Still the Forest is the best Medical School!

That predisposition which exposes the human frame to the infection and virulence of all diseases, proceeds directly or indirectly from a disordered state of the System, caused by Impure Blood, Bilious and Morbid condition of the Stomach and Bowels.

DR. HALSEY'S GUM-COATED FOREST PILLS.

(A Sarsaparilla preparation of unexampled efficacy.)

These Pills are prepared from the best Sarsaparilla, combined with other Vegetable preparations of the highest Medicinal virtue. They are warranted not to contain any Mercury or Mineral whatever. They purge without griping, nauseating or weakening; can be taken at any time without hindrance from business, change of diet, or danger of taking cold. They neither have the taste or smell of medicine, and are five times more effectual in the cure of disease than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their good effects. Invalids given over by their Physicians as incurable have found relief, and been restored to sound and vigorous health from their use.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasions more sickness and deaths in families than all other causes of disease put together. In the latter part of Summer and Autumn, when the atmosphere everywhere is poisoned from miasma, arising from stagnant pools and decayed vegetation, whole families are taken down by Malignant Fevers, Fever and Ague and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger existing from biliousness—no parent would be guilty of causing the

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person at this season of the year is bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills are sufficient to keep a whole family from bilious attacks and sickness from six months to a year. A single dose, from 1 to 3, of these mild and excellent Pills for a child, from 3 to 4 for an adult, and from 5 to 6 for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks and many other disorders.

SALTS AND CASTOR OIL.

No relined cash be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without flushing the bile, leaving the bowels costive and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and carry all morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, mind clear, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on these vital organs of the Stomach, Liver, Kidneys, &c., which secrete the fluids of the body and separate the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels they cleanse and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They neither cause griping nor any inconvenience whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted have induced thousands to commend them to their friends and the public. Individuals of worth and integrity in almost every part of the country have testified to the world in favor of their great effects in curing disease.

Testimonial after testimonial showing their great powers of curing in almost every class of disease have been tendered to us by individuals of undoubted character and respectability. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 9, 1848.

DR. G. W. HALSEY,—Every fall, for several years back, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1848 two of my sons were taken at the same time with Bilious Fever. In former seasons, when sickness occurred in my family, I had always employed a Physician. But at this time having two sons of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon operated, bringing away much black and green matter. On the following day the fever had left them, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.

NOTICE TO THE PUBLIC.

In 1845 Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-Coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good-will Dr. Halsey's Pills had gained by curing thousands of disease.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC,

An article which in every respect supersedes Sugar, both on account of its healing virtues and its durability. The discovery of this improvement is the result of a succession of experiments during three years. For the invention of which Dr. Halsey has been awarded the only Patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's celebrated Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all impositions and to obtain Dr. Halsey's true and genuine Pills see that the label of each box bears the signature of G. W. HALSEY.

Reader!!! If you wish to be sure of a medicine which does not contain that lurking poison, Calomel or Mercury, purchase *HALSEY'S GUM-COATED FOREST PILLS*, and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates nor gives rise to griping, seek for HALSEY'S PILLS.

If you would have the most concentrated as well as the best compound *Sarsaparilla Extract* in the world for purifying the blood, obtain Dr. HALSEY'S PILLS.

If you do not wish to fall a victim to dangerous illness, and be subjected to a Physician's bill of 20 or 50 dollars, take a dose of Dr. HALSEY'S PILLS as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, but gives strength instead of weakness, procure HALSEY'S PILLS, and avoid Salts and Castor Oil and all common purgative s.

Parents, if you wish your families to continue in good health, keep a box of HALSEY'S PILLS in your house.

Ladies, Dr. HALSEY'S PILLS are mild and perfectly harmless, and well adapted to the peculiar delicacy of your constitutions. Procure them.

Travellers and Mariners, before undertaking long journeys, provide yourselves with Dr. HALSEY'S PILLS, as a safeguard against sickness.

PLANTAGENET WATER.

