Quite a large number of Berlin ladies had the pleasure of attending the "At Home" given by Mrs. Charles B. Clement in Waterloo on Thursday afternoon.

Mr. George and Mr. Laurence Wedd, of Toronto, spent the week end with their parents Mr. and Mrs. G. M. Wedd.

The following taken from "The Calgary Daily Herald" will interest Mrs. Schmidt's Berlin friends: "As Mrs. Frank E. Schmidt, nee Irene Staebler, 1723 College Lane, has not received formally for some time, a very large number of her friends were pleased when she announced that she would receive yesterday afternoon, and made their way to her home. Mrs. Schmidt was wearing a lovely gown of soft cream silk with real lace trimmings. The drawing room floral decorations were pink and white carnations placed here and there, and palms and potted plants. The tea table, which was presided over by Mrs. Anderson, was centred with a tall hand painted vase with a shower of deep crimson carnations and ferns. Mingling with this was a rope of smilax from the electrolier. A large Japanese embroidered centre piece and lace doilies were used."

Mr. S. H. Falkner, who has been teller at the local branch of the Bank of Commerce, has been transferred to Guelph. He left on Wednesday to take up his duties. Mr. Falkner has been most courteous and obliging and his removal will be regretted not only in business, but in social circles, here. His successor, Mr. G. D. Onchterlony, is not a stranger having been here on several previous occasions.

The "Guelph Skating Club" has invited the members of the "Twin City Club" to a carnival to be held at the rink in that city, on Monday evening next, February the sixth.

The meetings of the Twin-City Skating Club will be held on Tuesday afternoon and Friday evenings of next week. It is probably that Friday evenings will be reserved for the meetings of the club for the remainder of the season. The club is arranging for a Childrens Valentine Party on Friday the seventeenth of February. This will take the form of a carnival and those participating will be arrayed in childrens costumes. The officers and committee are most enterprising in preparing unique entertainments for the enjoyment of the members, and the Auditorium has become a popular gathering place for this social company. Last Tuesday afternoon Miss Dunn and Miss Davidson served five o'clock tea.

Mr. H. Leslie Staebler has been appointed organist of the Presbyterian Church and has assumed his duties. He is a talented musician and organist, and the members of that church are to be congratulated on having secured his services. We take the following from the "Guelph Herald" in an article on the artistic program rendered at an opening meeting of the "Presto Piano Club." "Mr. H. Leslie Staebler, of Berlin, who has already won many friends in Guelph, contributed two brilliant piano numbers, which displayed his finished technique and sympathetic touch."

Miss Lena Snyder was the guest of Toronto friends for a few days this week.

The young people of the Twin-City held an informal dance at the Orpheus Hall in Waterloo on Thursday. The guests numbered about seventy, and they spent a thoroughly delightful evening dancing to the strains of Starnaman Orchestra. Among the married ladies were Mrs. W. T. Wallace, Mrs. Tierney, Mrs. George Ahrens Mrs. Fred Ahrens and Mrs. Alex. Z. Garner.

Mrs. Ephraim B. Erb entertained a number of ladies, very charmingly at "High Tea" on Friday, at her home on Queen Street South. Mrs. Weaver and Mrs. Halstead, of Elmira, received with her in the drawing room. The rooms are fine and spacious and nicely adapted for entertaining. They were artistically arranged with decorations of pink carnations and smilax. Tea was served at six o'clock, after which the guests enjoyed playing progressive euchre and the prizes were won by Mrs. A. O. Boehmer, Mrs. Charles German and Miss Edna Jackson. Mrs. Erb also gave a "Thimble Party" on Wednesday afternoon, when a sociable time was enjoyed.

