"Time tries all Things," and has proved that "Dr. Wistar's Balsam of Wild Cherry" is the remedy par excellence for the cure of coughs, colds, croup, whooping-cough, bronchitis, asthma, phthisic, sore throat, and influenza. It cures coughs and colds *instanter*! It soothes the irritated parts; it heals the inflammation; and even consumption itself yields to its magic influence.

Husband: — I shall know them better hereafter, Druggists and Storekeepers are doing not only themselves a great deal of harm, but their customers also by inducing them to buy an article unknown and without merit. Perry Davis' Pain-Killer has been before the public for over thirty years, it is known in every quarter of the earth, and is sold by every Druggist and most storekeepers and grocers. As a Cholera Specific and Diarrhea Medicine, its reputation has no parallel. I am surprised that we have lived so many years without it.

Wife—Charles, the reason is you have been taking whatever the storekeeper would recommend, we have always had a bottle of Pain Cure or Reliever or Pain Remedy or some such trash in the house, we have tried them over and over again.

Husband—And that is just the reason I objected to try the Pain-Killer on my Rheumatism.

Sold everywhere, price 25cts, and 50 cents per bottle.

☞ The Pain-Killer is an internal and external remedy for pain. For internal pain, Cramps, Spasms, Sudden Colds and Bowel difficulties, a few drops in water will give immediate relief. As a liniment it is without an equal; it stops pain almost instantly Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers. dw
