ST JOHN, N. B., July 23, 1849.

Dear Madam,—In justice to you, and that the afflicted may know the great benefit derived from the use of your justly Celebrated Dinner Pills, I send you the following statement:—

My wife was afflicted with the Dyspepsia for one year, and tries many years, and tried various remedies that were recommended, but nothing did good until a friend told her to try your Pills, which she did, and after taking one box found so much relief that she continued to take them for four months, and now she is really in as good health as she ever was. And for myself, I had a cough for four years, and constant pain in my breast; I was also troubled with hemorrhage for upwards of nine months. I tried almost everything, but no cure was effected; until I used your Pills, which I have been taking for three months, and I have neither pain nor cough, and enjoy as good health as ever I did, and allow me with due respect to remain

Yours, very thankfully,
JOHN FREDERICKSON.

A SONNET.

"A vast multitude was incessantly passing down King street, because the myrmidons of the law permitted them not to stand on the street corners."—BECKFORD.

I sometimes dream, when shutting both my eyes,
That I, sometimes, especially when I sleep,
And when I've dreamed enough, I always rise
And ope my eyes no longer vigil keep.

With *Thomson's Eye Wash* for optics sore,
I bathe my eye-lids when I feel the pain,
And suffer ills and anguish nevermore;
But if I do, I bathe them o'er again.

And *Quaker Bitters* do I drink to kill
Dyspeptic aches, Yellow Jaundice dire,
A sure relief is it from every ill:
Consumption's cured, likewise the hectic fire
Which burns the heart and eats the ebbing life away,
And soothes the troubled spirit with its painless lay.

TO THE PATRONS OF THE

"American Gallery,"

(RECENTLY DESTROYED BY FIRE.)

THE proprietor of the late rooms will again appear before the public in a short time, at or near the Old Stand, as may be most suitable for a superior Photographic Light, with everything of the most modern apparatus pertaining to the art. Those friends who secured only portions of their photographs may sit again, and have the full number of their first, and the advantages of the newest improvements. He would also desire to return his grateful thanks to those sterling friends who rescued his wife and children, and portions of his effects from the building, not forgetting those private friends who temporarily bestowed the kindest attentions on himself and family.

Most respectfully,
feb 11 1i *CLIMO.*
