PURE COD LIVER OIL.

THE Subscribers have the honor of announcing to the gentlemen of the Medical Profession, that they have been appointed AGENTS for the Sale of COD LIVER OIL, from the highly respectable House of RUSHTON, CLARKE & Co., of NEW YORK, and are now prepared to furnish such as may honor them with their orders with an article of undoubted purity.

Messrs. Rushton, Clarke & Co., in order to obtain this Oil in its entire purity and freshness, have established two Manufactories on the New England coast, and one at Newfoundland, where the article is manufactured from fresh Livers by persons especially employed by R. C. & Co., and generally under the personal inspection of one member of their Firm. The great care they have taken in the manufacture of this article has been attended with commensurate results, as may be known from the facts, that their sales of this article, for the last two years, have exceeded that of any other House on the Continent of North America, and have obtained the confidence and approval of the Medical Profession throughout the United States.

The Subscribers, wishing that the Canadas might have the advantage of procuring valuable medicine in a state of purity, and from a house so perfectly reliable, have undertaken the Agency of Messrs. R. C. & Co., with a desire of imparting confidence in an article of such importance, now of such value to the patient, and assistance to the Physician.

Prices moderate. Pamphlets on the uses and mode of administration of Cod Liver Oil may be had gratis, by applying to the Subscribers.
