THE CARPENTER CASE.

The Alleged Murderer Appears to Have Been a Bigamist.

Hagersville, Oct. 1.—It appears from the evidence collected by Detective Murray that Carpenter, the alleged wife murderer, who had been married to deceased only five weeks before her death had previously been wedded to a cousin of his own of the same name. She is now residing in Petrolea, and recently wrote a letter to Dr. Jones, of Hagersville, in which she set forth the facts of her marriage to the accused, and says that he frequently beat her, and that she bears the marks of his violence today. Carpenter's marriage to her took place about seven years ago, and the issue of the union is one child, who is now living with her.

ALICE HUMISTON ESCAPES.

A Fugitive From Justice With the Charge of Murder Against Her.

Chatham, Ont., Oct. 10.—Alice Humiston, 20 years old, of Zone township, near Bothwell village, is a fugitive from justice on a charge of murder, and with a price upon her head. She fled on Thursday to avoid arrest on the accusation of having wantonly killed the new-born illegitimate babe of her sister Annie.

Crown Attorney Douglas went down to Bothwell, but he was a few hours too late, as Alice Humiston had already made herself scarce. The mother of the child was confined to her bed, and the warrant for her arrest for murder was executed. She is too ill to leave her bed, and was accordingly placed under police surveillance, and as soon as she recovers she will be removed to the jail. A warrant has also been issued for the missing girl Alice.

COULD NOT LIE DOWN FOR EIGHTEEN MONTHS.

The Suffering of a Toronto Junction Resident From Heart Disease.

Not an exceptional case of heart disease, but very distressing was that of Mr. W. L. Law, of Toronto Junction, propped up in bed with pillows for eighteen months, because of smothering spells that would come over him whenever he attempted to lie down. No treatment had done him any good until he tried Dr. Agnew's Cure for the Heart, and here one dose gave complete relief, and one bottle cured him, and today he enjoys the pleasures of good health as other people do. Heart disease will kill if not cured.

Kill two birds with one stone. Spend a pleasant holiday at Oakville, and get rid of the liquor or morphine habit once and for all at the same time. It will cost you a little more than if you go to an ordinary resort, but probably not half as much as you would spend on liquor in half the time. "Lakehurst," with its fine house, shady grounds, water front and excellent board, is preferable to most hotels, and you can leave your liquor curse behind you forever when your holiday is over. For full particulars address Manager, Lakehurst Institute, Oakville, Ont. xt