Among the objects of attention at the late Industrial Fair, the celebrated Plantagenet Water held a conspicuous position, and its exhibitors were attended, we learn, with the most favorable results. The demand for the Depot for this health-restoring draught was so urgent that it was with great difficulty strangers and visitors to the city could be supplied. The celebrity of these Mineral Springs has been so thoroughly and satisfactorily established that testimony of the most valuable character comes daily accumulating. The highly respectable certificates given in our paper of to-day will, if possible, increase their reputation, and add to their value throughout the Province. The testimony of the medical gentlemen is certainly highly favorable to the character and quality of these Springs—Drs. Nelson and Gibb placing them above all other Mineral waters on this Continent:—

"I believe I was one of the first Practitioners of this city who recommended the use of the Plantagenet Spring Water, and since that time I have prescribed it to a very large number of my patients with invariable advantage.

"Two members of my family, of feeble and delicate constitutions, have derived marked benefit from the use of the Water. One had nearly lost all power in the right arm, the result of a severe and protracted attack of Rheumatism; the other was excessively debilitated from derangement of the digestive and alimentary organs.

"The administration of the Water is attended with the happiest result in constipation, arising from sedentary habits, and in aged persons.

"In heartburn, morning sickness, and the other complaints to which women are subject under certain circumstances, it acts most agreeably and effectually, but in these derangements, as well as where there is over action of the kidneys and bowels, it should be taken in smaller quantities at a time, but more frequently.

"From an extensive experience I am well satisfied with the operation of the Water; to weak persons it is quite palatable, and I deem it preferable to any other of many of the Mineral Waters I am acquainted with. I look upon Providence on mankind.

"WM. NELSON, M. D., V. R. Col.,
"Phy. & Sur., Canada East."

"Many months experience in the use of the Plantagenet Waters in my practice have fully convinced me of their value as a remedial agent, and I have not had reason on any single occasion to regret their use. I find that they seldom disagree with the stomach, and always act as a gentle aperient and alterative, and, from their composition, they possess, in addition, decidedly tonic properties.

"Certainly, too much has not been said in their favor, for they are, probably, the most valuable Waters on this Continent.

"GEORGE D. GIBB, M. D.,
"Licentiate Royal College of Surgeons, Ireland,
"Physician to the Montreal Dispensary.

"Montreal, 5th August, 1850."

The following certificate is from the Hon. Peter McGill, a Member of the Legislative Council of the Province, and President of the Bank of Montreal:—

"CHARLES LAROCQUE, Esq.

"SIR,—Having during the year past used the Plantagenet Water, so well known and so highly commended to public favor by many of our most eminent Medical Practitioners, I can bear testimony to its salutary effect on my own immediate health, and doubt not its efficacy in contributing to strengthen and invigorate the constitution of those who may freely use it. The value of this water has been generally acknowledged in this community, and my own experience of its excellent qualities fully warrants me in giving my testimony to its beneficial effects.

JOY TO THE BED-RIDDEN.

A VALUABLE DISCOVERY FOR

THE INSTANT CURE OF PAIN.

RADWAY'S READY RELIEF

Cures the worst diseases in Minutes and Hours, and stops the most cruel pangs of pain in Seconds.

SO quick and efficient is RADWAY'S READY RELIEF, in stopping pain and curing disease, that it has frequently raised the diseased and helpless invalid from a bed of sickness in a few hours. It has frequently cured the worst pains of—

Rheumatism	In four hours,
Neuralgia	In twenty minutes,
Tic Doloreux	In ten minutes,
Toothache	In three seconds,
Nervous Headache	In fifteen minutes,
Sour Stomach	In five minutes,
Heart-Burn	In five minutes,
Bowel Complaints	In thirty-five minutes,
Cramps and Spraint	In twenty-five minutes,
Diarrhœa	In one hour.
Inflammation of the Bowels	In thirty minutes,
Local Inflammations	In ten minutes,
Influenza	In twelve hours,
Hoarseness	In ten hours,

Spinal Complaints, Swellings, Bruises, Sores, Wounds, &c., it will remove ten times quicker than any other remedy in use.

LET THOSE WHO SUFFER TRY IT!

It will prove itself in a few minutes. As soon as it is taken internally, or applied externally, its beneficial effects are seen. It is better than all other remedies.

HERE IS THE PROOF.

There is no other remedy that claims to subdue the cruel pangs of pain in seconds, minutes, or even hours. They require the patient to use dose after dose before a favorable change is promised. Not so with Radway's Ready Relief, its effects are instantaneous; the first dose that is taken; or the first external application, commences its great work of relief from pain.

