Miscellaneous.

Corn and peas are each ½ cheaper in Liverpool.

Amount of bullion taken out of Bank of England to-day was £670,000.

Consols were easier to-day.

C.P.R. stock was ¼ higher in London to-day.

A Chicago special says that the visible supply of corn is now less than 2,000,000 bushels, and the smallest for this season of the year since statistics on this subject began to be compiled 13 years ago.

It is estimated that $300,000,000 were lost in Wall-street by the shrinkage in values during the recent excitement.

Outside markets are rather steadier.

It is said that the Waterous Engine Works Company of Brantford is negotiating for a site near the Don River, with a view to removing to this city. The firm employs about 400 hands.

A GREAT CHANCE

--FOR--

CHRISTMAS

In view of our compulsory and immediate removal from our present premises, we have determined to dispose the whole of our stock at less than cost price, thereby giving the ladies of Toronto an opportunity of procuring suitable Christmas Presents at such low figures as have never before been offered in our line of business. The stock is full and complete in every department of House-Furnishings; goods in all the latest and most modern ideas, as well as in antique novelties. The Brass Goods in FENDERS, FIRE IRONS, ANDIRONS, COAL SCUTTLES, ETC., are marvels of workmanship and elegance and are the latest importations. Every other article at the same reduction.

Remember this is a compulsory sale and we are obliged to dispose of them at those figures rather than remove them.
