YORK COUNTY ...AND... SUBURBS

JEWISH MISSION HOUSE DEDICATED

West Toronto Branch of Toronto Jewish Mission Now Open.

WORK DONE GRATIS

Building Clear of Debt—H. Singer in Charge of the Work.

In spite of the inclement weather on Saturday afternoon, a large number attended the dedication of the new West Toronto Jewish Mission, on Maria street. Several visitors from different parts of the city who are interested in the work were present, and a number of ministers from Ward Seven churches assisted with the service. H. Singer, well known in connection with his evangelistic efforts among the Jews of "the Ward," and under whose control the work has been carried forward in West Toronto, was in charge, and addresses were delivered by the president, Wm. Brack; the secretary-treasurer, M. Metford; Rev. Mr. Dean of the Tabernacle Church; Rev. W. J. H. Brown, pastor of the Annette Street Baptist Church; Rev. T. Beverley Smith of St. John's Anglican, and others. The prayer of dedication was offered by Rev. Mr. Treleaven of the High Park Avenue Methodist Church.

The West Toronto Mission is a branch of the Toronto Jewish Missions, who purchased the brick house at 186 Maria street, in the very heart of the Jewish settlement, and presented it for use as a mission house. A committee of Christian workers was formed, some from every church in Ward Seven, as the mission is non-denominational, and the entire house was rearranged, decorated and furnished in such a manner that it may be used for meetings of all kinds. An electric lantern was donated and illustrated services will be held for the children of the district. All the work, electrical, decorative, carpentry and plumbing, was done gratuitously, and the mission stood clear of debt for the dedication on Saturday afternoon.

Matches Postponed.

The fifth annual inter-church games, which were to have been held on Saturday last, were postponed owing to the wet grounds. As yet the date has not been fixed, owing to the difficulty in securing the Lambton Park field.

The Knights of Malta of Ward Seven, headed by their uniform corps and the Orange Young Britons' fife and drum band, paraded from St. James' Hall, Dundas street, to service at the Davenport Methodist Church yesterday.

WOMEN MOLESTED IN MOORE PARK

New Hydro Lights Are Badly Needed in the District.

Residents in Moore Park are anxiously awaiting the installation of the electric street lights which are absolutely essential for the protection of pedestrians. At present the darkness is intense, especially in the wooded parts of the district, and objectionable characters have already made their presence felt, causing much uneasiness, particularly among the women.

A fine detached residence is just about completed on Pleasant avenue for J. G. Gladman of the Office Specialty Co. This house has been erected under the supervision of Denison and Stephenson, architects, and adds another to the number of high-class residences already in this vicinity.

The extensive rosary of Mr. John T. Moore will be further enlarged next year by the addition of three thousand rosebushes of select varieties, which have recently been ordered.

The work of cleaning the water mains has now been started.

While returning from Yonge street along St. Clair avenue Saturday morning the bicycle on which little Annie Gough was riding skidded and she was thrown heavily to the pavement. She sustained a sprained arm and a badly bruised head and had to be assisted to her home.

EARLSCOURT.

A very successful euchre party and social was held in connection with the building fund of St. Clare's Church, St. Clair avenue, on Thursday evening. A most enjoyable evening was spent by those present, and a good sum realized. These gatherings will be held every two weeks during the winter months.

The Bell Telephone Company are about to place a public call phone in the real estate office on the corner of Nairn and Morrison avenues.

The pupils of 1913 at Oakwood High School are contributing to the cost of a large painting which will hang in the hall of the school, pupils of Form 4 having already contributed. All the pictures in the school have so far been contributed by the board of education. Two other are to be sent this week.

Another red-letter day in the history of Earlscourt was Saturday last, when, for the first time, the city street cleaners to the number of ten were seen busily cleaning the streets north of St. Clair avenue. When it is remembered that less than twelve short months ago people had to plough their way thru mud over the ankles in wet weather, this is certainly an improvement. The streets almost to the city limits are completed now.

The enrolment of members for the Earlscourt District Voters' Association is assuming large numbers. There will be a meeting of the executive committee next Thursday evening, at 8 o'clock.

WESTON.

The Women's Institute and Local Improvement Society will hold the first meeting of the season in the town hall tomorrow at 3 p.m. After the general business of the meeting has been disposed of Miss Margaret MacMurchy will deliver an address on "Women's Share in Social Progress."

