By the Board of Education.

The Board of Trustees of any School District is hereby empowered to provide from the School Funds under its control Prizes not exceeding a first, second and third prize, in any School Term, for each School or Department, and according to such conditions and regulations as may be prescribed by the Board of Education, provided that no such Prize shall be awarded in respect of proficiency in particular subjects of the School course, or the discharge of particular School duties,—41 Vict. cap. 35, sec. 10.

In pursuance of the above enactment of the Legislature, the Board of Education has been pleased to prescribe the following conditions and regulations which are to be carefully observed by Boards of Trustees and Teachers—respecting the offering and awarding of the School Prizes therein authorized:—

1. The offer of the Prizes and the conditions of their award set forth below (in Sections 2 and 3) shall be announced to the school, or department, on or before the first day on which it may be in session in any Term.

2. The following shall be regarded as the STANDARD for every member of the School:—Prompt attendance at each school sitting; unexceptionable conduct while subject to the Teacher's supervision, whether in the school room or elsewhere; industrious application in the discharge of every school duty; and excellence of Scholarship in the subjects of prescribed study, according to the pupil's acquirements in the course of instruction pursued in the school.

3. The Teacher shall assign a fixed numerical value to the above Standard (as 5 or 10) for each half-day (or for each day), *to be available in respect of those pupils only who are present*; and the Teacher shall according to his best judgement determine and record at the time what abatement is to by made for any half day (or day) from this standard figure on account of tardiness, improper conduct, want of application or imperfect scholarship. At the close of the calender month the Teacher shall make entry in the School Register (page 6 or 10) of the sum of the Standard figures (or parts of them) retained for the month by each pupil, and the aggregate of these monthly entries shall be regarded as the pupil's School Standing for the Term.

4. At the close of the Term the Teacher shall present a written report, under his signature to the Secretary of the Board of Trustees, stating (1) the in a new will the School Standing for the Term annexed to each, of the pupils having first, second and third positions; and (2) the name of any pupil who, while a member of the school, or department, was unavoidably absent, and whose actual average daily standing being allowed for such days of absence, not exceeding five in any case, would make his school standing for the Term equal to that of a pupil whose name shall have been reported in the foregoing statement (1) The Secretary of the Trustees shall keep the Teachers report on the file for a period of at least two years.

5. The Board of Trustees shall award the Prizes to the pupils having the highest School Standing for the Term; and in making the awards the Trustees may, in their discretion, take into consideration, but only within the limitations specified in Section 4, the case of any pupil unavoidably absent from school.

6. The Board of Trustees shall determine the nature and value of all Prizes, and shall exercise a responsible care that no Prize be of a character excluded by the provisions of Regulation 33, or by Section 1-2 of the School Act.

7. The Prizes shall be publicly presented through the Board of Trustees at, or subsequent to, the close of the Term, at such time and place as the Trustees shall determine; and the Trustees may invite, in their discretion, gentlemen resident and non-resident to present the Prizes to the winners on behalf of the Board of Trustees and the District.

8. The foregoing conditions and regulations are applicable exclusively to schools or departments, conducted by Teachers holding valid Licences under the provisions of Regulation 29 or 30.

By order,

Chief Superintendent Education.
