Gentlemen:

Your favor of the 6th inst. received this noon and in accordance with the instructions contained therein, we immediately mailed you plates of the three advertisements Nos. 148--138--144. We trust that they will reach you intime for holiday business.

We think you as well as the Colonist Press are to be congratulated on the Christmas booklet. The half-tone illustrations are exceptionally well done, the grouping being unusually artistic--in fact. we havent seen anything equalling our own work in this respect before, and it is inded refreshing to have this come to our notice. They are simply fine. The letter-press is equally good. If we had made up the job we wouldnot have used the "Bradley" series in conjunction with another display face. We should have confined the display to one series.

The Colonist is certainly a well equipped office; their newspaper shows it. It is one of the best printed papers that comes to this office.

Extending you our best wishes for a satisfactory holiday business, we remain

Very truly yours,

THE O'GORMAN AGENCY.