BEAR IN MIND,

That Radway's Ready Relief will cure either of the above-mentioned Diseases in one-tenth the time it takes any other Remedy to give even Partial Relief.

TAKING COLD.

This sentence is constantly in the mouth of every person, in order to explain certain complaints. Those who use it often, we think, have but a faint idea of its precise meaning. We will offer an explanation, which we believe to be the opinion of a majority of the most learned physicians. A person, for instance, has been over exerting any particular set of muscles—of the throat, from violent speaking—of the loins, by too much stooping or bending, or these or any other part of the body; these parts or muscles are, consequently, weakened and relaxed, and become a fair prey for any disease. The person who has been thus acting, accidentally or otherwise, exposes himself to the cold air, the perspiration immediately ceases, and the blood, which had been but just now circulating rapidly throughout the surface of the body, is repelled inwardly, and is sure to settle in those parts which have been previously wearied and relaxed. Here, then, we have an accumulation of blood, a congestion, which gives rise to all the pain and stiffness attendant upon such complaint. When this takes place in the throat, we call it what is called Sore Throat; when in the loins, Lumbago or Stiff Back; when in the chest, Pleurisy. We also have it in the shoulder-blade, side, and other parts.

RADWAY'S READY RELIEF,

Taken Internally and applied Externally.

Its first action, when freely applied, is to blunt the acute sensibilities of the nerves, and almost instantly relieves the pain; its secondary action is to excite perspiration, and redden the parts over which it is applied almost to a glow, thereby determining the blood from the injured parts to the surface. In these cases, the READY RELIEF should be applied freely, at the same time rubbing the parts with a piece of flannel, and it will be found in every case to give immediate and permanent relief.

N.B.—If convenient, a piece of flannel saturated with the RELIEF, and tied or pinned around the parts, does good service.

A BAD COUGH CURED IN TEN MINUTES.

Mr. Rigdon, of Brooklyn, the celebrated Church Singer and Organ-Player, on the night of the 10th of December was attacked with a severe fit of coughing—so that he coughed from 9 o'clock until 12 o'clock, P. M., without three minutes intermission. One of the Clerks of Radway & Co., who sleeps in the next room, got up and gave him a ten-spoonful of the Relief internally, and bathed his throat, neck, and chest; he also saturated a piece of flannel with the Relief, and laid it over his chest. In a few seconds the coughing ceased, he could expectorate freely, and raised with perfect ease a great quantity of phlegm. The Relief instantly soothed the irritation of the throat, and removed the inflammation from the lungs, and gave free action to them, produced a free and copious perspiration of the throat and chest; and in ten minutes he was entirely free from pain, and sunk into a sound and pleasant sleep. In the morning he was free from hoarseness and coughing, and has not been troubled since. Let every individual who is troubled with a cough, sore throat, influenza, or hoarseness, pursue the same plan, and we will warrant them a speedy cure.

LAMENESS

If you have a stiff joint, a wrenched limb, a swelled leg, a bruise, or any thing short of a broken bone. Radway's Ready Relief will cure you. The lame have been restored to the free use of their limbs by a few applications of the Relief. The cripple, who has limped from spot to spot upon his crutch, has been relieved of his painful afflictions, and enabled to stand erect, as God designed that Man should stand, by a few times using the Relief.

THE RHEUMATIC,

Who has been bed-ridden for years, shut out from the busy world, and lingered with pain upon a couch of sickness, deprived of the society of friends, and of the pleasures of life, has been raised from a lingering death by the soothing, healing, and pain-relieving influences of Radway's Ready Relief. In all cases of Rheumatism—even the worst cases—one trial of Radway's Ready Relief will prove its superiority over all other remedies in use.

BLEEDING AND BLIND PILES,

Are instantly eased, taking the Ready Relief internally—say a ten-spoonful of the Relief in a table-spoonful of Molasses, and make a Cream of the Relief, by adding to it Sweet Oil, and anoint the parts affected. If the sores are very bad, take a leaf of tobacco, dip it in warm water, then wet it with the Relief, and lay it on the sores, you will have immediate relief and a speedy cure.

AGE VERSUS YOUTH.

