### GENERAL NOTES AND NEWS

Wm Denny, the noted shipbuilder of Dumbarton, Scotland, is dead.

**Food for Consumptives.**

Scott's Emulsion of Cod Liver Oil, with Hypophosphites, is a most marvelous food and medicine. It heals the irritation of the throat and lungs, and gives flesh and strength quicker than any other remedy known. It is very palatable, having none of the disagreeable taste of the crude oil. Put up in 50 cents and $1 size.

The Dominion fisheries department has arranged for the purchase of an additional fast sailing vessel of 105 tons to be used in the fisheries protective services.

During a military parade at Calcutta the other day a trooper shot and instantly killed Major Neill.

**Consumption Cured.**

An old physician retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy the speedy and permanent cure of consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe in German, French, or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, *149 Power's Block*, Rochester, N.Y

The first grand Scandinavian Saengerfest in America will take place in Philadelphia the latter part of July.

It is expected that the French Government will dissolve the Municipal Council of Marseilles because that body manifested approval of the Paris commune.

**Home Items.**

—"All your own fault

The weakest woman, smallest child, and sickest invalid can use hop bitters with safety and great good.

—Old men tottering around from Rheumatism, kidney trouble or any weakness will be almost new by using hop bitters.

—My wife and daughter were made healthy by the use of hop bitters and I recommend them to my people.—Methodist Clergyman

Ask any good doctor if hop Bitters are not the best family medicine On earth.

Malarial fever, Ague and Biliousness, will leave every neighborhood as soon as hop bitters arrive.

"—My mother drove the paralysis and neuralgia all out of her system with hop bitters."—*Ed. Oswego Sun.*

Keep the kidneys healthy with hop bitters and you need not fear sickness.

Ice water is rendered harmless and more refreshing and reviving with hop bitters in each draught.

—The vigor of youth for the aged and infirm in hop bitters.

British millers, at a meeting held by them in London, recently, initiated an agitation in favor of an import duty on foreign flour. Bakers will oppose the movement.

Advices from Hong Kong report the failure of the Tung Lung Chinese Bank. When the fact was made known a crowd of native creditors stormed the Bank, and completely destroyed everything.

**What true merit will do.**

The unprecedented sale of *Boschee's German Syrup* within a few years has astonished the world. It is without doubt the safest and best remedy ever discovered for the speedy and effectual cure of Coughs, Colds and the severest Lung troubles. It acts on an entirely different principle from the usual prescriptions given by Physicians as it does not dry up a Cough and leave the disease still in the system, but on the contrary removes the *cause* of the trouble heals the part affected and leaves them in a purely healthy condition. A bottle kept in the house for use when the diseases make their appearance, will save doctor's bills and a long spell of serious illness A trial will convince of these facts. It is positively sold by all druggists and general dealers in the land. Price, 75 cts., large bottles.

A K Cutting, who came near getting Mexico and the United States to fighting, has turned up at New Orleans as an applicant for a job of type-setting. He would also like to get some one to back him as a lecturer.

Mr John Bright, in a letter with reference to Home Rule, says: "The majority of people in Ireland would vote that their country be made a State of the American Union if their present leaders instructed them to do so, but that would be no reason why the Kingdom should consent."

A despatch from Rome says: "Cardinal Taschereau has succeeded in taking the matter of the Knights of Labor before the Office. It is probable that the decision will ratify the condemnation of the order in Canada and forbid any extension in the United States."

Reports from Constantinople state that for the first time in history a Christian has been appointed as minister of finance at the Sublime Porte. An Armenian, Ageb Pasha Kazazian, who has been in the civil service for many years and has introduced a number of salutary reforms, has been constrained by the Sultan to undertake the office of minister of finance.

Remarkable darkness enveloped London at noon the other day. It was as dark as midnight in the entire region of Charing Cross, Whitehall and the Strand, the atmosphere being pitchy black. In the east and south west portions of the city it was somewhat clearer. Snow was falling heavily at the time.

The Rev F R Donoghue, of Charleston, lately made a lieutenant in the French army by Gen. Boulanger for discovering a destructive explosive, will call his invention "carbonated glycerine." He says it has ten times the destructive power possessed by nitro-glycerine and can be handled with a great deal more safety.

**Cool, Careful Mr. Notterfield.**

Mr. Harman Netterfield, the young gentleman of Kingsland, Wells Co., Ind., who drew the $15,000 at the Feb. 8th drawing of The Louisiana State Lottery, has received the cash. He yesterday deposited in the First National Bank, where it will remain. He is a cool, careful business man, and will safely invest it in due time.—*Fort Wayne (Ind) Gazette, Feb. 18.*
