DURING FORTY YEARS.

Record for Four-Year-Olds Has Steadily Dropped from 2.36 to 2.05¼.

It was 40 years ago that Ethan Allen, a little 4-year-old horse of Morgan blood, trotted in 2.36 over the old Union course at New York, says Chicago Inter-Ocean, and contends he was the first one of his age to beat 2.40. The record has been changed 28 times since then, five times during the present year. The following table shows the steady reduction of the record for 4-year-old trotters:

Turf Gossip.

F. A. Campbell yesterday sold his aged ch g Everett, by Enquirer—Patricia, to W. Shields.

Foam was scratched in the second race yesterday at Gloucester.

The Toronto horse Lexington will be sent to Washington for the Bennings meeting that begins Nov. 23.

J. H. Lewis, owner of Ecarte, has decided not to send his steeplechaser to England.

The hounds will meet to-day at Slattery's Hotel, corner Dundas and Bloor-streets, at 3.30 p.m.

To-morrow the Dwyer's track at Clifton will open and racing there will continue for 10 days, under the terms of agreement between the New Jersey associations. Then Guttenberg will close the season, and for three months New Jersey will know no racing. The Elizabeth meeting has been a successful one financially.

A Louisville despatch says: Longfellow, the greatest of American sires and probably the most famous race horse in the world outside of England, died of old age here Sunday night. He was the sire of more winners and more noted race horses than any other thoroughbred stallion in this country, clearing his 21 years in the stud. The winnings of his get have reached over a million dollars.

Looks Like a Fight.

NEW YORK, Nov. 6.—Pugilists Corbett and Mitchell have signed new articles agreeing to box in the Olympic Club, New Orleans, for the $20,000 purse offered. The articles are crude and will have to be re-modelled, but the signing of them shows that the big 'uns want to fight. The date named is Dec. 6, which is too early.

Several changes were suggested. They were drawn up and sent to New Orleans. The date was named Dec. 18 or later.

Mitchell will leave for the south as soon as the club accepts the joint proposition. Brady, Corbett's manager, believes the club can hold the fight and thinks the revised articles will be accepted.

This Report Says at Jacksonville.

JACKSONVILLE, Fla., Nov. 6.—It is an assured fact that the great glove contest between Mitchell and Corbett will take place in this city. The money has been deposited and the principals have agreed to terms, and nothing more is necessary. Richard K. Fox wired the Athletic Club here to-day that the principals had agreed to the proposition to have the contest here.

Victoria Colts Ready For the Ice.

The Victoria Colts are first on deck waiting for the hockey season. A score of good-looking young hockeyists assembled at Keachie's last night and held their second annual meeting. The following officers were elected: Hon. President, Victor Armstrong; hon. vice-president, Julius Myles; president, S. A. Jones; vice-president, F. W. Jackson; secretary-treasurer, R. H. Easson; captain, C. W. Montgomery; delegates to the Hockey League, A. Crawford, C. W. Montgomery and F. W. Jackson.

Hockey Chips.

There is talk of a strong hockey club being organized in connection with the new Toronto Athletic Club. A light rink will likely be erected that should afford splendid facilities for hockey purposes. The names of Messrs. C. C. Smith and J. F. Smellie are associated with this new club.

It is said that Osgoode Hall, the ex-champions, will not be in the field this year.

Varsity, with Bradley and Wilson, two stars of the east, should be near the top this winter.

Sporting Miscellany.

At the regular meeting of the Toronto Bicycle Club last evening a committee was appointed to re-organize the Literary Society which was so successfully carried on by this club last season. It is proposed to hold the opening meeting on Monday evening next, at which a good program of music and readings will be given. Besides, Mr. Harry English, the club photographer, will give a number of magnificent stereopticon views taken during the various race meets the past season.

The Toronto Kennel Club has secured new down-town quarters at No. 49 King-street west and will give an opening entertainment there next Thursday evening.

HOME AND HOME MATCHES.

Toronto and Queen's to Play Here on Saturday and in Kingston the Saturday Following.

