SPIRIT OF THE TIMES.

The Ring.

THEY'RE READY FOR BATTLE.

NEW ORLEANS, La., Jan. 13.—Not since the great fight between Sullivan and Kilrain has there been such a gathering of sporting men from all parts of the United States as throngs the corridors of the hotels tonight and makes lively the many brilliant resorts of the Crescent city.

Everybody is talking fight, and Wednesday evening can hardly come too soon to please these enthusiasts, many of whom have travelled 2000 miles to see Dempsey, the Nonpareil, battle with Fitzsimmons, the antipodean, for the purse of $12,000 and the halo that accompanies in the shape of the middleweight championship.

The whole city is alive with interest, which increases hourly, now that both Dempsey and Fitzsimmons are within its gates. The betting, which was 11 to 10 in favor of Fitzsimmons up to three or four days ago, has taken a veer, now that the Nonpareil's devoted followers are here eager to plank their ducats on the great middle-weight, whose fame is unsmirched save by the single defeat at the hands of La Blanche, for which his friends are very ready to furnish an excuse—and a plausible one at that, as everybody conversant with the facts must acknowledge.

Money has gone up on all hands and is still going up. Dempsey being the favorite, and there is a story going the rounds now that Jimmy Carroll, who is training Eitzsummons, knows in his heart that his protege has no business with the Nonpareil, but that the cunning Carroll is going to back Dempsey and thus make a sure winner, beside getting a percentage over and above $20,000 taken in at the gate. This is highly improbable, as Carroll is devoted to his man and has worked like a slave to have him fit to battle for a kingdom.

Dempsey is in perfect shape, and there will be no fault found if victory does not perch upon his banner. He is stronger than ever, he declares, and will fight at 152 pounds. Of course he acknowledges that he is handicapped by the size of the gloves. His face is ruddy, and the clear eyes bespeak vigorous health and an unimpaired digestion. He will remain in partial seclusion up to the hour he enters the ring. His old second, Denny Costigan, is here, and, after looking at Jack, his joy was unbounded. He cannot see how Dempsey can be beaten.

The Olympic Club has everything ready for the mill, and if present plans are adhered to, everything will pass off smoothly. The club will, from present indications, clear $20,000 on the mill, as the four thousand seats have been taken at $10 each.

When stripped Fitzsimmons shows that he is in the pink of condition. He is singularly built, having the arms, shoulders and chest of a heavy-weight, with small legs, which look much too light to support his body. But any man who can run 10 or 12 miles and do what Fitzsimmons has done subsequently is all right in his underpinning. His muscular development, particularly on chest, shoulders and back, is abnormal, taking the rest of his physique into consideration. The arms are very long, and show plainly the early training they received at the forge. The wrists and hands would do credit to Sullivan.

Fitz is overflowing with confidence, and Dempsey, in Carroll's estimation, will not have a ghost of a chance to thrash his protege.

The men face each other to-night.

THE PRESBYTERY MEETS

And Rev. Dr. MacDougall is expelled from the Presbyterian Church—Other Business.

The St. John Presbytery met yesterday morning in the parlor of St. John's church, Rev. G. Shore in the chair. The case of Rev. Dr. MacDougall was taken up. A letter was read from him stating that he had not been recognized by the Presbytery for fourteen months, and that he was working apart and independent of all Presbyterian authority. Considerable discussion ensued and the matter was laid aside to be taken up at the evening session.

The committee to whom was referred the claim of Mrs. Blair, widow of the late Rev. J. B. Blair, against the congregation of which he was the late pastor as referred to in letters of Mrs. Blair submitted to the said committee, reported that they could not recommend any payment beyond what is acknowledged by the congregation, namely, the sum of twenty-five dollars, and asking the clerk of the presbytery to urge the payment of the amount forthwith to Mrs. Blair.

The report was received.

A call from the Presbyterian church of St. Stephen to Rev. John Anderson of East Williams, Ont, was sustained.

A memorial from the congregation of the Carleton church was read, asking for assistance to the extent of $210 from the home mission fund to aid them in paying off an indebtedness contracted during the late vacancy. Referred the matter to the mission board.

A memorial was read from St. David's church asking the presbytery to consent to the church procuring from the legislature power to issue debenture bonds to the extent of not more than $15,000, bearing interest at the rate of five per cent., to enable them to pay off the indebtedness of the church, some $8,000 and make some necessary alterations and improvements. The memorial was approved of and sanctioned.

EVENING SESSION.

The MacDougall matter was discussed for about an hour, and finally a resolution was adopted as follows:

Whereas, Archibald MacDougall, B. D. Ph. D., formerly minister of Calvin church in this city and still resident within the bounds of the presbytery and subject to its jurisdiction, has publicly stated that he holds views that are gravely at variance with the doctrinal standards of the Presbyterian church in Canada, and has also refused to acknowledge the authority of this presbytery:

Therefore resolved that the Rev. Archibald MacDougall, B.D., Ph.D. be declared no longer a minister or member of the Presbyterian church of Canada, and that the notification of this fact be sent to Presbyteries.

