MOTT'S Infallible Corn Plaster. The following observations having appeared in the Preparation of Broma, appeared in a late number of the London Medical Journal:—

"A few years since a great manufacturer of Broma sought the opinion of many medical gentlemen of distinction, for the purpose of having an unobjectionable article introduced. YOU MAY BE CURED YET!

HOLLOWAY'S OINTMENT.

CURE OF RHEUMATISM AND RHEUMATIC GOUT.

Extract of a Letter from Mr. Thomas Brunton, Landlord of the Waterloo Tavern, Coatham, Yorkshire, late of the Life Guards, dated September 28th, 1848.

To Professor Holloway.

SIR,—For a long time I was a martyr to Rheumatism and Rheumatic Gout, and for ten weeks previous to using your medicines, I was so bad as not to be able to walk. I had tried doctoring and medicines of every kind, but all to no avail, indeed I daily got worse, and I felt that I must shortly die. From seeing your remedies advertised in the paper I take in, I thought I would give them a trial. I did so. I rubbed the Ointment in as directed, and kept cabbage leaves to the parts thickly spread with it, and took the Pills night and morning. In three weeks I was enabled to walk about for an hour or two in the day with a stick, and in seven weeks I could go any where without one. I am now, by the blessing of God and your medicines, quite well, and have been attending to my business more than seven months, without any symptoms of the return of my old complaint.

Besides my case of Rheumatic Gout, I have lately had proof that your Pills and Ointment will heal any old wound or ulcer, as a married woman, living near me, had had a bad leg for four years, which no one could cure, and I gave her some of your Pills and Ointment, which soundly healed it when nothing else would do it. For your information I had the honour to serve my country for twenty-five years in the first regiment of Life Guards, and was eighteen years a corporal. I was two years in the Peninsular War, and was at the Battle of Waterloo. I was discharged with a pension on the 2nd September, 1825. The Commanding Officer at that time, was Colonel Lygon, who is now a General. I belonged to the troop of Captain the Honourable Henry Baring.

(Signed) THOMAS BRUNTON.

CURE OF A BAD LEG OF TWENTY-ONE YEARS' STANDING.

Extract of a Letter from Mr. Andrew Brack, Blacksmith, Etmouth, near Berwick, dated the 10th of August, 1848.

To Professor Holloway.

SIR,—With pleasure and gratitude I have to inform you that after suffering for 21 years with a bad leg, which yielded to no kind of treatment, although I consulted, at different times, every medical man of eminence in this part of the country, but all to no purpose. I was frequently unable to work; and the pain and agony I often endured no one can tell. My leg is now as sound as ever it was in my life by means of your Pills and Ointment, which I purchased from Mr. I. Davidson, Druggist, Berwick-upon-Tweed, who knows my case well, and will, I am sure, be happy to certify with me, if necessary, as to the truth of this wonderful cure.

(signed) ANDREW BRACK.

AMPUTATION OF TWO TOES PREVENTED.

Extract of a Letter from Mr Oliver Smith Jenkins, dated Falkirk, August 13th, 1848.

To Professor Holloway,

SIR,—I was superintending, about six months ago, the erection of one of our Railway Bridges, and by the fall of a large stone my right foot was seriously bruised, which ultimately got so bad, that I was advised to go to Edinburgh to consult some of the eminent Surgeons, which I did, and was told that in order to save my foot, two of my toes must be taken off. In despair, I returned home to impart the melancholy news to my wife, intending to submit to the operation, it was then a thought struck me to try your valuable Ointment and Pills, which I did, and was by their means in three weeks enabled to resume my usual occupation, and at this time my toes are perfectly cured. (signed) OLIVER SMITH JENKINS.

AN EXTRAORDINARY CURE OF A DESPERATE SKIN DISEASE.

On the 21st July, 1848, the Editor of the "Motasselite" Newspaper, published in India, inserted the following Editorial article in his paper. "We know for a fact, that Holloway's Pills and Ointment act in a most wonderful manner upon the constitution, as an eccentric Cooling Cordial, employed in our Establishment, was affected with myriads of Ringworms, which defied all the Medical Doctors, and promised to devour the poor man before he was under ground; we tried "Holloway" upon him, and in a month he was perfectly restored to his former condition and cleanliness of skin. The effect was miraculous."

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs,	Corns,	Scalds,
Bad Breasts,	Contracted and Stiff joints,	Sore Nipples,
Burns,	Elephantiasis,	Sore throats,

M. HERBERT is now manufacturing ABDOMINAL SUPPORTERS on the latest and most improved principles. It has been asserted by a Medical Gentleman of the largest experience in Pulmonary Complaints, that one third of the cases of Pulmonary Consumption, with a host of other diseases, originate in the falling of the bowels caused by the relaxed and Abdominal Muscles.—Weakness and Loss of Voice and Disease of the Air pipes, Short Breath and Wheezing, Breathing Palpitation of the Heart, Sinking feeling, and All Gone at the Pit of the Stomach, Diseases of the Liver, Breaking down of the Bowels themselves, Piles, Gravel, Pain and Weakness attending Disease of the Spine, Swelling of the Lower Extremities, with various diseases peculiar to Ladies, &c. &c.