Queen's and Toronto will play home and home matches to decide supremacy. This was the conclusion arrived at last night at the Rugby Union Executive meeting in Keachie's. President, J. F. Smellie, Osgoode Hall; first vice, R. K. Barker, Varsity; second vice, H. R. Grant, Queen's; secretary-treasurer, W. J. Moran, Osgoode, and committee men F. DuMoulin, Trinity; J. M. Mowat, Queen's; B. P. Dewar, Hamilton; C. A. Moss, Varsity; G. A. Griffin, Ottawa College, and A. B. Cunningham, Kingston Collegiate, were present. W. L. Thomas of London was the only absentee.

The motion of Messrs. Grant and Mowat, that the final between Toronto and Queen's be played in Kingston, created a lively discussion. Finally the amendment of Messrs. Cunningham and Griffin, that home-and-home matches be played, received unanimous approval, and it was decided to conduct them similar to the preliminary rounds, that is the team scoring a majority of points in both matches to win. The first match will be played next Saturday in Toronto at Rosedale, if the grounds can be secured, starting at 2.30 p.m., with W. J. Moran, as referee, and the second at Kingston the following Saturday, Nov. 18, starting at 2 p.m. Messrs. Smellie, Moran and Barker were appointed a special committee to look after the "final" arrangements. The executive decided that the union's shares of last Saturday's matches should be handed over to the three visiting clubs, viz., Hamilton, Osgoode H. and Varsity III. The meeting adjourned until next Saturday evening, when the referee for the Kingston match will be selected.

Football Notes.

School of Science and Victoria competed in one of the Varsity class Association matches on the lawn yesterday, the Science eleven winning by 2 goals to 0.

Captain Billy Wood is laid up with a bad knee. He was the only Toronto man absent from yesterday's practice. Williams has also a swollen leg. But both will likely play on Saturday.

J. Farrell, one of Queen's fastest wings, has an injured knee that will keep him off the football field the balance of the season. He did not play against Hamilton.

One of the local commission rooms has more confidence in Queen's than the ordinary football follower. The penciller yesterday offered 2 to 1 on Toronto and 3 to 5 against Queen's.

Alas, poor Hamilton! She is the only senior club that has not enjoyed home-and-home matches. Toronto and Queen's both scored their majorities in second struggles with Osgoode Hall and Ottawa College. And Barney Dewar declares his tawny tigers could easily make up the 24 points lost last week if they only had the chance next Saturday 'neath the mountain.

NEEDS A HORSE TO PACE HIM.

Johnson Makes a Mile At Independence In 1.58 4-5 When Pushed.

INDEPENDENCE, Iowa, Nov. 6.—John S. Johnson came nearer to breaking the mile record Saturday than he has at any time during his stay. He made three starts. One was made this forenoon, when he finished in 2.06 and again demonstrated the fact that his pacemaker is not speed enough to carry him a mile at a record-breaking clip. This afternoon a running horse was brought out to set the pace for the first third, where the triplet joined in and carried him to the second third, and from that point the quadruplex team brought him home. Under this arrangement Johnson went a mile in 1.58 4-5 and repeated it a short time after in 1.59 4-5. This shows very plainly where the responsibility lies for Johnson's failure to equal his mark of last year. The party now intends to remain all this week, or so long as good weather lasts, and in case it is found to be impossible to beat the record by limiting the horse to one-third he will be allowed to make the pace to the half. Johnson is sure now that by the use of the horse all the way he can compass the kite in better than 1.55.

ARE SUNDAY HELLOS WICKED?

A Telephone Girl Expelled From Church and Restored, But Appeal Will Be Taken.

CHARLESTON, S.C., Nov. 6.—In the case of Sadie Means, the telephone girl who was expelled from the Second Presbyterian Church at Columbia for working in the Telephone Exchange on Sunday, the South Carolina Synod at Clinton to-day ordered that the action of the Charleston Presbytery in the case be annulled and that the church "restore Sadie M. Means to all her rights and privileges as a member in full communion by said church."

