GREEKS AND HOULTON SPLIT; F'TON WON DOUBLE HEADER

In the vicinity of three thousand people attended the baseball games on the Marathon grounds yesterday morning and afternoon. The morning battle was captured by Houlton by a score of 7 to 0, while the Greeks went after the Maine boys in the afternoon with a vengeance and trounced them to the tune of 13 to 2. There was some heavy hitting in both games, the Houltons getting the bulk of the hits in the morning. And while they found Winter for ten safe ones, one of these being a home run by Martini in the fifth inning, the score against the Greeks would not have been so large had the fielding been done better. Winter pitched a steady game of ball throughout, having eight strikeouts to his credit.

Martini was in the box for Houlton, and he had the Greeks guessing all through. He was only found for three hits in the game and managed to strike out seven men.

In the first inning Neptune opened with a two bagger. Johnson struck out. Iott hit a long fly into Fraser's hands but the fielder appeared to be bothered with the sun and he dropped the ball. Hughes hit out to first base. Then came Martini with a two base hit to right field, scoring Neptune and Iott. L. McElwee flied out to right field and retired the side.

The teams were blanked in the second and third innings.

In the fourth inning Houlton managed to make three singles and a two base hit and netted three runs.

In the fifth inning Martini's home run over the left field fence, which was the first homer made by a league man on the Marathon grounds this season, and it gave the visitors their sixth run.

There was no more scoring until the last inning when Houlton made their seventh score. Neptune opened with a two base hit to left field and advanced a base on Johnson going out short to first. Hughes went out short to first and retired the side.

The Marathons only got three men as far as second base during the nine innings.

The following is the box score and summary of the game.

AFTERNOON GAME.

The large crowd who attended the afternoon game witnessed something in baseball that has probably never been seen before on a local diamond, and that was a team having 15 men to bat in one inning, making ten hits for a total of 17 bases, and netting twelve runs. That is what happened in the second inning and it was thought by the fans that the Greeks would never get out. The Marathons had the Houlton men in every way and made no less than 13 runs in the first and second innings.

The two runs made by Houlton were in the fifth inning, two singles and two errors being responsible.

In the first inning Finnamore dropped a fly and allowed O'Brien to reach first safe. Winter sacrificed and placed O'Brien on third and he scored on Fraser's single to left. Fraser was caught trying to steal second and Pinkerton went out short to first.

In the second inning O'Donnell opened with a three base hit to right field. Dutton beat out a bunt to pitcher. McGovern followed with a two base hit to right scoring O'Donnell and placing Dutton on third. Riley followed with a single to centre and scored Dutton. O'Connor was next with a safe one to centre scoring McGovern and Riley.

Urquhart was in the box and he was being pounded so freely that Captain Iott sent him to the bench and went in the box himself, while Martini was sent to play the first bag. The first man to face Iott's pitching was O'Brien and he hit the ball on the nose and landed it into left field for two bases and scored O'Connor. Winter beat out a bunt to the pitcher and placed O'Brien on third. Fraser flied out to shortstop. Pinkerton drew a base on balls and the bases were filled. O'Donnell came to bat for the second time in the inning and he slammed the ball out to right field for two bases and scored O'Brien and Winter while Pinkerton romped to third on the hit. Dutton hit one which went through Martini at first and Pinkerton scored O'Donnell and Dutton. Riley followed with a two base hit to centre field and scored McGovern. Then came O'Connor who hit to McElwee at third who missed and Riley scored. O'Brien hit to pitcher who threw Riley out at second and a double caught O'Brien at first and the agony was over.

The Marathons failed to score after this inning although they hit Iott quite hard. In all the Greeks made 14 safe hits for a total of 23 bases during the game.

O'Connor was the pitching artist for the Marathons and he was only found for seven safe hits, one of them a two bagger.

The following is the score and summary of the game:

FREDERICTON WINS TWO GAMES.

Special to The Standard

Fredericton, Sept. 2.—Fredericton won a couple of games from the Woodstock Colts today, making a clean up of the holiday attractions. The morning game was more or less of a joke, Fredericton winning by a score of 18 to 4, but this afternoon's game was one of the best watched here this summer, Fredericton winning out by a score of 2 to 1, in the tenth inning.

