WANTED.

GENERAL AGENT to represent a Mutual Fire Insurance Company; also an agent to canvass the city; salary or commission. Address Box 201, London, Ont. 100c

Keep It Up, Gentlemen. It Does Us Good. Figures Won't Lie!

Notwithstanding the combined efforts of jealous rivals to put as under, we are out on top as usual. Look at the record for 1889. Policies issued for nearly $3,500,000. Not bad for a young company, you will say. True, it took some of the old fogies 10 years to write up the same amount. Why, we declined more applications last year than some of the other companies wrote up altogether. How do we account for it, you say. Well, we have plans to suit everybody. Our premium rates are as low as any other company. Our policy is the most liberal, being nearly unconditional; almost a simple promise to pay at death or maturity, as the case may be. The policy-holders are entirely free from all liability; but are, nevertheless, allowed to participate in the control of the Company's affairs and to monopolize nine-tenths (9-10) of the profits of the business. Each policy-holder has one vote for every $1,000 of insurance held by him in this Company. These privileges are secured by the act of incorporation. If you are not insured, or want more insurance, take a policy in the MANUFACTURERS'.
