TOO MUCH COMMON STOCK IS OFFERED

Buyers Pretty Well Filled Up With This Grade Just Now.

MARKET SLOW BUT FIRM

Strong Tendency Was Probably Due to Cooler Weather Conditions.

The receipts of live stock at the Union Stock Yards yesterday numbered 112 cars, including 1121 cattle, 234 calves, 867 hogs, 1359 sheep and lambs, and 683 horses for the allied armies.

Butchers' cattle.—The activity of Monday's market was lost yesterday because of the common grade of animals that were offered for sale. Buyers are pretty well filled up with this class of cattle as they have been in the majority for some time back. Good to choice butchers, 900-1100 lbs., light butcher bulls and good to choice butcher cows cover the demand. The market tho slow was firm with a strong tendency, probably due to cooler weather making an expected revival in meat trade and the Buffalo markets report of a firm trade on Monday holding steady on Tuesday. There were ten loads of western cattle on sale.

Stockers and Feeders.—Orders from Ontario points for good to choice stockers and feeders caused a slight activity in this division, this grade of animal being scarce here for some weeks. Shippers will find a good market at prices quoted for their best brands. At least one American buyer with several orders found them unfilled at the day's close.

Milkers and Springers.—Several cows sold at $100, 1 at $106, 1 at $108, 1 at $120 to local buyers; these were choice. Good cows run from $60 to $95. This market with figures to show maintains its firm tone and activity. The supply yet seems to be short of the demand.

Lambs, Sheep and Calves.—The quality of the lambs yesterday showed a slight improvement over Monday and light lambs found a stronger trade. Sheep were steady and also the calves with the exception of choice veal, which is a shade better than steady with light consignments. Grass calves continue to be slow sale.

Hogs.—The number of hogs continues to be considerably lower than at the corresponding time last year. Many buyers would take a lot more. Prices as quoted are firm.

MONTREAL GRAIN MARKET.

MONTREAL, Sept. 21.—Cables today on Manitoba spring wheat came stronger in some cases at an advance in prices of 4½d to 6d per quarter for nearby shipment, with a good demand from buyers and a moderate amount of business was done. Canadian Western No. 2 oats were offered in round lots of first half October shipment from Fort William at 44c per bushel c.i.f. without meeting with buyers. In Ontario and Quebec oats a small trade continues to be done for domestic account at steady prices. Flour is steady with a moderate amount of business passing in spring wheat grades for export, but the demand from local and country buyers is still rather disappointing. Millfeed is fairly active and steady. A fair trade was done in butter at firm prices. Cheese quiet. Eggs firm.

WINNIPEG WHEAT MARKET.

WINNIPEG, Sept. 21.—The wheat market opened strong, with offerings light. Exporters were good buyers of cash wheat. Millers were also heavy buyers of nearby stuff.

The cash demand for all grades of wheat was good, and offerings were fairly liberal. The premium for No. 1 northern was 9¼c over October for spot wheat and 7½c, subject to bills of inspection.

Demand for oats was good and for barley fair while flax was quiet.

Inspections on Monday, 1061 cars, as against 1302 a year ago. In sight today, 1250 cars.

Oats were firm. Flax opened ⅛c higher and held steady.

Wheat futures closed ⅛c to ⅛c lower; cash wheat ½c lower to ½c up; oats unchanged to ¼c higher, and flax ⅜c to 1¼c higher.

LONDON STOCK EXCHANGE.

LONDON, Sept. 21.—Financial London is eagerly awaiting the greatest budget in years and business is at low ebb almost everywhere.

Money and discount rates were quiet today. American exchange recovered sharply to $4.71 to $4.71¼ on the belief that the loan will soon be definitely settled. The stock market was dull and uninteresting, with the war loan the only active issue. American securities were only occasionally dealt in and closed uncertain. A few gold bonds were marketed.

LONDON METAL MARKET.

LONDON, Sept. 21.—Spot copper, £69 10s, up 10s; futures, £70 12s 6d, up 12s 6d. Elec., £87, up 10s.

Spot tin, £122 15s, up 5s; futures, £153 15s, up 10s.

Straits, £153, up 10s.

Sales, spot tin, 20 tons; futures, 60 tons.

Lead, £23, up 2s 6d.

Spelter, £65, off £1.

SETBACK OVERDUE.

J. G. Beaty 'ad the following at the close: A setback is overdue and would be welcomed by some of the bankers. The view is generally held, however, that the market will not be allowed to get out of hand while the big British-French loan is pending.
