WEDDING IN FAIRVILLE

A very pretty wedding took place on Wednesday evening in the Fairville Baptist Church when Miss Bessie F. Sherwood and Richard Peer of Carleton were united in marriage by Rev. H. R. Boyer, pastor of the church. The bride looked charming in a dress of cream satin with lace and net trimmings and a large picture hat to match. She carried a boquet of orange blossoms. She was given away by her father. The weding march was played by Miss Donaldson, organist of the church. After the ceremony the bridal party drove to the home of the Brides' parents where a wedding supper was served. Mr. and Mrs. Peer afterwards drove to their new home at 221 Prince street, West End. Both the bride and groom received numerous presents of cut glass, silverware, etc.

BLACK HAND OUTRAGE

Wheeling, W. Va., Oct. 10—Four persons are believed to have perished at Benwood, a suburb, early today as the result of a blackhand outrage, when a big frame tenement housing forty persons, was blown up, and taking fire was consumed. The house was conducted by Edward Kolinskey, who, with his family and a large number of boarders, were asleep at the time.

BORDEN CABINET SWORN IN

Ottawa, Oct. 10—Premier Borden and his ministers drove to Rideau Hotel at noon today and in the presence of His Excellency, Earl Grey were sworn in by Rudolphe Boudreau, clerk of the privy council. The ceremony took place in the large reception room and was the final official act of Earl Grey in Canada, as he will leave at 5 p. m. for Montreal en route to England.

Two oaths were administered, the oath of office and the oath pertaining to the various portfolios. Premier Borden was sworn in first and then his colleagues. Earl Grey extended his congratulations to the various ministers. After the oaths had been administered the new ministers proceeded to their respective departments.

At the first cabinet council, to be held this afternoon, it is expected dates will be fixed for by-elections. It is not expected that much business will be transacted by the new government in the next fortnight.

On Thursday the ministers will all go to Quebec to extend a formal welcome to the Duke of Connaught. They will not be back in Ottawa until Saturday afternoon.

Early next week they will doubtless go to their constituencies, where they will likely remain until after the by-elections. As none are likely to be opposed, they should all be back in Ottawa and ready for business in about a fortnight.

CARLETON COUNTY CASE

Before Justice McLeod this morning the case of Clifford M. Jack, doing business under the name of the Nova Scotia Fertilizer Company, vs. Robert H. Kearney, Frederick A. Kearney and Robert Kearney was heard. It is an action to set aside a deed as fraudulent and void against the creditors.

The defendants reside near Woodstock. In 1909 one of the defendants, R. H. Kearney, purchased fertilizer from the plaintiffs, which was used on the homestead farm. For it he gave a note. In 1909 after the fertilizer was bought, but before the note was given, R. H. Kearney conveyed the farm to Frederick A. Kearney, who conveyed one half of the property to Roy Kearney. The plaintiffs claim that this conveyance is fraudulent. The defendants claim that the deed is good and valid as being made in pursuance of a family arrangement by which Frederick A. Kearney deeded another property to which he held the title to his brother James Kearney, receiving in exchange the property in question. M. G. Teed appeared for the plaintiffs and Hon. W. P. Jones for the defendants. The case is being continued this afternoon.

THE ROWE STUDIO PURCHASED

The studio at the corner of King and Charlotte streets known for some years as The Rowe Studio, was recently purchased by D. Smith Reid, of Amherst, N. S.

Since the death of the former proprietor, the business has been carried on by Mrs. Rowe, who finding it difficult to maintain the high standard of the studio with paid help, sold the business to Mr. Reid, whose reputation as a high class photographer in the maritime provinces, is a guarantee that patrons will receive the choicest examples of the photographer's art.

The first display of Mr. Reid's work can now be seen in his show window in Charlotte street. A call at the studio (where you will be greeted cordially whether on business or not) will amply repay one to see the large assortment of pictures, which limited window space will not permit of displaying downstairs.

It is Mr. Reid's intention to conduct the leading studio of St. John and with the splendid location, coupled with his ability as a photographer and the assistance of a full and efficient staff, he is certain to receive the necessary patronage to realize his ambition.