Radway's Ready Relief renews the vigor of youth in old age. The old man of seventy is invigorated by its strengthening and exhilarating effects; it prevents the vital functions of the body from becoming paralyzed, and the hitherto dull and languid old man becomes active and vigorous in old age, and his life prolonged to the full number of his days.

FOR ALL PAINS,

Whether internal or external, take Radway's Relief, or apply it externally, it will relieve pain and cure disease quicker than any remedy in use.

RHEUMATISM CURED IN TWO HOURS.

Mr. Jones, of Clifton, Va., writes:—A lady in this place has been confined to her room for four months with Rheumatism; she purchased a bottle of Radway's Ready Relief—in two hours from the time she commenced rubbing in the ointment she walked out.

ST. LEON AND CAXTON SPRINGS.

MONTREAL, June 5, 1850.

For the past twelve months I have frequently recommended the Waters of the St. Leon and Caxton Springs, and have formed a favorable opinion of their efficiency as aperients in various derangements and diseases. I have found both Waters well adapted, in the generality of cases, for accomplishing all the purposes of the ordinary saline aperient draughts, over which their tonic and alterative ingredients give them, for continued use, a superiority.

Bogle's Amole is the most delicious article for shaving we have ever used; its perfume is pleasant, and its appearance elegant; but the rich, thick, cream lather it raises on the face, and keeps perfectly moist during the whole operation, surpasses anything we have seen. It has also another decided advantage, that of leaving the face smooth and free to a pleasant degree after shaving. We presume this must be owing to the absence of alkali in its preparation, as Mr. Bogle uses the aqueous extract of the Amole or "California Soap Plant" in its composition. Be that as it may, any person trying this shaving compound for a time cannot fail to be of the same opinion we have now expressed. Mr. Bogle is also the inventor of the celebrated "Hyperion Fluid for the Hair," and Hebrew Balm for the complexion, which are always to be found at 277 Washington St.

HALSEY'S CURE-ALL.

THIS Article is a delightful Aromatic Liniment, of extraordinary powers for the cure of Outward Complaints and painful Disorders.

Such is its efficacy in the cure of Rheumatism and pains originating from Fresh Wounds, Accidents, and Old Rheumatic Affections, that those ands have been permanently cured by its use in an incredible short time.

The most excruciating suffering, caused from Burns, Scalds, Bruises, and other accidents, are at once relieved by it, and entirely cured in a few days' time.

The most acute and painful Toothache is cured by it in a few minutes.

Swelled Face and Sore Throat, produced by bad colds, are quickly relieved by its use.

It is highly efficacious in Headache and Tic doloreux, producing immediate relief.

The following are some of the Complaints in which the Cure-All is most recommended, *i.e.* its great efficacy as an outward application:—

Rheumatism, Rheumatic Gout, Lame Back, Pains in the Side, Bones and Back, Headache, Cuts, Bruises, Strains, Tumors, Eruptions of the Skin, Glandular Tumors, Burns, Scalds, Chilblains, Kicks, Stiffness and Enlargement of the Joints, Swellings, Cramps, Ague in the Face or Breast, Chills, Toothache, Tickelness, Pains and Swelling of the Feet, Mumps, Sore Throat, Ringworms, Barbers' Itch, Erysipelas, Salt Rheum, Old and Fresh Wounds, and Injuries of every description.

CRAMP AND PAIN KILLER.

THE MOST SUCCESSFUL REMEDY KNOWN For the cure of all Rheumatic Affections—Pain in the Stomach, Back, Side or Limbs—Stitches in the Back, Side or Limbs—Cramp in the Limbs or Stomach—Darting Pains, Bilious Cholic, Dysentery and Diarrhœa, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

THIS wonderful Medicine has effected many truly surprising cures in cases of the foregoing complaints. And we say no more than hundreds and thousands who have used it will assert, when we say there is no Medicine designed for that class of complaints, possessing more than a tythe of the power to relieve and cure of this.

We solicit particular attention to the fact that it does not contain a particle of *Opium* in any form. Neither does it contain *Camphor*.

It is free from any deleterious article, and cannot, in any supposable case, injure the patient.

It does not deaden the *Life Faculties*, nor produce the burning, drying, parching sensations, so much complained of in the use of other "Pain Killers."

It does not weaken the peristaltic motion of the bowels, producing *Costiveness*, and its attendant evils, but is a promoter of digestion, and of proper and healthy action in the stomach and intestine canal.

