"Strange and Mysterious Gift"—Healing the Sick by the Laying on of Hands.
PROF. LEMON, M.D., Esoteric and Magnetic Physician. Formerly of the Medical Faculty University of Buffalo, N.Y.

Offices over Imperial Bank Branch, cor. Queen and Yonge-streets, Toronto.

A STRANGE APPETITE.

A Lady Lives for Years on Soft Boiled Eggs.

Mrs. M. T. was taken with a pain and distressed feeling in her stomach upwards of seven years ago, which nothing seemed to relieve. The pain and distress continued until her stomach became so sore and sensitive that she could not bear the weight of her clothing to rest upon it. The most innocent kind of food distressed her. She lost flesh rapidly, grew pale and bloodless, was so weak and languid that she could not superintend her household affairs, and was so nervous and despondent that life was almost a burden to her. It was very difficult for her to find anything she could eat. Ordinarily white bread felt like red hot sand in her stomach. Meat and all kinds of vegetables would lie like a stone and distress her terribly. The only article of diet that she has been able to bear has been rare boiled eggs, and for the past four years has lived almost exclusively on them. Three weeks ago she applied to Dr. Lemon, the Magnetic Physician. Last Sunday she ate roast turkey, vegetables, bread and butter and apple pie for dinner. Mrs. T. says she has been able to eat anything she desired for the past week, and says it is all due to Dr. Lemon's Magnetic treatment. That she cannot begin to tell what she has suffered, and to be a well woman once more is more than she ever expected, and gives this statement to the public in token of her esteem for Dr. Lemon for what he has done for her, and advises all who are sick and afflicted to call on him and be cured.

Office hours 9 to 9. Ushers and Secretary in attendance promptly. "Absent" Treatment a specialty. Enclose postage.