Several other matters were taken up—one the claim of Mr. Grierson who was in the employ of the home mission committee. It was referred to that committee to be dealt with.

SCHOOL TRUSTEES MEET.

Ald. Connor Welcomed—An Offer from the Natural History Society—Building Changes—Transfer of Teachers.

The regular weekly meeting of the board of school trustees was held last evening, chairman Thorne presiding. The announcement from the Royal Gazette reappointing H. J. Thorne and M. Coll and the appointment of John Connor was read and these members took their seats.

The chairman welcomed Mr. Connor to the board as a new member in a brief speech, and the latter replied.

The resignation of Miss Isabel Humphrey, one of the reserve teachers, was accepted.

A letter was read from the secretary of the Natural History Society, offering for the use of the schools a number of birds from their collection.—The offer was accepted with thanks.

The committee on buildings reported that they had received a claim from William Cain for compensation for damages for an overflow of water into his premises.—The matter was referred to the chairman and Messrs. Peters and Coll. They further recommended that the roof of the new building on Douglas avenue be raised, and that an office boy be employed during the winter months.—Adopted.

On motion the former order of the board that no prizes be competed for in the schools was repealed and the whole question referred to the committee, teachers, to report at the next meeting.

The officers were directed to prepare a summarized report of the work for the year for the chief superintendent, and to present their full annual report for consideration at a special meeting.

The superintendent reported that all the schools were reopened on the 5th inst., except the Britain street school, which was closed on account of the prevalence of diphtheria in the P. O. institution. The attendance at the schools was excellent and this was especially so in the primary schools where one session has been established. Miss Maggie Gray was transferred to the lowest department of the Peel street school. Miss Clara Williams to the third department and Miss Maud Wilson to the second department. Mr. Harrington took his place as principal of St. Peter's hall school, and Miss L. M. Busby, Mrs. W. C. Drury, Mrs. R. P. Starr, Mrs. T. R. Jones, Mrs. Shaw, Mrs. Harris Allan, Mrs. Barclay Boyd, Mrs. Brock, Miss Wright. The sum of $500 was voted towards the purchase of a chime of bells, and $50 for home missions.

William O'Brien, who claims to belong to Marysville, N. B., entered Kelly's hotel, in Bangor last evening, in an intoxicated condition, and stabbed Mrs. Kelly twice in the hand with a big jackknife. He stabbed Arno Cummings, cook, who tried to stop him, in the shoulder, and attempted to stab him in the stomach. Cummings wound is quite bad. O'Brien was arrested. He had just arrived from Texas.

Says the Halifax Mail:—The St. Louis friends of the late M. H. Phelan, for some time U. S. consul general at this port, have started a movement to place a bronze bust of the deceased gentleman in the halls of the Missouri historical society. The work will be done by a celebrated German artist and will be finished by the first of April. Mr. Phelan was a Cape Bretonian.

In Maine.

One of the finest and largest sets of moose antlers ever seen in Bangor, was on exhibition at the rooms of S. L. Crosby & Co. this forenoon. The animal was shot in the Dead River region by Mr. E. A. McKennedy, of Auburn, and the longest stretch between the antlers measured 52 inches while they had a blade 15 inches wide.

The Aroostook Democrat estimates that over $100,000 will be paid out for what corn is used in that county this season. This is quite a big hole in what the county will receive from its potato crop, and would be much better kept at home, if possible. Some of the progressive Aroostook farmers ought to see to it that these figures are reduced in the future.

While Robert Sherrard, the well-known mail carrier between Eastport and Pembroke, was on his route the other day, a couple of deer, an immense buck with high and widespread antlers, and his mate, came out of the woods, and following behind Mr. Sherrard's team, had a considerable feed from the straw in the bottom of the pung before he was aware of their presence. Messrs. Wheelock and Charles Hersey, of Pembroke, who were driving home to Eastport, came up with the mail stage and the deer started ahead, traveling a half mile or so along the road before taking to the woods again. Mr. Sherrard had a narrow escape. The deer might have bitten him and the law is such that he could not have defended himself.

Killed by a Bridge.

Yesterday's Boston Herald contains the following:—

Fred A. Dodge, a brakeman on the 11.40 P. M. outward bound freight train on the New York & New England railroad, was struck by the bridge at Mt. Bowdoin last night and almost instantly killed. Dr. Bryer was called, but the unfortunate man was beyond human aid when he reached the spot. The body was delivered to Undertaker Gleason and Medical Examiner Draper notified. Dodge was 21 years old, and boarded with a Mrs. Flynn, on Essex street.

The unfortunate young man was a son of Mr. James B. Dodge of Lakeside, N. B.