Miss Beatrice Delamere will sing two songs, and Miss Cotterill will be pianist. Miss Graeb of Weston will deliver a lecture on "Our Canadian Authors" at a meeting of the Westminster Men's Association tonight at 8 o'clock. There will be vocal and instrumental music during the evening.

Weston High School will play a Rugby match with Humberside Collegiate Institute on the lacrosse grounds at 4.30 this afternoon.

EAST TORONTO.

A new Conservaive Association has been formed in East Toronto. A. Johnson is president, and Stewart Toms is secretary. The first meeting will be held at Snell's Hall on Wednesday, the 15th, when several well-known speakers will be present to deliver addresses.

BETTER TRAIN SERVICE WANTED

Uxbridge, Stouffville and Markham to See Railway Board Today.

For some time past residents in Uxbridge, Stouffville and Markham have been complaining bitterly with regard to the passenger service on the Midland division of the G.T.R., and the boards of trade of the municipalities recently petitioned the Dominion Railway Board for an order compelling better service. The matter is listed to come up before the railway board at the city hall today when those representing the municipalities will be given a hearing.

NEWMARKET

Right Rev. W. H. Reeve, assistant bishop, preached at the morning service in St. Paul's Church yesterday, the rector conducting the evening service. A number of beautiful anthems were rendered by the choir. The rural deanery will meet in the church today and tomorrow, starting with a special holy communion service today at 3 p.m., which will be conducted by the Rev. Canon Walsh, B.D., of Brampton. There will also be a service of holy communion tomorrow morning at 8.30, and a women's meeting at 3.30, which will be addressed by Mrs. Sweeny, Mrs. Reeves, Mrs. Dykes and others. All are welcome to these services.

Harvest home services were held in the Methodist Church yesterday, the fine singing of the choir at the evening service being very much appreciated.

BRAMPTON

The stockholders of the Brampton Curling Club met in the clubhouse at Brampton for their annual meeting and election of officers. There was a large attendance, and everything points to a most successful season. Following are the officers: Patron, Mr. Jesse Perry; honorary president, David Kirkwood; honorary vice-president, Jas. Jackson; chaplain, Rev. J. Bruce Hunter; president, L. R. Halnan; vice-president, L. E. Terry; secretary-treasurer, Thos. Thauburn; managing committee, L. R. Halnan, L. E. Terry, Thos. Thauburn, Dr. J. G. Roberts, W. J. Fenton, T. H. Shields, James Birss; auditors, Dr. Roberts and T. H. Shields; representative to the O.C.A., Thos. Thauburn.

The executive committee of the laymen's missionary movement met and made final arrangements for the banquet on Nov. 7. Four hundred tickets have been issued for distribution thruout the county, and four prominent laymen from Toronto will address the gathering. An every-member canvass will be made in the first week in December.

The Young People's Association of Christ Church will hold a special meeting tonight for the installation of officers elected last Monday night, viz.: Patron, Rev. Canon Walsh; president, W. H. J. Tisdale; vice-president, Miss Stirk; secretary, Miss Rena Blake; editorial secretary, A. Rae; treasurer, Miss Edna Cook; executive committee, Mrs. R. G. Edwards, Miss Morrison, C. Charters and D. Post.

CLAREMONT

Curling enthusiasts are already looking forward to the winter games. A special meeting for all interested in curling will be held in the clubroom of the skating rink at 8 o'clock tonight.

Concert at Agincourt.

An entertainment of unusual excellence is to be given this evening in the new hall at Agincourt. The names of the artists are sufficient assurance that the program will be of the very highest class: Mme. Leonora James-Kennedy, soprano; Redferne Hollinshead, the celebrated operatic tenor; Miss Eva Galloway, pianist and accompanist, and Eugene Lockhart, the well-known entertainer and humorist. The concert begins at 8.15. Tickets 35c and 50c. It is safe to predict that this will be the best program of music and refined humor ever given in Scarboro. The large hall should be filled to overflowing.

NORTH TORONTO.

Quite a large number of North Toronto residents turned out to the ratepayers' meeting on Saturday night. The widening of Yonge street was the main topic, and D. D. Reid, who had attended the board of works meeting in the city when the matter came up last, was able to explain the financial aspect of the proposition to those present. While strongly in favor of the improvement he reckoned that a larger proportion of the estimated cost of the proposed widening of Yonge would be levied as a local improvement than in the case of St. Clair avenue west and Danforth avenue.

