PURE COD LIVER OIL.

THE Subscribers have the honor of announcing to the Gentlemen of the Medical Profession, that they have been appointed AGENTS for the Sale of COD LIVER OIL, from the highly respectable House of RUSHTON, CLARKE & Co. of NEW YORK, and are now prepared to furnish such as may honor them with their orders with an article of undoubted purity.

Messrs. Rushton, Clarke & Co., in order to obtain this Oil in its entire purity and freshness, have established two Manufactories on the New England coast, and one at Newfoundland, where the article is manufactured from fresh Livers by persons especially employed by R. C. & Co., and generally under the personal inspection of one member of their Firm. The great care they have taken in the manufacture of this article has been attended with commensurate results, as may be known from the facts, that their sales of this article, for the last two years, have exceeded that of any other House on the Continent of North America, and have obtained the confidence and approval of the Medical Profession throughout the United States.

The Subscribers, wishing that the Canadas might have the advantages of procuring this valuable medicine in a state of purity, and from a source perfectly reliable, have undertaken the Agency of Messrs. R. C. & Co., with a desire of imparting confidence in an article of such importance, now of such value to the patient, and importance to the Physician.

Prices moderate. Pamphlets on the uses and mode of administration of Cod Liver Oil may be had gratis, by applying to the Subscribers.

DR. SHERWOOD'S GALVANIC EMBROCATION—It is now generally admitted by the learned and scientific, that the mysterious power called *Galvanism* or *Magnetism* is, in fact, the principle of Vitality or Life, and that disease in many of its most painful forms, is entirely owing to the absence of this Galvanic or Magnetic power in its healthy proportions. If, then, we can readily supply this wonderous Power, when it is thus deficient, we can successfully combat disease, and this has been fully and perfectly attained by this most wonderful scientific discovery, of combining Magnetism or Galvanism with a Fluid which has cost the inventor of this Remedy years of study and labor.

There is not an intelligent physician, who has kept pace with the progress of science, that does not readily approve of the use of the Magnetic power in various diseases, and there is scarcely a medical journal, either in this country or in Europe, which makes its appearance without the statements of various cases, showing some new effects of these wonderful agents, or corroborating previous experience of their beneficial use. The inventor of the *Galvanic Embrocation* has great pleasure in being able to state, that a majority of the most distinguished physicians of New York constantly recommended this Embrocation in their practice, and from many of them he has received the kindest testimonials of approval and commendation.