IN ALL RHEUMATIC AFFECTIONS,

LOCAL PAINS, &c., it has proved *surprisingly successful*, rarely failing to cure, even in the most desperate and long standing cases. (See Certificate.) In those cases, the parts affected should be freely bathed, and then rubbed lightly, but briskly—not hard enough to hurt the patient, till an irritation is produced on the surface, and in severe cases the patient should take half a teaspoonful on sugar or molasses.

CRAMP IN THE STOMACH, OR BILIOUS CHOLIC,

We believe it will never fail to *speedily cure*. It should be a teaspoonful at a time, on sugar or molasses, or in any manner the patient can take it best, and the stomach and bowels freely bathed. And if in fifteen or twenty minutes the patient does not find relief, repeat the dose.

DYSENTERY OR DIARRHŒA

Are speedily and easily *cured* by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA,

Which during the past season has swept off such fearful numbers, has been cured by it, we believe in every case, where it has been early and faithfully applied. In Ranger, where it proved singularly fatal, it was found to yield to this remedy, and CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the first Physicians, and by the Press, as the first, the surest remedy to be used.

As a dressing for *Cuts, Wounds, Bruises, &c.*, it is without a rival. As also in cases of *Burns, Scalds, Frosts, &c.*,—relieving the pain and *healing* without scar.

FOR TOOTHACHE

It is, nine times out of ten, a *CURE*. We believe it will *never fail*, unless the tooth is ulcerated. If the tooth is hollow, saturate a little lint and put it in the cavity. Hold some of it in the mouth. If the face is swollen bathe with it.

Bathing the head with it is generally a cure for the *Headache*.

We are constantly receiving certificates from every part of the country, many of which may be seen in newspapers, and in pamphlets, which may be obtained of any of our agents.

P. S.—It is the best *HORSE AND OX LINIMENT* in the world.

Please read the following statement from John Bucknam, Esq., of DIXMONT, Me.:—

DIXMONT, July 11, 1848.

Messrs. Curtis & Perkins,—For two years past I have been entirely prostrated with the Rheumatism; both of my knees were swelled to twice their original size—a large bunch came out on my breast bone, appearing like a part of the bone thrown out. Another bone was thrown out of my wrist. In short, I endured the most excruciating pains for nearly three years. I obtained the best medical attendance the country afforded, and tried a great number of medicines and prescriptions, without the least benefit or alleviation, when I had the good fortune to procure a bottle of Cramp and Pain Killer, prepared by Messrs. Curtis & Perkins, of Bangor. Soon after taking it I found I could get some rest nights, and the pain became less violent. I have continued to take it and apply it externally, until I have used eight bottles. I took much larger quantities than was recommended.—The swelling has all gone down, both in my limbs and breast, and I am entirely relieved from pain. I have been able to do a man of my age. No description of my case can convey the vast amount of benefit I have received from this article. I believe it is the best article in the world for Rheumatism. I have also used it for cholic and pain in the stomach, and always found immediate relief.

SELF-PRESERVATION:

A MEDICAL TREATISE ON THE PHYSIOLOGY of MARRIAGE, and DISORDERS of YOUTH and MATURITY, usually acquired at an early period of life, which enervate the physical and mental powers, diminish and enfeeble the natural feelings, and exhaust the energies of Manhood—with practical observations on the Treatment of Nervous Debility and Indigestion, whether arising from those causes, close study, or the influence of Tropical Climates; Local and Constitutional Weakness, Syphilis, and all Diseases and Derangements resulting from Indiscretion.—with Forty Colored Engravings, illustrating the Anatomy, Physiology, and Diseases of the Reproductive Organs, explaining their structure, uses and functions, and the various injuries that are produced in them.

BY SAMUEL LA'MERT, M.D.,

No. 37, Bedford Square, London,

Doctor of Medicine, Matriculated Member of the University of Edinburgh, Licentiate of the Apothecaries' Hall, London, Honorary Member of the London Hospital Medical Society, &c.

