HIGH SCHOOL EXAMINATIONS.

Report of the Educational Council on the Result of the First Form Examination.

The following report of the Educational Council on the result of the First Form examination in the High schools of Ontario was handed out by the Education Department last evening.

The marks of unsuccessful candidates will be sent to High school principals or Public school inspectors after the results of the other Form examinations have been published.

It is expected that the results of the Second Form examination will be announced in about two weeks.