There was a good deal of discussion, which finally culminated in a motion approving the widening of the street. It was also decided that a deputation would attend the next meeting of the board of works and suggest that as Yonge street was practically a provincial highway the widening would be more of a general benefit than a local one, therefore a larger share of the cost should be borne by th city.

President E. V. Donnelly occupied the chair.

RICHMOND HILL.

There will be a meeting of the Epworth League tonight at which A. E. Lehman will give an address on the "Influence of Fiction." Visitors are specially invited.

TEMPERANCEVILLE.

Rev. J. W. Stewart of Aurora will address a meeting of the ladies of the Methodist Church tomorrow night on "Marriage, Before and After." Tea will be served at 6 o'clock.

Woodbridge Fair, Tuesday and Wednesday, Oct. 14 and 15. You will always regret it if you miss the big county fair at Woodbridge. Foothah, broncho races, three-year-old trot and pace, and school children events will feature the first day. On Wednesday, the second day, as usual, there will be something to interest you every moment, some of the events that deserve special mention being the ladies' driving competition, the harness horses, the Midway, the poultry exhibit, and the big entry of dairy cattle, fat cattle and sheep. Good racing is assured. Tottenham Band and Weston Prize Band will supply music on second day. Special trains will leave Union Station, Toronto, on Wednesday, at 10.40 a.m. and 12.30 noon, returning to Toronto at 5.38, 6 o'clock, 7.12 and 10.30, with good accommodation.

LARGE STOREHOUSE FIRE AT CALEDONIA

CALEDONIA, Ont., Oct. 11.—(Canadian Press)—Thousands of dollars' damage was done this morning by a blaze which broke out in the big storehouse near the Grank Trunk tracks, half of which was occupied by the Alabastine Company and the other half by the Shirra Milling Company.

The former company had 50,000 barrels of cement goods stored there and a lot of valuable machinery. This is practically an entire loss. It is believed that most of the grain stored by the milling company will also be a loss. The damage is only partly covered by insurance. The cause of the fire is unknown.

NEW CONTINENT IS DISCOVERED

Russian Explorers Find Large Body of Land to North of Siberia.

ST. MICHAEL, Alaska, Oct. 11.—(Can. Press.)—The Russian Government steamers Taimyr and Waygatch, under Commander Willitsky, which have been engaged in Arctic exploration north of Siberia for three years, arrived here today for coal. Captain Willitsky reports the discovery of a body of land as large as Greenland, extending beyond latitude 81 north and longitude 102 east.

STEFANSSON FORESTALLED.

NEW YORK, Oct. 11.—(Can. Press.)—The reported discovery of a new and extensive body of land in the Arctic recalls the theory of Dr. Rollin A. Harris, the tidal expert of the United States Coast and Geodetic Survey, that some such land existed in the unexplored regions north of Canada, Alaska and Eastern Siberia. It was to test the validity of this theory that Viljhalmar Stefansson started last summer on a three years' expedition into the Arctic.

Dr. Harris' theory was a deduction from tidal movements as observed by Arctic explorers for many years back and at many points within the Arctic circle. The despatch from St. Michael would indicate that the Russian explorers have skirted the supposed new continent from a point near that at which Stefansson hoped to find the land half way around to his starting point in Beaufort Sea. Dr. Harris estimated the extent of the land at about 500,000 square miles, and the statement of the Russian explorers is in substantial agreement with this.

CITY RESPONSIBLE FOR PRESENT HALT

Start on Joint North Toronto Station Awaits Street Widening Decision.

"Once again it is the city who is holding back the work on the new two and a half million dollar joint C. P. R. —C. N. R. North Toronto station," declared J. W. Leonard, of Montreal, assistant vice-president of the C. P. R., when seen by The World at the King Edward Hotel last night.

He stated that this time it was the proposed bylaw, re the widening of Yonge street to eighty feet, that was preventing a start being made on the station's construction. The revised plans made necessary by the change in the Yonge street subway depth had been obtained, and the matter now awaited the result of the street widening project. When that question was disposed of nothing stood in the way of a start on the work of construction.

Referring to Toronto's new big union station, Mr. Leonard said that the C. C. R. and G. T. R. engineers preparing the plans for this, had come to an agreement in the matter and that these plans would in all probability be ready to announce in about a week's time. With the approval of the city and railway board to the new plans obtained, a start on the work might be expected early in the year.