This Work contains an accurate and complete account of the Anatomy and Physiology of the Reproductive Organs, and of their relative conditions in health and disease. Not are these the sole contents of the Work: the means of escape, as well as the nature of the danger, are pointed out in clear and intelligible language. It evidently requires the closest attention and study, for what subject can be of greater importance than the preservation of health, and of the physical capabilities of which every man should be possessed. It unfortunately happens that the unhappy victim of excess and indulgence and vicious habits, whether seen early in early life, or from the follies of advanced age, while suffering from their inevitable consequences, unwisely entertains a fear of applying to a qualified physician for relief. Shame and the dread so frequently, but erroneously, entertained, that those complaints are beyond the reach of art, alike restrict him, and prevent the seeking for assistance where alone it can be procured. In writing the chapters on the causes of disease, sympathy with the sufferer, and, above all, secrecy, inviolably characterize the intelligent and practical physician, and to the medical man, who can show by his possession of the requisite legal qualification, that he is entitled to esteem and respect in his professional pursuits, the utmost confidence should be extended. Dr LA'MERT has obtained the highest medical honors, as his diplomas testify, and the great extent of his practice for many years, is a guarantee for his professional experience, which has been acquired solely to the treatment of these diseases.

The Work may be had in Montreal, of Messrs. JOHN DAWSON; in St. Johns, of H. Cates & Co., price 2s. 6d. Sterling; Halifax, Messrs. MORTON & Co.

THIS GALVANIC EMBROCATION is an unequalled remedy for the Cure of Rheumatism, Gout, Chronic, seated in the Head, Joints or Limbs, Tic Doloureux and Gout, in its worst forms, Palsy, Fits, Scrofula or King's Evil, Spinal and Hip Complaints, Stiffness of the Joints, Lumbago, Neuralgia, Chilblains, Fever Sores, Salt Rheum, Ring Worms, White Swellings, Diseases of the Skin, Erysipelas, Goitre or Thick Neck. It is likewise highly recommended in the most confirmed cases of Scrofula and Scrofulous Affections of the Neck, Affections of the Spine, Mercurial Affections, &c., &c., &c.

It is now generally admitted, by the learned and scientific, that the mysterious power called Galvanism or Magnetism is in fact the principle of Vitality or Life, and that disease in many of its most painful forms is entirely owing to the absence of this Galvanic or Magnetic power in its healthy proportions. If, then, we can readily supply this wondrous power, when it is thus deficient, we can successfully combat disease; and this has been fully and perfectly demonstrated by this great, wonderful scientific discovery, of combining Magnetism or Galvanism, with a Fluid which has cost the inventor of this remedy years of study and labor.

There is not an intelligent Physician, who has kept pace with the progress of science, that does not readily approve of the use of the Magnetic power in various diseases, and there is scarcely a Medical Institute in this country or Europe, which makes its appearance without the presence of various cases, showing some new effects of these wonderful agents, or corroborating previous experience of their beneficial effects. The proprietor of the Galvanic Embrocation takes great pleasure in being able to state, that a majority of the most distinguished Physicians of New York constantly recommend this Embrocation in their practice, and from many of them he has received the highest testimonials of approval and commendation.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,

FOR RESTORING PRESERVING, AND REBELLIENING THE HAIR.

The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar cases.

BOSTON, Feb. 15, 1847.

MR. WM. BOGLE,—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and clears the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,

A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing; and thus the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the purest and most nourishing effects on the skin,—it soothes and allays irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, calculated either for the dressing case of the "rough and ready" traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Sumner F. Barrett, Saratoga Street, East Boston:

EAST BOSTON, Feb. 8, 1847.

Mr. William Bogle,—Dear Sir: For several years past, my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference.—After repeated failures of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion as a wash, for the purpose of restoring her lost hair, and I am happy to say that its effect has been to cause the hair to grow all over the part affected. She has used only two bottles, and that very irregularly; had she used it oftener and more regular, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully,

SUMNER F. BARRETT.

BOGLE'S HEBEAIONA,

FOR REFRESHING AND BEAUTIFYING THE COMPLEXION,

Eradicating Tans, Pimples, and other eruptions of the skin, and rendering it fair, delicate, and blooming. It is effectual in protecting the skin from the hot suns of summer, and freezing blasts of winter, and is the most fragrant and delicious article to be found at the toilet of fashion.

All the above articles have stood the test of the strictest investigation, and are WARRANTED superior to anything yet invented.
