DIXON ALIMONY SUIT

Comes Up Again at Osgoode Hall—Yesterday's Cases and To-day's Lists.

The time of the Court of Appeal all day yesterday was taken up with the hearing of the suit in which Mrs. Anna Hinds seeks to upset a deed and indenture of mortgage made by W. D. Wilson to his wife and father respectively.

The master in chambers yesterday dismissed the suit for want of prosecution brought by one Atkinson, a farm pupil agent, against D. Spence and J. A. Welch, immigration agents.

The master enlarged a motion for the dismissal of a mortgage action brought by Miss Grace S. Bevan against the Freehold Loan and Savings Co.

Dr. Dixon, formerly of Carlton-street, Toronto, is appealing against the order for $6 a week alimony obtained by his wife, formerly Mrs. Laferte, of Belleville, Toronto, Chatham, etc. The doctor says that his wife's former husband is still living. The court will grant a new trial if the doctor puts up money to enable his wife to meet the new evidence to be adduced against her.

Peremptories for To-Day

Divisional Court—Dainty v. Wellington, Couch, v. Locked Wire Co., Keates v. Kingston, Murdoch v. Salter, Stirling v. Burns, Thimpson v. Mills, Lalley v. Roche.

Single Court—Stark v. Ross (two case), Gray v. Morris, re Stubbs, Yorston v. King, King v. Yorston, Arnold v. Stalker, Trust and Loan v. Elevier, Shields v. Shields, McCarthy v. Macdonald, Connolly v. Dell (two cases), re Foulds and McLaughlin.

EAST OF THE CITY LIMITS.

Items of Interest Gleaned In and Around the Suburbs.

Contractor D. Herron, who is erecting a two-storey solid brick house on Main-street, East Toronto, found on his arrival at the work yesterday that portions of two of the corners and the upper part of a wall now shoulder high had been removed during the night. There is no clue to the perpetrators.

Deputy Reeve Lucas of Little York had a conference with a committee of the Canadian Wheelmen's Association with respect to the levy of a 50c or $1 tax for maintaining a cinder path. All the wheelmen seen were in favor of the idea.

Arbor day was celebrated at the East Toronto schools yesterday.

The time table of the Scarboro service has been slightly changed. Hereafter a car will leave the Woodbine for Victoria Park at the even hour and 40 minutes thereafter, and for the village at the odd hour and 40 minutes thereafter. On Saturdays, however, there is to be the 13-minute service.

The costs accruing from the arbitration re the schools boundary case of East Toronto and York come up for settlement at the Township Council held at Eglinton next Monday. The matter will, it is likely, be thoroughly discussed.

BURGLARS WERE MURDERERS.

They Killed a Wealthy Cattle Man in a Congressman's House.

Houston, Texas, May 27.—I. B. Baker, a wealthy and influential cattle man of this city, was found murdered this morning in the residence of Congressman J. C. Hutchinson, where he had been living. The dead man's face was horribly mutilated. The motive for the murder was apparently robbery, as one room had been ransacked and two bundles of silverware were found tied up near an open window. Mr. Baker had evidently made a desperate fight for his life, as a blood-stained pistol, with one chamber discharged, was found on the stairway, and there was other evidence that he had had a struggle with his murderers. There is no clue.

Wild Canadian Cross.

Omaha, Neb., May 27.—Advices received here yesterday are to the effect that Cree Indians, natives of British Columbia, have crossed the border into Montana and North Dakota on their hunting trips, and are running off with cattle and destroying farm houses. No cases of bloodshed have occurred, but the settlers are greatly stirred up, and have called on the Government for protection. Troops "B" and "E" of the 10th Cavalry, located at Fort Custer, Mont., have been ordered to prepare for active service, and will be used to force the marauding redskins to leave the country.

Robbed of $11,500.

Parrsboro, N.S., May 27.—Peter Black, one of Parrsboro's wealthiest citizens, was robbed last night of $11,000 in deposit receipts and $500 in cash. He had taken a room at the Queen's Hotel Monday night, and had the money and receipts in a valise, which was unlocked. The contents were removed last night and the valise locked. The banks have been notified not to pay the deposits.

