Two Streams of Fans Invade Woodstock

Sarnia and London Will Both Have Special Trains—Londons To Play Different Game Tonight.

The fans of both Sarnia and London can be sure of one thing tonight, and that is that their journey down to Woodstock will repay them for the trip. Both teams are confident they can win tonight, and after two such games as they've put up, the claims of each are fairly justified.

The fans who have seen both games have no hesitation in saying that McAllister beat London in each case. The London Alerts will play a little differently tonight, if they follow out what has been drilled into them, and the Sarnia net minder should not be such a problem as he has been.

Have To Crowd.

The Sarnia defence succeeded Monday night in making the Londoners shoot from well out for the majority of their shots, because a couple of the London forwards were off color when it came to the close-in stuff. The locals haven't any doubt now as to whom they have to beat, and to perform the stunt they'll have to do some goal crowding.

The London special leaves at 7:05, G. T. R. Never in the history of London hockey have the fans been as well looked after on trips as this year, and tonight every care will be taken to make the trip a real joy jaunt. The ladies are being looked after, a special car having been arranged for them. The train returns immediately after the game.

SENIOR HEXATHLON STARTS TOMORROW

Success of Seniors Past Three Years Anticipated This Year.

The Senior "Y" Hexathlon events will be started tomorrow at the Y. M. C. A with the 60-yard potato race and the standing broad jump.

The London Hexathlon team has won this event three years in succession, and hope to repeat again this year.

Both London teams headed the Dominion last year, and this year's material seems better than ever, judging by some of the trials made.

The tests will be over by February 28.

ORDER TILLSONBURG-WOODSTOCK REPLAY

Referee Had No Right to Order Overtime in Semi-Final Play-Off.

TILLSONBURG, Feb. 15.—Although Western Ontario papers state on their sporting pages today that the Tillsonburg senior N. H. L. hockey team lost the round to Woodstock last night, such is not the case. At full time the score was 3 to 1 in favor of Woodstock, making the round tie, 5—5, but the referee ordered overtime, which was played under protest, Woodstock breaking the tie. The local management at once got in touch with the league officials and the tie has been ordered played off in the Ingersoll rink on Wednesday night. A large crowd of local fans will accompany the Pan Dreds, who are confident they can put away the Woodstock team, and it is likely the winners will meet Niagara Falls in the semi-finals with home and home games, goals to count.

WOODSTOCK DISPLEASED.

WOODSTOCK, Feb. 15.—Local fans did not take kindly to the decision of the executive of the Northern League that last night's game, in which Woodstock defeated Tillsonburg, 3 to 1, be replayed. Referee Lawry, who insisted that the extra time be played to declare a winner on the round, was appointed by the secretary of the association, and he should have been backed up by that body. However, the local management has bowed to the dictates of the executive, and will go to Ingersoll Wednesday night determined to put Tillsonburg Pan Dreds in the discard as far as this year's championship is concerned. It is expected 400 or 500 fans will accompany the team. Tommy Munro will referee the contest.

The Sarnia-London O. H. A. Intermediate semi-final play-off here tomorrow night promises to be just about the hottest piece of hockey handed out to the fans this season. Sarnia has sent along an order for a big block of seats, while the London management has asked to reserve 300 seats.

MIDGETS PILE GOALS AGAINST SEAFORTH

16 to 2 Score at Stratford Against the Northern Youngsters.

STRATFORD, Feb. 15. — Stratford Midgets trampled all over Seaforth in the third round O. H. A. tonight, piling up a 14-goal lead to take with them to Seaforth Friday night. Tonight's score was 16 to 2. This means that the Midgets will go into the semi-finals. The game was played on sticky ice, which slowed up the play greatly. After the first period the play began to lag, with the Midgets gradually piling up their lead. Five goals in the first two periods and six in the third was the way they came. Seaforth got one in each of the first two periods. Seaforth scored first, but Stratford came back and piled in six shots in about 40 seconds. Carson evened up, and then the Midgets struck their stride. Three goals ran in in not much over a minute. From then on it was easy sailing for the Midgets.

For the visitors Welland in centre was easily the pick. The Midgets were without Zimmer and Cooke tonight. The former is still laid up, and the latter was found to be over age. Robson was back on defence again.

How the goals came:

Stratford—Morenz 9, Carson 5, Roth 1, Robson 1.

Seaforth—G. Hayes 1, Kerslake 1.

The teams:

Stratford.		Seaforth.
Ruston	Goal	Stewart
Robson	R. D.	Reid
Roth	L. D.	Dudmore
Morenz	Centre	Welland
Carson	R. W.	G. Hayes
Richards	L. W.	Kerslake

Referees—Dot Reid, Seaforth, and Tod Edmunds, Stratford.