Mrs. Eden wore an elegant gown of steel grey crepe over messaline satin of the same shade, with trimming of silver and black and touches of tomato satin. Mrs. Staebler looked very dainty in cream silk bengaline with trimming of cream and gold applique and bodice of chiffon. In the drawing room, where Mrs. Robert Wood and Mrs. W. M. Cram assisted, the decorations were pink roses and smilax. Mrs. J. F. Housberger and Mrs. Pugsley had charge of the tea room. The table was prettily decorated with red carnations, smilax and asparagus, the electric lights throwing a soft radiance over the surroundings, and music by an orchestra brightening the occasion. Others who assisted were: Miss Jean Forsyth, Miss Sadie Hutton, Miss Maye Roos, Miss Gertrude Wells, Miss Addie Weaver and Miss Edna Ziegler.

Woman's Column

TRIED RECIPES.

CELERY.

Celery may be had at all seasons, and usually at reasonable prices. This vegetable is especially adaptable to combinations with fruits and other vegetables as salads, but served as a simple relish it is well enjoyed. A rather uncommon way of serving celery is to cook it until tender, then serve it well-seasoned in a white sauce.

As a soup, celery lends itself most suitably: Pound three stalks of celery in a mortar or grind through the meat grinder. Cook in a double boiler with three cupfulls of milk and a slice of onion. After cooking half an hour, strain and bind with three tablespoonfuls of flour and butter cooked together. Season with salt and pepper and add a cupful of cream. Strain into tureen and serve at once.

One of the prettiest and most appetizing salads may be served by using two or three sections of grapefruit, a little shredded cleery, a few nuts and a bit of mayonnaise dressing, all served in bead lettuce.

QUEEN'S APPLE TARTS.

One cupful of apple sauce, three tablespoonfuls of currant or other jelly, four eggs, sugar to taste. Line a deep pie plate with puff paste and bake a delicate brown. Have ready a boiled custard made from the yolks of the eggs and milk sweetened to taste. When the pastry is baked put into it a layer of half the apple sauce one jelly, one of custard, then the rest of the apple sauce. Whip the whites of the eggs to a stiff froth, beat in two tablespoonfuls of sugar, spread over tarts and bake a light brown.

JELLY ROLL. "THREE AND ONE"

Three eggs, one cup of sugar, one teaspoonful of baking powder, one cup of flour, three tablespoonfuls of water, pinch of salt.

Beat the eggs thoroughly, add the sugar slowly, beating vigorously all the time. Add the water and beat again. Sift the dry ingredients together twice and add. Beat all together several minutes. Put in a long shallow dripping pan and bake in a quick oven.

Remove from the oven and immediately cover with raspberry jam without removing from the pan. Roll the length of the cake pressing into shape with the hands. Any kind of jelly may be used instead of the jam.

BROWN BREAD.

One cupful sweet milk, two cupfuls sour milk, one cupful molasses, one half cupful brown sugar, one half teaspoonful soda, two cupfuls flour, three cupfuls corn meal. Salt and steam two hours. Bake in an oven a short time.

TO KEEP APPLES FRESH.

To keep apples fresh all winter, take fine, dry sawdust, preferably that made by a circular saw from well seasoned hardwood, and place a thick layer on bottom of barrel. Put sawdust liberally over and around, and proceed until a bushel and a half (or less) are packed in each barrel. They are to be kept in a cool place. A superior way of preserving apples until spring. By it any apple in good condition when packed will be equally good when unpacked, and even those rotting, because not in good condition when put away, will not injure the others.

POST CARD PLEASURE.

Picture postcards that mean something to the guests are often used as luncheon or dinner cards. Some of the postcards picked up abroad are of genuine artistic merit, and the woman with a collection will find many uses for them.

