Death of Peter McFarlane.

Fredericton, April 7.—The death occurred at an early hour this morning of Peter McFarlane, one of the most widely known residents of Fredericton.

President Steyn's Brother Taken.

Bloemfontein, Saturday, April 7—Another of Mr. Steyn's brothers was captured near Karee Siding yesterday, and arrived here today.

A Serious Fire in Cardinal--Hundred and Fifty Thousand Dollars Damage.

Cardinal, Ont., April 8—The Cardinal glucose works were destroyed by fire this morning at 7 o'clock. The fire started in the drying room and spread to the glucose department and soon this building fell a prey to the flames. The next building to go was the electric light station and in six hours three structures were a mass of ruins and $150,000 worth of property was destroyed. The insurance amounts to $90,000. The company, it is understood, will re-construct the works. The Edwardsburg starch works, belonging to the same company and immediately adjoining the glucose factory, were not damaged. A large number of hands are thrown out of employment.

Held Out with Neither Food Nor Water until their Ammunition Was Gone.

Bloemfontein, Thursday, April 5—(Delayed in transmission)—The Royal Irish Rifles had been marching in the eastern part of the Free State, collecting arms and were returning to Bethany Tuesday when they were intercepted by a Boer commando, which had placed three guns in position. The Irish entrenched themselves while the mounted infantry scouted along both flanks, only to find escape impossible. The Boers opened with guns and rifle fire. The British replied sparingly with rifle fire, husbanding their cartridges in the hope that help would arrive. Gradually the Boers drew into closer quarters. They fired intermittently during Tuesday night but did not attempt to rush the British position until Wednesday, when the Irishmen, who had fought tenaciously, were suffering severely from want of food and water. By this time also the Rifles had expended their last cartridges. Finding that there was no sign of succor they surrendered, having fought for nearly 30 hours. They lost 10 killed and many wounded. Among the captured is Captain Tennant, General Gatacre's chief intelligence officer.

An Imposter Collecting Money from Truro People.

Truro, April 7.—An imposter under the nom de plume of George Williams Stevens, hailing from Amherst, was detected obtaining money under false pretences near here. Stevens was collecting liberal subscriptions throughout the county on the strength of an alleged certificate from Dr. Marvin, of Hillsboro, to the effect that Stevens was unable to work.

The suspicions of a prominent Bass River man were aroused and he communicated with Dr. Marvin. The latter states the certificate is a forgery. Stevens is still at large but efforts are being made to arrest him.

Gen. deVillebois Mareuil Buried with Military Honors.

Boshof, Orange Free State, April 6.—The prisoners captured by the British yesterday and brought in today include many Frenchmen. They present a wet and bedragged appearance.

Lord Methuen has complimented his men on their behavior. Captains Boyle and Williams of the Yeomanry and General de Vilebois Mareuil were buried today with military honors.

Dr. J. Collis Browne's Chlorodyne

Coughs, Colds, Asthma, Bronchitis,

D. J. COLLIS BROWNE'S CHLORODYNE —Dr. J. COLLIS BROWNE (late Army Medical Staff) DISCOVERED a REMEDY, to denote which he coined the word CHLORODYNE. Dr. Browne is the SOLE INVENTOR, and as the composition of Chlorodyne cannot possibly be discovered by Analysis (organic substances defying elimination) and since the formula has never been published, it is evident that any statement to the effect that a compound is identical with Dr. Browne's Chlorodyne *must be false*.

This caution is necessary, as many persons deceive purchasers by false representations.

DR. J. COLLIS BROWNE'S CHLORODYNE —Vice Chancellor SIR W. PAGE WOOD stated publicly in Court that Dr. J. COLLIS BROWNE was undoubtedly the INVENTOR of CHLORODYNE, that the whole story of the defendant Freeman was deliberately untrue, and he regretted to say it had been sworn to.—*See The Times*, July 13, 1864.

DR. J. COLLIS BROWNE'S CHLORODYNE Is the TRUE PALLIATIVE in Neuralgia, Gout, Cancer, Toothache, Rheumatism

IS THE GREAT SPECIFIC FOR Diarrhœa, Dysentery, Cholera

THE ILLUSTRATED LONDON NEWS Sept. 22, 1866, says:—

"If I were asked which single medicine I should prefer to take abroad with me, as likely to be most generally useful, to the exclusion of all others, I should say CHLORODYNE. I never travel without it, and its general applicability to the relief of a large number of simple ailments forms its best recommendation."

DR. J. COLLIS BROWNE'S CHLORODYNE Is a liquid medicine which assuages PAIN of EVERY KIND, affords a calm, refreshing sleep, WITHOUT HEADACHE, and invigorates the nervous system when exhausted.

DR. J. COLLIS BROWNE'S CHLORODYNE Rapidly cuts short all attacks of Epilepsy, Spasms, Colic, Palpitation, Hysteria.

IMPORTANT CAUTION.—The IMMENSE SALE of this REMEDY has given rise to many UNSCRUPULOUS IMITATIONS. Be careful to observe Trade Mark. Of all Chemists, 1s. 1½d., 2s. 9d. and 4s. 6d.