Garrison Five Trots Out New Men to Meet West Enders

Mascari On Forward Line and Art Smith Subbing Are Changes—Duffield Good For Hamilton Trip

Tonight's game at the armories will be the hardest test yet for the Garrison five, for in electing to mix in with West End seniors, they are taking on admittedly one of the fastest teams playing basketball in the Dominion. It will put the locals in great shape for their second game with Hamilton in the city under the mountain, Friday night.

The Toronto team have been for two years runnersup in the Toronto Senior League, losing each year to Central Y. M. C. A., by the small margin of two points. When Mel. Brock, the local defence man, was captain of the West End team 1913-14, he had on his team two players, Tait and McCausland by name, who are still playing on the Toronto lineup. Jack Tait will be known as the Canadian champion miler, and his speed on the basketball floor is very similar to that on the cinder path. He plays the same style game that Brock does, and it will be a treat for the fans to see these two old Olympic runners meet on different teams. The preliminary game between Hussars and the Western University seconds should be a hummer, as the former have augmented their lineup with several former Y. M. C. A. men, and hope to get revenge on the college boys for the trimming they handed to the cavalrymen some weeks ago. Billie Duffield's foot is still rather sore, so the local team are trying out several former intermediate players. They had a rattling good practice last night, and all are in good condition. There is 150 reserved seats on sale at Brisco's, and already there has been a big demand for them.

The line-up:

West End.		Garrison.
Fraser	Forward	Mascari
McCausland	Forward	McLean
Walker	Centre	Gillies

Tait	Guard	Brock

DR. SMATHERS' ASPROLAX NOW HAVING ENORMOUS SALE HERE

Thousands Now Using New Scientific Cold Remedy With Most Astonishing and Gratifying Results.

RESULTS FROM USE ALMOST IMMEDIATE

Druggists Instructed to Refund Money In Every Instance Where Satisfactory Results Are Not Obtained After First Few Doses.

The next time you have a cough or cold go to your nearest drug store and ask for a bottle of Dr. Smathers' Asprolax. Have the clerk open it on the spot, take a teaspoonful, repeat the dose in an hour and again the second hour. If you are not surprised and delighted with the results, then go back to your druggist and he will refund your money without question. Dr. Smathers' Asprolax is manufactured by a million-dollar corporation, composed of successful, level-headed businessmen, and the fact that they are willing to stand back of every bottle sold is convincing evidence of their absolute confidence in the preparation.

As recently announced, the Asprolax formula was perfected by Dr. J. W. Smathers, an American Physician and Pharmacist of thirty years' experience. In referring to his new discovery, Dr. Smathers said: "Ever since I first began the study of medicine I have realized the great need of a more efficient method of treating Colds, Bronchitis, Croup in children, and kindred disorders. The trouble has been that most people invariably treat the symptoms and not the cause. Most people nowadays when they have a cold simply take Aspirin. Plain Aspirin never did, and never will, cure a cold. It relieves the symptoms momentarily and alleviates only. Others take nauseous doses of Quinine and violent purgatives, which often upset the system to such an extent that the treatment is worse than the disorder. Still others use cough remedies and expectorants, which afford only temporary relief.

"My new formula, Asprolax, not only relieves the symptoms, but the cause as well. It is a combination treatment, and acts as an anti-pyrectic, which reduces the fever and relieves the feeling of distress and discomfort; an Expectorant which loosens the phlegm, relieves congestion and stops the cough; a Laxative which opens the bowels, and an antiseptic which retards germ growth and checks the spread of the infection. Those who have taken Dr. Smathers' Asprolax find it difficult to describe the wonderful feeling of relief and exhilaration they experience. The volatile parts of the solution penetrate deep down into the air passages. The head is unstopped, sneezing, sniffing and coughing usually cease at once, and headache and other distressing symptoms almost invariably disappear with the first few doses. Only one bottle is usually sufficient to break up the most obstinate cold."

This new scientific discovery is rapidly becoming the sensation of the drug trade in Canada, and thousands are now using it with the most astonishing and gratifying results.—Advt.

DRUGGISTS HAND PERRINS FIRST DEFEAT OF SEASON AND McCLARYS BEAT TRUNKS IN OVERTIME GAME

Former Now Only Undefeated Team — McClarys and Grand Trunks Tied Three Times in Great Pastime.

MANUFACTURERS' LEAGUE.

	W.	L.	For.	Agst.
Standard Drug	5	0	12	6
Perrins	4	1	19	15
McClarys	4	1	17	11
Grand Trunk	3	2	16	14
Bell Telephone	2	3	8	10
Civil Service	1	4	14	13
Taylor-Campbell	1	5	9	15
Terry's Garage	0	4	3	12

Standard Drug stepped well to the forefront last night in the Manufacturers' League by beating Perrins for their first defeat of the season on a 3 to 2 verdict. Grand Trunks lost an overtime battle to McClarys on a 4 to 3 score.

The first game, between Trunks and the Stovemen, was a merry battle all the way, with the score tied three times during the session.