Carlyle—Heroes and Hero-Worship

One of the largest and most enjoyable of this season's social events was the "At Home" given by Mrs. Chas. B. Clement on Thursday afternoon from 4 to 7 o'clock. The petite hostess, looking very dainty and pretty, received in a most becoming gown of soft white satin, embroidered in pearls and crystals assisted by Mrs. E. P. Clement, who added her genial welcome to the many guests. Other able and willing assistants being Mrs. F Good, Mrs. M. S. Hallman and Mrs. Erb. The rooms were bright with many flowers and prettily shaded lights, which with the charming selections by Zoellner's Orchestra made the cosy quarters especially inviting for a tete-a-tete. The tea tables were also particularly attractive with their artistic decorations of smilax, sweet peas and pink carnations, from which were served the daintiest of refreshments by the Misses I. Hughes, L. Bruce, F. Clement, A. Howie A. F. Snider, G. Wrells and Mrs. Edna Farrel.

Mrs. Alex Howie left yesterday for a visit of some weeks with Mr. and Mrs. Hedley Hilborn at Brooklyn, N. Y.

Miss Watson of Galt was a week end visitor at "Bleak House" with Mr. and Mrs. J. B. Hughes.

Mr. Clayton W. Wells left on Wednesday for a two months trip to the Bahama Islands and other points of interest.

A very pretty wedding took place on Wednesday afternoon at the home of the bride's parents, Erb street, Waterloo, when Miss Margaret J. McDougall, daughter of Mr. and Mrs. Wm. McDougall, became the bride of Mr. Roy S. Bean, son of Mr. David Bean, Rev. J. E. Hockey being the officiating clergyman. The bride, who was given away by her father, looked very sweet and graceful in a gown of white lace over white taffeta and chiffon, and carried a bouquet of lilies of the valley and orchids. Little Miss Francis Bean and Master Garfield Cressman acted as ribbon bearers. Miss Emma Bean played the Lohengrin Bridal Procession by Wagner-Lizst, while Miss Edith Sauder sang with fine expression the solo, "'Tis thy Wedding Morn."

The dejeuner was served from a table enriched with appropriate floral decorations, the many tiered wedding cake occupying the centre and crowned with flowers.

Mr. and Mrs. Bean left on the five o'clock train for a wedding trip to Montreal and Ottawa, the bride travelling in a handsome brown broadcloth suit with hat to match. On their return this popular young couple, both of whom are great favorites with their many friends, will take up their residence on George street, Waterloo.

Mrs. Fox of Walkerton is a visitor at the home of Dr. and Mrs. F. G. Hughes, Allan street.

Mr Joe. Ellis left on Thursday morning for London, Ont., where he has secured a good position with the Sterling Shoe Company. Mr. Ellis will be much missed, especially in Presbyterian circles, when he has been a highly valued member of the Presbyterian church choir for the past five years.

Mrs. T. Halstead and Mrs. Menno L. Weber of Elmira have been the guests of Mrs. Alvah Devitt this week.

Mrs. Stauffer of Galt paid a visit to Mrs. S. B. Bricker the end of this week.

There is no more popular form of entertainment than the good old-fashioned German "Coffee," as all will cheerfully agree who enjoyed the hospitality of Mrs. John Killer on Wednesday afternoon from 3 to 7 o'clock, when about thirty-five of her Waterloo friends journeyed by cabs and street car to her cosey home on Water street, Berlin, where the guests received a right cordial welcome from the kind hostess, ably assisted by her daughter, Miss Clara Killer, and several of the Berlin friends. Fancy work and bright conversation interspersed with choice vocal and instrumental music, contributed by Misses Killer and Oberholtzer, were the order of the jolly hours spent, after which supper was served at prettily decorated tables, the very dainty home-made menu provided being particularly enjoyed by the ladies.

In the Presbyterian Church on Sunday jorning, Rev. W. D. Lee will continue his series of sermons on the Apostles' Creed, the subject of which will be "The Holy Ghost." The evening sermon will be the second in the series on Joshua, a Soldier of the Lord, the topic for discourse to be "Joshua Chosen."

Mr. and Mrs. Robert Hoag of Simcoe have been the guests of Mr. and Mrs. A. Erb, Mary street during the week.

