LONDON PRESBYTERY.

Interesting Quarterly Meeting at Glencoe.

Subjects of the Mission Conference—Appeal for the East London Church—The Various Reports.

On Monday afternoon the Presbytery of London held a conference on missions at Glencoe, when the following subjects were discussed:

1. The duty and opportunity of the church in regard to the Chinese immigrants of Canada. Introduced by Mr. Hamilton.

2. Have the efforts put forward by the church to evangelize the heathen been encouraging in their results? Introduced by Rev. W. M. Roger, of London.

3. The claims of home missions and weak congregations on the sympathy and liberality of the church. Introduced by Rev. A. Henderson, of Appin.

4. How to create and develop a deeper interest in missions, especially among the young men of our congregations. Introduced by Rev. Mr. Wilson.

The evening meeting was largely attended by the congregation of Glencoe and much enthusiasm was manifest.

The Presbytery met for business at 10 o'clock Tuesday for the transaction of business, a large number of ladies being present. Rev. Frank Ballantyne presented a unanimous call from Hyde Park and Komoka in favor of Rev. George B. Gregg, signed by 80 members and 36 adherents, offering a stipend of $600 and manse, and making application to Home Mission Committee for $150. Intimation was received that Mr. Gregg would not accept the call and on motion the moderator's conduct was approved and the call set aside.

Rev. F. Ballantyne resigned the moderatorship of Hyde Park and Komoka. The Rev. W. J. Clark, of London, was appointed to take his place.

Commissioners from Rev. A. Urquhart's congregation expressed deep regret at parting with Mr. Urquhart, but in view of the continued illness of Mrs. Urquhart they would offer no opposition to the acceptance of his resignation.

On motion of the Rev. Mr. Sutherland the resignation of Mr. Urquhart was accepted.

Rev. Mr. Kelso was appointed to preach the pulpit vacant on March 22, and act as moderator of session during the vacancy.

Rev. A. Henderson, of Appin, presented the Home Mission report in connection with which the commissioners appointed to visit aid-receiving congregations reported.

Rev. D. K. McKenzie reported having visited Port Stanley, and suggested that a deputation of Presbytery should visit Dexter to present the claims of the augmentation fund with a view that, if possible, they should increase their contributions toward self-support. Rev. Messrs. Henderson and Mackenzie were appointed a deputation to visit Dexter.

Rev. E. H. Sawers reported having visited London East, and said he could not see that there was any immediate prospect that the demand upon the augmentation fund could be lessened.

After a lengthy discussion, in which Rev. Messrs. Ballantyne, Roger, Sutherland, Hamilton and Henderson took part. Much regret was expressed that many Presbyterians who live in the immediate neighborhood of the church in East London did not identify themselves with it, and it was suggested that steps should be taken to persuade if possible the Presbyterians of East London to help their weak brethren. On motion of Rev. D. K. McKenzie it was agreed that application be made to the home mission committee for $400 in behalf of East London.

A committee consisting of Rev. Messrs. Simpson, Henderson, Sutherland and Sawers were appointed to wait on the congregations of St. Andrew's and Park Avenue Churches, London, to solicit assistance in behalf of the congregation of East London, with a view of diminishing the grant from the augmentation fund.

Rev. Messrs. Stewart and Francis reported having visited Wardsville and Newbury and asked for a grant of $300, which was agreed to.

A grant of $125 was asked for by Delaware and Caradoc, which was granted, $75 to be given to Delaware and $50 to Caradoc. Tempo and South Delaware applied for $200, which was granted. East Williams was allowed a grant of $200 and Hyde Park and Komoka $150 each.

The following were appointed commissioners to General Assembly: Rev. Messrs. Boyle, Kelso, F. Ballantyne, A. S. Stewart, T. Wilson, J. A. Bloodworth, D. Cameron, R. McIntyre and Messrs. D. C. McKellar, Duncan Campbell, D. Wyllie, John Cameron (London ADVERTISER), T. McMillan, A. Munro, J. C. Fletcher and Douglas.

The treasurer's report in the absence of Rev. Mr. Gordon, was presented by Rev Mr. Henderson, showing a balance of $7 to the credit of the Presbytery fund.

A deputation consisting of Rev. Messrs. A. Henderson, F. C. Simpson and F. Ballantyne was appointed to visit the Muncey road section with a view of determining the propriety of opening a preaching station in connection with the Delaware congregation.

Representatives from the Mosa congregation appeared before the Presbytery, asking the sanction of the Presbytery for a site for a new church, which was granted.

Mr. Hamilton presented an excellent report on temperance. Two-thirds of the congregations of the Presbytery reported, and the names of delinquent congregations were read. The majority of the sessions report no organization in connection with the congregations.

The reports on temperance were then read and were made up from the returns made by the various sessions in the Presbytery to questions addressed to them. The reports were satisfactory on the whole, and showed a most gratifying advance in the great temperance movements in the cities by the reduction of licenses, and in the villages and country districts a growth in the sentiments of the people against the evils flowing from and concurrent with the drink traffic.

The recommendations of the Committee of Temperance were that temperance workers keep pegging away at the matter, educating the people in the principles of temperance, and by the increasing influences of the Gospel of Christ; that the most hopeful results are to be found or expected from the young, and that all means should be adopted to educate and enlighten our young people in these matters.

The adoption of these reports was moved by Rev. Jas. Ballantyne, seconded by Rev. Mr. Roger, and it was agreed that they be forwarded to the convener of the Synod's Committee.