Trunks had it 1 to 0 at the end of the first period. In the second McClarys came back with two counters against one for the railwaymen. The teams went scoreless in the third, making the overtime call necessary. McClarys scored first, but the Trunks came back with a tieing tally. McClarys repeated again in the second overtime period and this time held off the heavy attack of the Trunks.

Buchapan and Campbell brothers were the stars of the winners, with Watts in goal doing a good evening's work. Pring for Trunks had a hand in every goal, with Connors and Lamont second string stars.

The line-up:

Grand Trunk (3)—Goal, Lamond; defence, Pring, Connors; forwards, Gowanlock, Hodgson, Goddart; sub, Hicks.

McClarys (4)—Goal, Watts; defence, Buchanan, Delaney; forwards, R. Campbell, Andrews, Campbell.

Referee—Jack Greer, Hermitage.

Spotless Druggists.

The Druggists are now the only outfit without a smudge on their escutcheon in the Manufacturers, though Perrins threatened for 60 minutes last night to put one on. Lochead was off the Perrin line-up, which weakened the defence a heap, and Chantler couldn't stop them all. E. Brown opened the scoring for the winners in the first period. Perrins went ahead in the second spasm, when Mays got two by Baker. Brown came back again with the tie-up tally in the third, and Doble notched the last counter.

The teams were:

Perrins (2)—Goal, Chantler; defence, Dickson and McNeill; forwards, Drinkwater, Kenney, Mays; sub, E. Clarke.

Standard Drug (3)—Goal, Chantler; defence, E. Brown, Manning; forwards, Crittle, Doble, McKay. Subs, G. Brown, Connors.

Referee—Jack Greer.

PRESTON KIDS PLAY 3-3 TIE AT ST. MARYS

St. Marys Had Better Combination, But Hard Luck on Goal.

ST. MARYS, Feb. 15.—In the fastest, cleanest game of the season here tonight the home team and Preston played a tie, 3—3, in the junior semi-finals. St. Marys had it on the visitors as far as combination went, but both teams played fast, snappy hockey that delighted the large crowd of spectators.

The first period ended with neither team having tallied. In the second period Roth of Preston sent one through, and a moment later Yates scored the first goal for St. Marys. W. Louch shot another soon after.

In the third period Scott for Preston did great work. Two minutes after play started he scored on a clean shot, and five minutes later repeated the trick. W. Louch for the home team sent one through, tieing the score.

The return game will be played at Preston on Saturday night.

The line-up tonight was as follows:

St. Marys.		Preston.
Langford	Goal	Rogers
Neuman	R. D.	Clarke
Yates	L. D.	Skelly
W. Louch	Centre	Scott
Hobbs	R. W.	Kress
D. Louch	L. W.	Roth

ISSUED FALSE PASSPORTS.

Budapest, Feb. 16.—On complaint of the United States passport office here that hundreds of Hungarians had obtained vises by means of false documents setting forth that the holders had not fought against the Allies, the local police today arrested several representatives of a bureau that is alleged to have supplied the false papers for a thousand crowns each. The suspicions of the United States officials had been aroused by the fact that the same signatures were found on many different documents. The holders of such papers have been barred from traveling to the United States.

GALT DECIDES ARENA NEED, BUT NOT ROUTE

Enthusiasm Marks Meeting To Discuss Project.

GALT, Feb. 15.—At a largely attended representative and enthusiastic public meeting held this evening at the city hall to discuss the proposition of an arena for Galt, steps were taken to go fully into the matter, a resolution being passed instructing the chairman, W. W. Wilkinson, president of the G. A. A. A., to appoint a special committee to get details as to the cost of an arena with and without an ice plant, and location, and to report back to another public meeting. The meeting was unanimous in one regard, and that was as to the necessity of an arena, and the only doubt felt was as to whether now was the opportune time to undertake such a proposition. The majority of the speakers favored a general campaign to raise the desired amount. Coach Percy Leseuer, asked as to his opinion, said the fact that the present team played better hockey away from home on account of the larger ice surfaces, was evidence alone of the necessity of a good rink. From his experience he was satisfied Galt has the hockey material which, with good accommodation, would develop and put this city on the hockey map. He had no doubt as to the success of an arena here.

TWO CITY LEAGUE SERIES TIED UP AT WOODSTOCK

WOODSTOCK, Feb. 15.—The City Hockey League concluded its schedule here tonight, but the count is tied in both the senior and the junior series. The collegiate juniors tied with the Hooks and thereby tied the St. Marys kids for first place. The Beavers walloped the College Avenue six, 1 to 0, in a fast game and tied things up. The play-offs will be staged shortly.

Ice Good at First, But Sticky During Day—Better Weather Likely.

OWEN SOUND, Feb. 15. — With 57 rinks on its entry list the biggest on record, Owen Sound bonspiel opened this morning under very favorable weather conditions, but just when the curlers were beginning to feel that everything would be lovely, the weatherman changed his mind, and this afternoon on some of the rinks the game was more like water polo than curling.
