"Many months experience in the use of the Plantagenet Water in my practice have fully convinced me of its value as a remedial agent, and I have not had reason on any single occasion to regret their use. I feel that I can safely recommend it as a gentle aperient and alterative, and, from their composition, they possess, in addition, decidedly tonic properties.

"Certainly, too much has not been said in their favor, for they are, probably, the most valuable Waters on this Continent.

BRITANNIA
LIFE ASSURANCE COMPANY,
No. 1, Princess Street, Bank, London.

CAPITAL—ONE MILLION STERLING.

Empowered by Special Act of Parliament, 4 Vict., Chap. 9.

REDUCED RATES OF PREMIUM—HALF CREDIT RATES OF PREMIUM.

THE great and decided success which has attended this Institution, has induced the Directors to REDUCE the RATES originally required in British North America, to the ordinary European Rates. The result of such Reduction is to enable parties to avail themselves of the important benefits to Life Assurance at much lower Rates of Premium than those of any other Assurance Company: assuming business in Canada.

The Directors have also resolved to extend to British North America the advantages afforded by the HALF CREDIT RATES of PREMIUM which have been so highly appreciated, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in the limits to which they may proceed by sea or land, to other parts of North America without affecting their interest in their respective Policies.

No. 109, Notre Dame Street.

SAMUEL COCHRAN invites the attention of Customers to his stock of TEAS and COFFEES, which have been selected with the greatest care, and on such terms as allow him to offer them at unusually low prices.

The MACHINERY on the Premises, worked by a Four Horse Power Steam Engine, for Roasting and Grinding Coffee, is on the most approved plan, the Coffee being closely confined in polished metal cylinders, which are constantly revolving, and oscillating in heated air chambers, is prevented imbibing taint from Smoke, danger of partial roasting or bonination of the Bean and loss of Aroma, an important to Consumers, which is further ensured by attention to Grinding at the shortest time prior to Sale. To this elaborate process SAMUEL COCHRAN owes the high reputation his Coffee has obtained through a large portion of the Provinces.

Genuine Refined SUGAR (much admired for Coffee); REFINED SUGAR in small loaves; and WEST INDIA SUGARS, of the best qualities, always on hand.

A few of the choicest selections of TEAS may be had at the CANTON HOUSE, in Native Country Packages, unrivalled in flavor and perfume, at moderate terms.
