Church, Montreal.

I most willingly bear testimony to the good effects of SMITH'S EXTERMINATOR. I found my premises swarming with the nuisance bid defiance to all efforts to abate it, until this preparation was applied. One Box has sufficed to exterminate the Insects almost entirely from the premises, a similar result of success have occurred in my neighborhood.

D. SHERWOOD'S GALVANIC EMBROCATION

NEW YORK.

THIS GALVANIC EMBROCATION is an unparalleled remedy for the Cure of Rheumatism, Acute or Chronic, seated in the Head, Joints or Limbs, The Dropsy, Gout, in its worst forms, Palsy, Fits, Scrofula or King's Evil, Spinal and Hip Complaints, Stiffness of the Joints, Lumbago, Neuralgia, Chilblains, Fever Sores, Salt Rheum, Ring Worms, White Swellings, Sprains, Bruises, Burns, Scalds, Frostbites, &c. &c. It is likewise the most confirmed cases of Scrofula and Scrofulous Affections of the Neck, Affections of the Spine, Mercurial Affections, &c. &c.

It is now generally admitted, by the learned and scientific, that the mysterious power called *Galvanism or Magnetism* is in fact the principle of Vitality or Life; and that disease in many of its most painful forms is entirely owing to the absence of this Galvanic or Magnetic power in its healthy proportions. If, then, we can readily supply this wonderful power, when it is thus deficient, we can successfully combat disease; and this has been fully proved by the use of the Globes, Writing, Arithmetic, and Book-Keeping.

CRAMP AND PAIN-KILLER.

THE MOST SUCCESSFUL REMEDY KNOWN

For the Cure of all Rheumatic Affections—Pain in the Stomach, Back, Side or Limbs—Cramp in the Limbs or Stomach—Darting Pains, Bilious Cholic, Dysentery and Diarrhœa, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Burns, Scalds, Frostbites, Toothache, Burns, Scalds, Frostbites, Limbs; &c., &c.

THIS wonderful Medicine has effectually tried its virtues in cases of the forgoing complaints. And we say no more than hundreds and thousands who have used it will assert, when we say there is no Medicine equal to it for that class of complaints, possessing more than a tythe of the power to relieve and cure of this.

We solicit particular attention to the fact that it does not contain a particle of Opium in any form. Neither does it contain Camphor.

It is free from any deleterious article, and cannot, in any circumstances, injure the patient.

It does not disorder the *Life Fluids*, nor produce the burning, drying, parching sensations, so much complained of in the usual class of "Pain Killers."

It does not weaken the peristaltic motion of the bowels, producing Costiveness and its attendant evils, but it invigorates the intestinal tube, and by proper and healthy action in the stomach and intestine chaal.

IN ALL RHEUMATIC AFFECTIONS,

LOCAL PAINS, &c., it has proved astonishingly successful, rarely failing to cure, even in the most desperate and long standing cases. (See Certificate.) In these cases, the parts affected should be freely bathed, and then rubbed lightly, but briskly, with hard enough to hurt the patient, till an irritation is produced on the surface, and in severe cases the patient should take half a teaspoonful on sugar or molasses.

CRAMP IN THE STOMACH OR BILIOUS CHOLIC.

We believe it will never fail to *speedily cure*. It should be a teaspoonful at a time, on sugar or molasses, or in any manner the patient can take it best, and the stomach and bowels freely bathed. And if in fifteen or twenty minutes the patient does not feel relief, repeat the dose.

DYSENTERY OR DIARRHŒA.

Are speedily and easily cured by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA.

Which during the past season has swept off such fearful numbers, has been cured by it, we believe in every case, where it has been early and faithfully applied. In fact, so far from being proved singularly fatal, it was found to yield to this remedy, and CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the Best Physicians, and by the Press, as the first, the surest remedy to be used.

As a dressing for *Cuts, Wounds, Bruises, &c.*, it is without a rival. As also in cases of *Burns, Scalds, Freezes, &c.*—relieving the *pain* and *healing* without scar.