Capt. Bob Ganley and the local management patched things up this morning, and the old boy was in charge of the team as usual and played sensational ball, stealing home in the opening inning of the afternoon in one of the finest plays pulled off here this season.

Joe Lynch pitched the morning game and until Fredericton had the game on ice he had the Woodstock batters up a tree. In the first three innings he struck out eight men, then he let up and in nine innings allowed but six hits, four of which came in the last two innings when there was no doubt as to the outcome.

Woodstock's new pitcher, Dorsey, of Lynn, Mass., broke in this game and lasted a short time. He pitched to four batters, one of whom got a hit, while the other three got bases on balls. Then Outfielder Bobby Black went into the box, and 25 hits were made off his delivery, a good many of the hits, however, being long drives to right field, where Dorsey spent the rest of the game, chasing the leather like a Marathoner. This afternoon Dorsey wasn't even put in uniform, having about as short a career in the league as any of the many busted phenoms.

Frank Harrington started to pitch for Fredericton in the afternoon game, but wasn't feeling right and retired at the end of the first inning with the score tied. Frank Hale took his place on the mound, and pitched one of the best games seen here this year, allowing only six hits, giving only one base on balls, and showing fine ability in pinches, while the way he fielded his position was one of the features of the game.

Henley was on the mound for Woodstock and he also pitched good ball, but weakened in the last inning and was bested by Hale, who had better control.

Woodstock got their lone tally in the opening inning. Black bunted down the third base line and got a scratch hit on it, as Bob Conley slipped and fell just as he was about to field the ball. Williams sacrificed Black to second, whence he scored on Perley's double after Nelson struck out.

Fredericton evened up in a hurry. After Ramsey struck out Bob Ganley hit to left field and hurried along to second when Perley fielded the ball slowly, and kept on to third when Perley threw badly to second, and then scored on a perfect steal home. There was no more scoring then until the tenth inning, although Fredericton had two men nipped at the plate in the eighth inning, and one in the fourth. After the second inning not a Woodstock player reached second base until the tenth. Then with one down Callahan hit a safety to right. Duff drew a base on balls and both advanced when Doherty hit to Ramsey, who passed up a chance to get one of the advancing runners, and threw Doherty out at first. Hale fanned Hanley, and the Colts' only chance to do anything was over.

Bob Conley who had a perfect batting average with five bases on balls, and six hits in the two games, scored the winning run. He drew a base on balls, was sacrificed to second by Larry Conley, went to third when Williams dropped Murray's infield fly back of third base, the rule retiring the batter, and with Wildes at the bat, scored on a passed ball when Nelson failed to get one of Hanley's low ones.

SPORTS AT HAMPTON A SUCCESS

Special to The Standard.

Hampton, Sept. 2.—Labor Day was celebrated here by a picnic under the auspices of the Hampton Curling Club held at the rink and grounds. The weather was fine and particularly adapted for outdoor sports of which there was quite a variety, with handsome prizes for all competitors, besides sundry guessing contests, rifle shooting, ball throwing, die casting, wheel of fortune and other games with well patronized refreshment booths. There was a series of well contested races and athletic exhibitions.

The 100 yards dash was won by Principal A. J. Brooks with Harry Evans second.

In the 220 yard race A. J. Brooks was first and Percy Giggey second.

In the 440 yard race P. Giggey was first and A. J. Brooks second.

In the pole vault Matthews first, A. Seely second.

The broad jump was won by A. J. Brooks, with 21 feet, Harry Evans second with 18 feet 6 inches. A. J. Brooks also won out first in the high jump with Mathews second.

The shot put was won by A. J. Brooks with a throw of 35 feet 9 inches; followed by P. Giggey with one of 35 feet 8 inches.

There was a good show of entries in all the numbers and the liveliest interest was taken by the crowds of ladies and gentlemen present. A splendid supper was served in the rink by the ladies' curling club from 5 to 7 o'clock, after which a mouster bonfire was lighted on the hill and after the large number of prizes was presented to the winners, there was dancing till a late hour, on the platform erected for the purpose.