The greatest number of these diseases cannot be cured without a truss, and all may be cured with the abdominal support, &c.—which and the above Supporters are pre-eminently recommended to Mothers.

M. Herbert's Abdominal Supporters have been inspected by most of the Medical Gentlemen of Halifax, and were highly approved of by them, where they could [illegible] them. They [illegible] allow the most extensive exercise of the body—whilst the only feeling produced by them is that of support and comfort.

IN QUART BOTTLES.

For the Removal and Permanent Cure of all Diseases arising from an impure state of the Blood or Habit of the system, viz

Scrofula, or Kings Evil, Rheumatism, obstinate Cutaneous Eruptions, Blotches, Biles, Ring Worm, Scald Head, Enlargement and Pain of the Bones and Joints, stubborn Ulcers, Syphilitic Symptoms, Lumbago, and Diseases arising from an injudicious use of Mercury, Dropsy, Exposure or Imprudence in Life.

THIS MEDICINE has acquired a very extended and established reputation wherever it has been used, based entirely on its own merits, which its superior efficacy has alone sustained.—The unfortunate victim of hereditary disease, with swollen glands, contracted sinews, and bones half carious, has been restored to health and vigour. The scrofulous patient, covered with ulcers, loathsome to himself and his attendants, has been made whole. Hundreds of persons, who had groaned hopelessly for years, under cutaneous and glandular disorders, chronic rheumatism, and many other complaints springing from a derangement of the secretive organs and the circulation, have been raised as it were from the rack of disease, and now with regenerated constitution, gladly testify to the efficacy of this inestimable preparation.

The following is an extract from a letter received from Mrs Bevan, who had been afflicted several years with Scrofulous Ulcers, Dyspepsia, &c., and recently with an affection of the throat and chest:—

Bainesburg, Va., Dec. 13, 1845.

Messrs. A. B. & D. Sands:—Before I commenced using your Sarsaparilla, my sufferings were almost past expression; my throat was completely ulcerated, I had a dreadful cough, and there were frequently weeks together that I could not speak above a whisper, and besides, the inflammation from my throat extended to my head, so that my hearing was very much impaired. After taking the Sarsaparilla a short time, my health improved, and my throat is now well, I am as free from cough and tightness of the chest as ever I was and can hear quite distinctly. My throat has been well about three months, the cure of which has been effected entirely by the use of your Sarsaparilla. Your friend, LOUISA R. BEVAN.

The following testimonial to the value of the Sarsaparilla is from the Rev. Luther Wright, aged 76 years, Congregational Minister, residing at Woburn:

Woburn, Mass., March 30th, 1846.

Messrs. Sands:—Gentlemen—From what I have experienced, and from the information I have recently received from a number of respectable of high respectability who have used your Sarsaparilla, I have not the *least doubt* but that it is a most valuable medicine, and that the numerous certificates you have received of its efficacy are fully sustained by *truth*; and although its reputation and merits are very extensive, and stand in no need of my humble efforts to increase them, I want all who are afflicted by disease to become acquainted with the *efficacy* and *power* of your valuable medicine. I remain, Gentlemen, gratefully and very respectfully yours, LUTHER WRIGHT.

Sands' SARSAPARILLA is sold wholesale by appointment, in Nova Scotia, at MORTON'S Medical Warehouse, Halifax—at the same price as can obtained at the Manufacturers in New York—$1 per Bottle—6 Bottles for $5. Feb 16.

DR. S. P. TOWNSEND'S

COMPOUND EXTRACT OF SARSAPARILLA.

THE WONDER AND BLESSING OF THE AGE! THE MOST EXTRAORDINARY MEDICINE IN THE WORLD. This Extract is put up in Quart Bottles, it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the patient.

We have manufactured 1,500,000 Bottles of this Sarsaparilla during the past year, and are now putting up 5,000 bottles per day; using more of the Sarsaparilla Root in one month than all the other manufacturers of Sarsaparilla in one year.

This Extract has cured more of the following diseases than all the other advertised medicines together have done.

Scrofula, or King's Evil,	Salt Rheum, and all Diseases arising from an injudicious use of Mercury
Obstinate Cutaneous Eruptions,	Ascites, or Dropsy, Exposure, or Imprudence in Life. It invariably cures
Pimples or Pustules on the Face,	Rheumatism,
Blotches, Biles, Chronic Sore Eyes,	Indigestion or Dyspepsia,
Ring Worm or Tetter,	Neuralgia, General and Nervous Debility,
Scald Head,	Palpitation of the Heart,
Enlargement and Pain of the Bones and Joints,	Liver Complaint and Inflammation of the Kidneys.
Stubborn Ulcers,	
Syphilitic Disorders,	
Lumbago,	

Ladies of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to, are restored, by the use of a bottle or two, to bloom and vigour.

The number of Diseases mentioned above, as cured by this preparation of Sarsaparilla, may seem large; but we are, nevertheless, prepared to prove, by an extensive array of certificates, that such is the fact. A fraction of the evidence which we possess concerning each disease, would be received before any judicial tribunal as complete demonstration. It must be remembered that all this frightful array of maladies, though appearing in an endless variety of forms, are yet similar in their origin and causes, for they all spring directly or indirectly from a corrupt fountain. If the blood were in a pure, healthy, and active state, it would drive all these complaints from the system, and chronic disease would be impossible.