Following this came the reports on the state of religion by Rev. F. Ballantyne, which likewise showed a gratifying advance during the past year in the general oversight as well as the progress in the matters submitted to the various sessions. One especially gratifying feature was the numbers of young people uniting with the membership of the church, the total within the bounds of the Presbytery as far as reported being 202.

The reports were heartily adopted and the sincere thanks of the Presbytery were conveyed to the different conveners for their able and concise reports.

STARTED YESTERDAY.

Annual Meeting of the W. A. M. A. of the Diocese of Huron.

The annual meeting of the Women's Anglican Missionary Association of the Diocese of Huron commenced yesterday morning, with Litany service and Holy Communion at St. Paul's Cathedral. A large number of delegates were present from all portions of the diocese. It was intended that the Bishop of Huron should deliver an address, but owing to his illness the Right Rev. Cyprian Pinkham, bishop of Saskatchewan and Calgary, was substituted. His remarks were based on II. Corinthians, vi., 6.: "As workers together with him," and were specially applicable to mission work, which he characterized as one of the most important branches in connection with the church. The work was for God, and tended to debase self, to give enlarged ideas and not to narrow our conceptions of striving to show the Master's spirit, not confined to one nation or generation, but to the whole world and all conditions of men. No doubt our first duty was to those near us. It had been said that charity began at home, but it too often ended there. The speaker trusted that the help and sympathy of the people here would be extended to mission work in the Northwest, a territory with which they were directly connected, inasmuch as their own relatives and friends from Eastern Canada were taking up their homes in that new country. They had felt that the Church Missionary Society in England had been withdrawing its aid from some of the dioceses of the Northwest, more particularly Assiniboia and Saskatchewan, and would soon do the same with Rupert's Land. The reverend gentleman spoke feelingly of the heroism of his predecessor and of the noble band of workers in the West, whose efforts had borne such encouraging results.

A session commenced at 2:30 o'clock in the afternoon in the Chapter House when papers were read and addresses delivered. From 6 to 7:30 p.m. a reception was given to delegates and their entertainers at Bishopstowe, while at 8 p.m. a general meeting was held at Victoria Hall and was addressed by the Bishop of Saskatchewan and Calgary, Venerable Archdeacon Phair, of Rupert's Land, Rev. C. E. Matthews, of Kingsville. An open session will commence to-day at 10 o'clock in the Chapter House, and a concluding Bible and prayer union will be held at Bishopstowe on Friday morning at 11 o'clock.

WINDSOR, Ont., March 11.—News was received here yesterday that Charlie Wright, a cigarmaker, had both his feet cut off in a railroad disaster in Peoria, Ill. The unfortunate young man is a son of Fred Wright, a tailor, who was at one time in business in Windsor.

Stand Your Ground.

When you make up your mind to take Hood's Sarsaparilla, do not be induced to buy some other preparation instead. Clerks may claim that "ours is as good as Hood's" and all that, but the peculiar merit of Hood's Sarsaparilla cannot be equaled. Therefore have nothing to do with substitutes and insist upon having Hood's Sarsaparilla, the best blood purifier and building-up medicine. w

No one need fear cholera or any summer complaint if they have a bottle of Dr. J. D., Kellogg's Dysentery Cordial ready for use. It corrects all looseness of the bowels, promptly and cause a healthy and natural action. This is a medicine adapted for the young and old, rich and poor, and is rapidly becoming the most popular medicine for cholera, dysentery, etc. in the market.

"The Mild Power Cures."

One of the best evidences of progress among the people is the constant increase in the use of non-poisonous medicines. Not only has the old faith in poisonous compounds declined, but people have less faith in health disturbing articles. They don't like to vomit, or physic, or salivate themselves as formerly. Experience has taught them better. They have learned that it is not necessary to kindle one fire in order to extinguish another; or to produce a medical disease with poisonous drugs in order to cure a natural one. They see every day not only how fruitless drugging is, but how completely cures are made and health perfectly restored by the mildest of doses and remedies. For 40 years Dr. Humphreys has been proclaiming "The Mild Power Cures," and his specifics have not only been scattered everywhere, but have come into daily use in tens of thousands of families all over the land. For the young, the feeble, the ailing, to the wise and observing, they are a constant source of refuge and recovery. Scarcely a disease known among men, or animals even, but has its sure antidote and cure among his Specifics. The suffering relieved, the health restored and the lives prolonged and usefulness extended by these simple, inexpensive HUMPHREYS' SPECIFICS is simply incalculable. b

TERRESTRIAL HEALING

A branch office of the Magnetic Meridian Vitapoise Company is now permanently located at 294 Dundas street, for the purpose of giving practical demonstrations of the healing virtues of the "Vitapoise," (or miniature earth.) It is the most wonderful healing instrument ever discovered. It only fails to cure the afflicted when their case is hopeless, and it makes no difference what ails you.

If you would like to investigate "TERRESTRIAL HEALING," call at the office, and Prof. Reid, will cheerfully explain to you the mysteries of the subtle healing force contained in a Magnetic Meridian Vitapoise.

Separate rooms are fitted up for the treatment of ladies and gentlemen. We want every family and physician in Canada to buy a "Vitapoise," and we will accomplish our object if an afflicted member of every tenth family will give the instrument a trial, by taking a "course of treatment." Its application is absolutely painless and is also harmless; but disease will flee from before it as if driven away by magic.

Physicians! try a "Vitapoise" on one of your patients, having either la grippe, inflammation, fever, insomnia, neuralgia or rheumatism, and thereafter your "medical case" will be a secondary consideration so long as you have a "Vitapoise" with you.

Send for catalogue which fully explains everything; free. Address, The MAGNETIC MERIDIAN VITAPOISE COMPANY, 294 Dundas street, London, Ont. nm
