LAWYER TAKES HIS COMPLAINT TO HEADQUARTERS

Toronto, Sept. 8—There is now in the mail on its way to the secretary of state for the colonies a memorial from a Toronto lawyer who alleges he has been unduly interfered with in the practice of his profession by members of the judiciary. The writer is Wm. MacKenzie and he is asking the secretary of the colonies to refer the matter to the privy council for report.

The memorial is the outcome of the much talked of occasion when Sir William Ralph Meredith directed the sheriff's officer to remove Mr. MacKenzie from the court room at Osgoode Hall a year ago last May. It has taken sometime to determine the proper proceedings as there is but one case in the history of Canada where such a step has been taken. This was in the early seventies, when a Montreal lawyer named Ramsay, secured a reference to the privy council against Mr. Justice Drummond. The memorial is addressed to the Right Hon. Lewis Harcourt, His Majesty's secretary of state for the colonies, and recites Mr. Mackenzie's grievance in legal verbiage.

KERMIT ROOSEVELT IN THE CITY TODAY

Son of Ex-President of United States Going to North Shore for Moose

Kermit Roosevelt third son of Col. Theodore Roosevelt former President of the United States, arrived in the city at noon today. Mr. Roosevelt is a member of a party of American huntsmen who have come to Canada to obtain specimens of Moose, Caribou and Beaver for the National Museum at Washington. Besides the junior Roosevelt there are in the party William Jameson, William A. Thompson and George A. Clarke. The latter is in charge and they will go to Bathurst going into the woods from there with guide William Grey.

Kermit Roosevelt declined to be interviewed. He bears a close resemblance to his distinguished father. Unlike the elder Roosevelt he does not wear glasses. It is said that he succeeds to his father's aggressive temperament. The favorite son, he accompanied Col. Roosevelt to Africa in his recent hunt for big game and shares the latter's love for the sport. He is at present attending Harvard University.

Attempts made at Boston and other places to interview Mr. Roosevelt have made him irritable and when the Roosevelt determination is set, well it is set, as about every one knows. The party are at the Royal and will leave this evening at 6.30.

Mr. Clarke said that they were hunting under a special permit from the government as the big game season will not open for a week.

Dr. James Christie was called, and extracted the bullet. Mr. Gibbon's friends about the city will be pleased to learn that he is resting as easily as possible under the circumstances.

ENTHUSIASTIC MEETINGS HELD IN WESTMORLAND

Moncton, N. B., Sept. 8—(Special)—The fine new C. M. B. A. hall at Cape Bald was last night the scene of one of the most enthusiastic meetings ever held in that section. Hon. Mr. Emmerson, Hon. C. W. Robinson and Camille Gaudet were the speakers. Every available seat was occupied and many people remained standing.

It must have been gratifying to Mr. Emmerson to be greeted by such an enthusiastic gathering in the face of the fact that there were two opposition meetings, one within three and the other within four miles of that place.

Placide Gougan was chairman. The speakers were given the best of attention and the enthusiastic applause showed the attitude of all toward Mr. Emmerson and the reciprocity agreement. The meeting closed with cheers for Sir Wilfrid, Mr. Emmerson and reciprocity. In the afternoon another enthusiastic and largely attended meeting was held in the schoolhouse at St. Andre at which Hon. Mr. Emmerson and Camille Gaudet were the speakers.