Mr. and Mrs. Alfred Snyder entertained a number of ladies and gentlemen to a very enjoyable Bridge party on Tuesday evening, when four tables enjoyed several rounds of most excellent play, followed by a delicious supper. The gentlemen, who have been left out so much this Winter, were particularly loud in their praises of the combination parties, expressing the hope that more of the same will follow in the near future.

Mrs. W. M. Reade was the hostess of an exceedingly pleasant party last Saturday evening, when a number of her lady friends were entertained to High Tea at six o'clock, followed by "Progressive "500", the three successful contestants carrying away pretty souvenirs of the happy occasion.

During the past week one of Waterloo's most highly respected, best known and public spirited citizens, has gone from among us, in the person of Mr. Jacob Courad, Sr., who peacefully passed away on the 25 th. ult. surrounded by a loving and most affectionate family of eight children, and was laid to rest beside his wife (who had predeceased him three years) on the anniversary of her birthday, which was commemorated by the placing of a beautiful wreath from the family on her grave. The sincere sympathy of their large circle of friends will be extended to the family in their bereavement

Dr. McCallum of London, who so acceptably addressed the Men's Canadian Club on Thursday evening, was the guest of his friend, Dr. W. J. Fisher, during his visit in the Twin-City.

No Sick Person can Afford

to throw away this chance to get a 50c. bottle of Psychine FREE

This being ill is curious business.

It usually commences in a subtle fashion, almost unconsciously.

Yet if you do not check your illness, it grows and grows.

And one fine day you find you're sick.

* * *

The greatest scavengers of the body are the white corpuscles, or phagocytes in the blood.

These white corpuscles attack and eat up every germ of disease that invades the body.

That is when they are strong enough and in sufficient numbers.

If they're not strong enough, then they wage an unequal warfare until they are finally overcome by their more powerful enemies.

The body becomes steadily sicker and sicker until actual disease sets in.

* * *

Now, we have had all sorts of so-called cures.

And a great many people have seriously endangered their health experimenting with them.

But years ago—before even science was able to tell we had the right treatment for disease—viz., herbs, nature's own remedies.

Now that science can tell to an absolute certainty, we know why certain herbs cure disease.

Because they strengthen and increase the white corpuscles or phagocytes.

A third of a century ago Psychine made remarkable cures.

To-day it is making remarkable cures.

In the interim, millions of bottles of Psychine have been sold.

Hundreds of thousands of people made well and kept well.

Why?

Mrs. Chas. A. Boehm entertained in her usual charming manner, at High Tea, followed by Progressive Euchre on Friday evening. Twelve tables were arranged for the game, the lucky prize winners, who proved to be Mrs. Herbert Snyder and Mrs. T. L. Armstrong, finding themselves the pleased possessors of very pretty souvenirs. The handsome home was looking its best with its artistic decorations and cheery grate fires, and is already destined to become a much appreciated centre of kindly hospitalities.

"The pictures they publish of me," said Robert Louis Stevenson when speaking once of the trials of the photographed, "vary considerably. They represent every type from the most godlike creatures to the criminal classes; and their descriptions of me vary in proportion—from a man with a 'noble bearing' to a 'blighted boy.' I don't mind what they say as a general rule, only I did object when somewhere in the States an interviewer wrote: 'A tall, willowy column supported his classic head, from which proceeded a hacking cough.' I could not forgive that!"

Mr. Chas. W. Schoop left again for his western home to-day after spending a few weeks in Berlin, renewing acquaintances. He had not visited Berlin for six years and was surprised at the great progress the town has made during that time. During his stay here he was the guest of Mr Wm. K. Weber, Young St.

GOES BEFORE JURY.

Colonel Munro Is Refused Summary Consideration.

Toronto, Feb. 2.—Colonel Munro, president of the defunct Farmers' Bank will be tried before a jury.

It was well toward noon when the slate at the Police Court was sufficiently cleared to enable Col. Denison to turn his attention to the case of Col. Munro.

The accused, who was absent when the case was first called on Monday, was on hand yesterday along with his counsel, H. H. Dewart, K.C.

