BODIES RECOVERED BY YACHTING PARTY

[Special To The Advertiser.]

DETROIT, Aug. 11.—At almost the same moment, the bodies of Cottrell E. Brooks, and William G. Luckell, who were drowned from a canoe in Lake St. Clair Sunday evening, were found today by two parties of yachters. The bodies were some distance apart, about a mile off shore. Luckell's body was discovered by three men in a launch coming down from Pearl Beach. Capt. O. C. Ingalsbe found Brook's body.

Luckell and Brooks, both salesmen, were week-end guests of J. Lee Barret, at 1036 Lake Shoe road. They put out in a canoe just before a stiff wind blew up from the northwest. An aeroplane and several motor boats searched the lake in vain for signs of them after they failed to return.

Stop that cough!

don't let it master you, for a continuous cough is dangerous. Attack it with a remedy that will quickly stop irritation of the respiratory organs and at the same time build up the body for permanent resistance. Ask your druggist or dealer for—

NOT ALARMED OVER COMPETITION FROM HYDRO COMMISSION

Edison Company's Manager Discusses Situation At Port Huron.

SARNIA, Aug. 11.—"The Ontario Hydro Commission can supply a 24-hour service at a lower rate than the Edison Company, but I cannot see that it will be to the advantage of the St. Clair River Tunnel Company to buy hydro power," said Lothrop Dow of the Detroit Edison Company in Port Huron, when questioned regarding his company's attitude toward the plan which Mayor Crawford of Sarnia is fathering.

Speaking of the possibility of Ontario hydro power making inroads on the Detroit Edison's territory, both in Port Huron and Detroit, Mr. Dow stated that the big Michigan power organization was not alarmed at the prospect. He pointed out that the Edison Company's rates to manufacturing firms in Port Huron and Detroit were much lower than those which could be given by the hydro commission, and gave as the explanation the difference in the securing of power by the two organizations.

Forwarded Debentures.

City Treasurer P. A. Blackburn today forwarded to Wood, Gundy & Co., Toronto, $67,000 worth of city of Sarnia debentures, for which that firm has found a market. This is another allotment of the recent $295,000 issue, consisting of $95,000 for waterworks improvements and $200,000 of Collegiate and Technical School bonds, on which the Wood, Gundy Company and R. C. Mathews Company were given options. These options since have been twice extended, the last extension being granted on Tuesday. School bonds to the extent of $110,000 had been previously taken up by the first-named company.

IN CRITICAL CONDITION.

WOODSTOCK, Aug. 11.—R. N. Ball, crown attorney of Oxford County, is in a critical condition in a Toronto Hospital where he underwent an operation on Wednesday. His medical attendant stated late today that he had a chance to pull through but that there was danger of peritonitis setting in, in which case there would be practically no hope of his recovery.

SUFFERED ALL A WOMAN COULD

Mrs. Meyer Finally Found Relief and Health in Lydia E. Pinkham's Vegetable Compound

Orange, Cal.—"I always feel very grateful to you, as some twenty years ago three doctors said I had to have a serious operation. I had a tumor, and ulcers which would gather and break. I had displacement so badly that I could hardly sit down at times, and it seemed as if I suffered everything that a woman could suffer. Then some one advised me to take Lydia E. Pinkham's Vegetable Compound, and I took it until I was well and saved from the operation. I have told women of your wonderful medicine times without number, and I am willing that you should use these facts and my name if you like. I also used your Compound during the Change, and I can do all my own work but the heavy part, and can walk miles every day as I help my husband in the office."—Mrs. J. H. MEYER, 412 South Orange St., Orange, California.

A great many women who suffered like this have been restored to health by Lydia E. Pinkham's Vegetable Compound.