FOR TOOTHACHE

It is, nine times out of ten, a *CURE*. We believe it will never fail, unless the tooth is decayed. If the tooth is hollow, saturate a little lint and put it into the cavity. Hold some of it in the mouth. If the face is swollen bathe with it.

Bathing the head with it is generally a cure for the *Headache*.

We are constantly receiving certificates from every part of the country, many of which may be seen in newspapers, and in pamphlets, which may be obtained of any of our agents.

P. S.—It is the best *HORSE AND OX LINIMENT* in the world.

Please read the following statement from John Buckham, Esq., of Lizmont, Mo.:—

DEXMONT, July 11, 1848.

Messrs. Curtis & Perkins,—For two years past I have been entirely prostrated with the Rheumatism; both of my knees were swelled to twice their original size—a large bunch came out on my breast bone, appearing like a pint of the bone thrown out. Another bone was thrown out of my wrist. In short, I endured the most excruciating pains for nearly three years, during which time I had the best physicians within my reach, and tried a great number of medicines and prescriptions without the least benefit or alleviation, when I had the good fortune to procure a bottle of Cramp and Pain Killer, prepared by *Messrs.* Curtis & Perkins of Bangor, Soon after taking it I found I could get some rest nights, and the pain became less violent. I have continued to take it and apply it externally, until I have used eight bottles. I took much larger quantities than was recommended. The swelling has entirely gone down both in my knees and breast, and I am entirely relieved from pain. I have been able to do a good day's work at any time for the last three months, twice a man of my age. No description of my case can convey the vast benefit I have received from this article. I be-[illegible] believe it is the best article in the world for Rheumatism, and I have also used it for cramp and pain in the stomach, and always found immediate relief.

THE BRITISH PERIODICALS AND THE *FARMERS' GUIDE.*

LEONARD SCOTT & Co.,

No. 54, Gold Street, New York,

CONTINUE to publish the four leading British Quarterly Reviews and Blackwood's Magazine; in addition to which they have recently commenced the publication of a valuable Agricultural Work, called

"THE FARMERS' GUIDE TO SCIENTIFIC AND PRACTICAL AGRICULTURE."

By HENRY STEPHENS, F. R. S., of Edinburgh, Author of the "Book of the Farm," &c., &c., assisted by Jonas P. Norton, M. A., New Haven, Professor of Scientific Agriculture in Yale College, &c., &c.

This highly valuable Work will comprise two large royal octavo volumes, containing over 1,600 pages, with 18 or 20 splendid Steel Engravings, and more than 600 Engravings on Wood, in the highest style of the Art, illustrating almost every implement of husbandry now in use by the best farmers, the best methods of ploughing, planting, haying, harvesting, &c., &c.; the various domestic animals in their highest perfection; in short, the superintendence of the work is unique, and will render it of incalculable value to the student of agriculture.

The Work is being published in Semi-Monthly Numbers, of 64 pages each, embellished with Steel Engravings, and is sold at 20 cents each, or 25 for the entire Work in Numbers, of which there will be at least 25.

The British Periodicals Re-Published are as follows, viz.:

The London Quarterly Review, (*Conservative.*)
The Edinburgh Review, (Whig.)
The North British Review, (*Free Church.*)
The Westminster Review, (*Liberal.*)

Blackwood's Edinburgh Magazine, (Tory.)

Although these Works are distinguished by the political shades whose indicated, yet but a small portion of their contents is devoted to political subjects. It is their literary character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. *Blackwood*, still under the masterly guidance of *Christopher North*, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial Works of Bulwer and other literary notables, written for this Magazine, and first appearing in its columns but a few days after their issue in Great Britain and in the United States. Such works as "The Caxtons" and "My Story Novel," both by Bulwer; "Miriam Cameron Modal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted from the pages of Blackwood, *after it has been issued by Messrs. Scott & Co.*, so that Subscribers to the Reprint of that Magazine may always rely on having the *earliest* reading of these fascinating tales.