Who is He?

An old gentleman, evidently from the city, wandered down east of the city limits last night, where he was found by a constable. His talk was most incoherent, and he was cared for during the night by the authorities. He is a fine-looking old man, of about 70 years, with white whiskers. He is dressed in a black coat, brown trousers and brown Christy hat, with blue tie and standing collar. He says his name is Seath, and that he lives at Burnt Island, wherever that is.

Cucumbers and melons are "forbidden fruit" to many persons so constituted that the least indulgence is followed by attacks of cholera, dysentery, griping, etc. These persons are not aware that they can indulge to their heart's content if they have on hand a bottle of Dr. J. D. Kellog's Dysentery Cordial, a medicine that will give immediate relief, and is a sure cure for all summer complaints.

Business Embarrassments.

C. Pelletier, hotel, Midland, is offering to compromise.

Parsons & Smith, crockery, etc., Ottawa, have assigned to P. Larmouth.

H. A. McDonald, hotel, Williamstown, is financially embarrassed.

The machinery and manufactured stocks of the Safety Barb Wire Company has been sold to the Ontario Lead and Barb Wire Company.

ON INLAND SEAS.

What Vesselmen are Talking About—Movements of Steamers and Schooners—Heavy Shipments of Grain.

Work on the new steamer Corona is being rushed forward. The engines are nearly ready, the boilers will be in position this week, and the woodwork is progressing rapidly. Every effort will be made to have the boat on the route before the end of the busy season.

The R. & O. steamer Spartan will arrive from Kingston on Sunday, and on Monday will run to Montreal, beginning the tri-weekly service, which will be continued until June 15, when a daily service will be inaugurated. The Spartan, Corsican, Passport and Algerian will be on the route this season, and Local Manager Dolan says the prospects of a big season's business are good.

Mr. C. A. Jacques of the Merchants' Line was in the city yesterday.

The A. J. Tymon was sent around the Island yesterday for a trial trip before going into commission, and behaved perfectly.

The steambarge St. Joseph brought 560 tons of coal from Oswego yesterday, and cleared again for the same port.

The Lakeside is now bringing over strawberries from St. Catharines.

Macassa had more freight at the dock yesterday than she could carry, and had also a big passenger list.

The coal trade is not promising, locally, owing to the continued high prices of coal at the mines.

Schooners in yesterday were Enterprise, Highland Beauty, Lithophone, George Dow and Olympia.

An excursion party from London and St. Thomas to Cleveland, going by way of Port Stanley, were landed at Port Colborne yesterday by the steamer Melbourne, as, owing to the heavy weather, the boat was unable to make her port. The Cuba took the passengers on board and they were taken on to Port Stanley.

Heavy shipments of Canadian grain by way of the Erie Canal still continue, and further charters have been given to American boats. The St. Lawrence route is much used, however, and Canadian grain carriers have all they can do.

Charged With Robbing His Aunt.

On Oct. 18, 1895, Mrs. Clara Chambers of Agnes-street was robbed of $280 and two rings. She blamed her nephew, Joseph Smith, for the theft. He has been arrested and will be tried on Friday.

The Will Invalid.

Judge McDougall has declared the will of Edward Haydon invalid on the ground that the deceased was not of sound mind, the evidence showing that Haydon was a half-witted man and incompetent to transact any business for 60 years prior to his death.

Fifteen Thousand Dollars in Dispute.

McIntyre & Wardwell send the following despatch to their branch office in Toronto:

Stagnation in the stock market was pronounced this afternoon. The tone was heavy, and closed at the lowest quotations of the day. Serious depression in the prices of all farm products is being a good deal discussed, and is likely to induce some liquidation in stocks. Politics and the gold exports are the only topics of interest. Foreign exchange is firm at 4.88½ to 4.88¾. The only supply of bills comes from gold shipments. The money market is dull and weak under the influence of an influx of funds from the interior, which offsets the gold movement and all other factors.
