From Yesterday's Second Edition.

During the war of secession in the United States the Volunteer Companies were generally allowed to choose their own officers. In one of the companies formed in Calais there was considerable contention over the positions of honor, and an officer from the State Headquarters undertook to see that the election was conducted fairly. He drew the company up in line, and ordered all candidates for office to step to the front and allow the others to make the selection. All but three stepped promptly forward, and those three calmly proceeded to elect themselves Captain, First Lieutenant and Second Lieutenant. If the selection of members of the House of Commons for this City and County belonged to the "Reform" party, and the candidates should be deprived of the right of suffrage, the two or three qualified men remaining in the ranks could elect themselves.

Many who are dissatisfied with Mr. DeVeber's card, considering it undignified for a candidate to pledge his support so unreservedly to a policy of which only a vague outline is given, are talking, now that a contest has been precipitated by the Government party, of bringing out another candidate for the City. Several gentlemen, among them Mr. Tuck and Mr. McAvity, are named as sure to carry the constituency.

Another Editor in the Field.

Mr. George W. Day intends to contest the city with Mr. DeVeber.

Portland Police Court.

A Squaw was the only arrest the police made. She was charged with drunkenness, but, on promising at once to go to her camp at South Bay, was released.

St. Malachi's Hall Festival.

The Festival to pay the debt on the hall will open this evening. Great preparations have been made by the various societies. The display is a fine one, and the articles offered for sale are rich and handsome. The increased room will make the half much more comfortable for visitors, and prevent, in a great measure, the crush of former entertainments. The band of the Father Mathew Association will be in attendance.

Circuit Court.

The evidence of Mr Nugent on Saturday concluded the case for the plaintiff in the case of *doe dem* McKenzie vs Mosher. Dr. Barker moved for a nonsuit on several grounds. He claimed that the marriage of James Swim had not been proved and that consequently there was nothing to show that the plaintiffs were his heirs. No evidence of James Swim ever having been in possession of the property had been produced. If they had had possession the conditions of the grant had not been complied with. The grant imposed certain conditions on the grantee and it was evident from the testimony that such conditions had not been fulfilled. White was a tenant at will, and had occupied the place longer than required to prove possession by law. Mr. Pugsley replied to the arguments of Dr. Barker. Their arguments occupied until 12 o'lk. The Judge refused to grant a nonsuit, and Dr. Barker opened his defence. The first witness called was J. H. Mosher of St. Martins. He has lived in St. Martins since his birth, except for a few years He knew White to have been in possession of the lot in question for years. White is now a very old man, the witness would suppose one of the oldest in the Province. His evidence had not concluded when the Court adjourned.

The trial of Munroe for an indecent assault on Jane McCarthy is adjourned until Thursday, owing to the absence of the Attorney General.

Thresher vs. the E. & N. A. Railway is made a remanet, as Judge Wetmore, being a stockholder, in the company is not qualified to try it.

The Dirty Records of Dirt Throwers.

MR. EDITOR: The brass, and effrontery, and entire absence of thought of their situation on the part of some of the speakers at the meeting on Saturday night of the supporters of the *Grit-Rouge, McMullenite, letter-stealing, silver-mines-speculating Government*, now temporarily in power, is really wonderful. One of the speakers, for instance, standing up and denouncing such men as our respected Lieut. Governor Tilley, to whom the whole community has been so recently doing so much honor, is really too much to be borne quietly. When parties like him attempt to appear on a public platform, they should remember their own record, and when they can show that *that* is clean, they can speak of others and not before. One would think that common sense or modesty would teach them to hold their tongues and exercise their franchise quietly, but as that appears to be absent we can only stand by and wonder. There is a small but dirty little fish that swims, called the cuttle fish, which seeks to blacken all in its trail; this appears to be the property of the would-be purifiers. If another such exhibition of effrontery is made during the present canvass you will hear again with a biographical sketch of some of these would-be leaders of public opinion, by AN ELECTOR.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc, In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