During the preliminary proceedings these two sat apart, Mr. Dewart going over his brief and Col. Munro affording additional facts as they came to his mind.

Col. Munro was charged with having supplied the Federal Government, for every month throughout the year 1910 with incorrect reports regarding th standing of the Farmers' Bank. These reports are demanded by the authorities at Ottawa, and they go into every phase of the bank's business; their design is to show the relative strength of each bank at the end of every month.

Travers is believed to be the one who perverted the monthly return sent to the Government, sending them along to Col. Munro for the latter's signature. The charge is that Col. Munro wilfully and knowingly signed the returns in question, cognizant at the time that they were false.

"Do you plead guilty or not guilty?" asked the magistrate.

"Not guilty," came from Col. Munro in low but deliberate tones.

"We elect to be tried by you," said Mr. Dewart.

"I am not asking you to do that," interposed the magistrate. "I only purpose investigating the case.

"We would like to have it settled at once," rejoined Mr. Dewart.

"Yes, I know," concluded the magistrate, "but the case will have to go to trial."

Englehart Hospital Opened.

Petrolea, Feb. 2.—The Charlotte Eleanor Englehart Hospital was formally opened Tuesday afternoon at 4 o'clock. The hospital itself, a very fine building, is situated on the brow of an incline, and a fine view is obtained of the surrounding country across the stream that runs past the foot of the garden, on the further side of which the golf links stretch. A fine conservatory is attached to the building, and every convenience is provided that could be suggested.

The formal opening consisted of a short service, which Rev. Canon Craig announced, was held at the request of the hospital committee, in accordance with the wishes of Mr. Englehart. The doxology was sung, and after a reading of the Scripture by Rev. Mr. Grimshaw, Rev. Dr. McNair delivered a prayer, following by reading of the Bible by Mr. Knight of the Salvation Army. Rev. Mr. Garbutt then prayed, and the service was closed by Rev. Father Hussey pronouncing the benediction.

Mr. Englehart then made a few remarks and presented Mayor Pollard with the documents by which the town takes possession of the premises. Mayor Pollard read an address of appreciation, in which the town recognized the generosity of Mr. Englehart.

Thunderer Launched.

London, Feb. 2.—The Thunderer, the seventeenth British Dreadnought and the fourth of the super-Dreadnought type was successfully launched from the yards of the Thames Iron Works Co. at Canningtown yesterday. The Archbishop of Canterbury conducted the religious services preceding the christening by Mrs. Davidson. Fifteen thousand people, many of whom had gone by special train from this city, witnessed the ceremonies and cheered wildly as the great fighter woke to life and plunged into the water.

The Thunderer has a displacement of 22,680 tons, and will be equipped with turbines with a total of 27,000 horse-power. She is expected to make a speed of 21 knots an hour. The vessel is 584 feet in length and is armed with ten 13.5-inch guns, and 24 4-inch guns. She is the largest vessel ever launched so far up the Thames. Three thousand workmen were employed in her construction.

May Talk It to Death.

Washington, Feb. 2.—President Taft's announcement yesterday that the southern tour planned for early next month would be cancelled with the exception of the visit to Atlanta on March 10, started political tongues wagging with rumors that his purpose was to prepare for a possible extra session of Congress, in case the present session fails to enact the reciprocity agreement between the United States and Canada. He has said that he hopes to see it passed before March 4.

Fears have been expressed, however, that the Senate "will talk the measure to death" or kill it in some other way, although it is believed the House, probably with the aid of the Democrats, will pass it.

Fisher Folk Pleased.

St. John, N.B., Feb. 2.—J. F. Calder, Dominion fisheries inspector for the southern part of New Brunswick, says that the proposed reciprocity agreement has brought joy to the hearts of the fisher folk along the Bay of Fundy coast. This joy seemed to be mutual, for in Maine, where he has been, all interested are of the opinion that the fishermen on both sides of the line will benefit.
