Poetry.

VERSES

When I beneath this cold red earth am sleeping
Life's fever o'er,
Will there for me be any bright eye weeping
That I'm no more?
Will there be any heart still memory keeping
Of heretofore?

When the great winds, through leafless forest rush [ing
Like full hearts break— [gushing
When the swollen streams, o'er crag and gully
Sad music make—
Will there be one, whose heart despair is crushing,
Mourn for my sake?

When the bright sun upon that spot is shining,
With purest ray, [twining,
And the small flowers, their buds and blossoms
Burst through the clay,
Will there be one still on that spot repining
Lone hopes all day?

When no star twinkles with its eye of glory
On that low mound,
And wintry storms have, o'er its ruins hoary,
Its loneness crown'd,
Will there be one then, versed in misery's story,
Pacing it round?

It may be so: but this is selfish sorrow
To ask such meed;
A weakness and wickedness to borrow
From hearts which bleed.
The wailings of to-day for what to-morrow
Shall never need.

Lay me, then, gently in my narrow dwelling,
Thou gently heart; [ling,
And though thy bosom should with grief be swel-
Let no tear start.
It were in vain; for Time has long been knelling
"Sad one, depart!"

HOLLOWAY'S OINTMENT.
EXTRAORDINARY CURE OF A CASE
ABANDONED BY
Guy's, the Metropolitan, King's College, and Charing Cross Hospitals.
SUMMARY OF AFFIDAVIT.
Wm. BROOKE, Messenger, of 3, Union street, Southwark, London, maketh oath and saith, that he (this deponent) was afflicted with FIFTEEN RUNNING ULCERS on his left arm, and ulcerated sores and wounds on both legs, for which deponent was admitted an out-door patient at the Metropolitan Hospital, in April 1841, where he continued for nearly four weeks. Unable to receive a cure here, the deponent sought relief at the three following Hospitals:—King's College Hospital, in May, for five weeks; at Guy's Hospital in July, for six weeks; and at Charing Cross Hospital, at the end of August, for some weeks more; which deponent left, being in a far worse condition than when he had quitted Guy's, where Sir BARNSBY COOPER, and other medical officers of the establishment, had told deponent *that the only chance of saving his life was to LOSE HIS ARM!* The deponent thereupon called upon Dr. Bright, chief physician, of Guy's, who, on viewing deponent's condition, kindly and liberally said, "*I am utterly at a loss what to do for you! but here is Lady a sovereign, go to Mr. HOLLOWAY, and try what effect his Pills and Ointment will have, as I have frequently witnessed the wonderful effects they have in desperate cases. You can let me see you again.*" This unprejudiced advice was followed by the deponent, and a *perfect cure* effected in three weeks, by the use alone of HOLLOWAY'S PILLS and OINTMENT, after four Hospitals had failed!!! When Dr. Bright was shown by the deponent, the result of his advice and charity, he said, "I am both astounded and delighted, for I thought that if I ever saw you again alive, it would be without your arm. I can only compare this cure to a charm!!!"
Sworn at the Mansion house of the city of London, this 8th day of March, 1842. } WM. BROOKE.
Before me, JOHN PIRIE, Mayor.
IN ALL DISEASES of the Skin, Bad Legs, Old Wounds, and Ulcers, Bad Breasts, Sore Nipples, Stony and Ulcerated Cancers, Tumours, Swellings, Gout, Rheumatism, and Lumbago, likewise in cases of Piles, the Pills, in all the above cases, ought to be used with the Ointment; as by this means cures will be effected with a much greater certainty, and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bites of Mosquitoes, Sand-flies, Chigo-foot, Yawns and Coco-bay.
Burns, Scalds, Chilblains, Chapped Hands and Lips also Bunions and Soft Corns, will be immediately cured by the use of the Ointment.
THE PILLS are not only the finest remedy known when used with the Ointment, but, as a General Medicine there is nothing equal to them. In Nervous Affections they will be found of the greatest service. These Pills are without exception, the finest purifier of the Blood ever discovered, and ought to be used by all!!!
N. B.—Directions for the guidance of Patients are affixed to each Pot.

Set old oaks skipping like lambs on the green,
And sapplings, as never before was seen?

TRIUMPHANT SUCCESS OF
Buchan's Hungarian Balsam of Life,
THE GREAT ENGLISH REMEDY FOR
Colds, Coughs, Asthma, and Consumption.
THE most celebrated and infallible remedy for Colds, Coughs, Asthma, and every form of Pulmonary Consumption, is the HUNGARIAN BALSAM OF LIFE, discovered by that eminent medical chemist, Dr. Buchan, of London, England, and extensively known as the Great English Remedy.
It has been tested for upwards of seven years in Great Britain and on the continent of Europe, where it is universally considered the great and only remedy for this awful malady, and is now introduced to the public under the immediate superintendence of the inventor. Within three years it has been distributed from Maine to Florida, and from Canada to Wisconsin, and its effects are every where alike ASTONISHING AND TRIUMPHANT.
As a preventive medicine, and an antidote to the consumptive tendencies of the climate, it is invaluable. As a remedy for severe and obstinate coughs Inflammation of the Lungs, croup, &c. it is unrivalled. But the Proprietors so confident of the merit of this great remedy, in the worst forms of consumption, that he prefers to have it used by the DYING INVALID, rather than by persons afflicted with some simple and less dangerous disorder of the throat and lungs:—this may seem strong language, but