Rev. G. A. Blackburn, pastor of the Second Church, gave notice in behalf of the Charleston Presbytery that they will appeal to the General Assembly. The synod appointed Rev. Dr. J. W. Flynn and W. A. Clarke to represent it in the case before the General Assembly.

MUTINY ON A PEST SHIP.

Emigrants Made Desperate by Thirst, Hunger and Cholera.

ROME, Nov. 6.—The Italian ship Florio, with 1500 emigrants aboard, has returned to Italy from Brazil, where a landing was refused because cholera was aboard.

Two weeks ago a mutiny broke out among the emigrants, rendered desperate by lack of water, shortness of rations and illness. The mutiny was suppressed in an afternoon, and three of the crew suspected of complicity were put in chains.

The Florio has been detained at Asinara by the health authorities, as fresh cases of cholera have appeared on board almost daily.

Board of Trade Council.

A committee of the drygoods merchants waited on the Council of the Board of Trade yesterday to request them to approve of their scheme of advocating a new bankruptcy law. The board did approve and appointed a committee to work with committees formed by other boards favoring this same equitable distribution of insolvent estates. These combined committees will present their case before the Dominion Government.

Three letters of extraordinary importance were read. One was from R. C. Shoil, Postmaster-General of Western Australia, concerning the postal union scheme, of which he didn't approve. The second was from R. C. Roundily of New South Wales condemning the action of that government in granting the subsidy for the establishing of the British cable. A third was from Fenton W. Newbury, secretary of the Canadian Mid-Winter Fair Association, San Francisco, asking the co-operation of the council in having the exhibits at Chicago sent on to 'Frisco. These letters were considered of such importance that the limited time was not sufficient for discussing the questions.

Approved the Civil Marriage Bill.

BUDA PESTH, Nov. 6.—The Hungarian Cabinet met this afternoon with Emperor Franz Josef presiding. The Emperor gave his assent to the introduction in parliament of Premier Wekerle's bill to make the civil service compulsory in all cases of marriage. This bill is opposed bitterly by the Catholic clergy.

A Suicide's Body Eaten By Jackals.

BERLIN, Nov. 6.—Herr Meissener, a notorious pamphleteer from this city, was found dead last Saturday on the plain near Jaffa, Palestine. His body had been torn by jackals. Near him lay an empty bottle from which he is supposed to have taken a dose of poison.

GUINANE BROS. BUILDING SALE

THOUSANDS OF DOLLARS' WORTH OF FALL BOOTS AND SHOES.

The Ceilings of Their Building To Be Raised—A Shoe House Where You Can Get Every Kind of Boots, Shoes, Slippers, Overshoes and Rubbers Manufactured.

The public have responded to our desire to serve them more readily than even we anticipated. The goods are going at a lively rate, and we fully expect to be able to start at the front of our building inside of a few weeks. The ceilings must be raised, but there are yet too many thousands of dollars' worth of goods piled on the floors above to attempt it. To our legion of customers and to the general public we would say: The liberal patronage you have given us shows the unshaken confidence you have in our venture and is more than ample return for the sacrifice of goods we are compelled to make. We are trying to show our appreciation of that confidence; we are now working for your accommodation; we want to give you a shoe house in the proper sense of the word. A place where you can get every kind of boots and shoes manufactured. We want to make it your shoe house, not ours, and instead of coming to GUINANE BROS', 214 YONGE-STREET, in hundreds you will come in thousands. Therefore, we are building you a shoe house such that each of the five floors will be larger than any retail shoe store in the Dominion. We are compelled to sacrifice thousands of dollars worth of fall and winter goods in order to hurry on with our building, determined that instead of moving the goods off the premises we will let our loss be your gain. The following will give an idea of what we are doing towards clearing off our stock: Ladies' Casco kid hand-sewed buttoned boots, St. Louis square toe and in four widths, A, B, C, and D., regular price $3, we offer for $1.50. Ladies' French Kid Buttoned boots (Grey Bros.', Syracuse), in opera, common sense, London, French or St. Louis square toe; hand-sewed extension soles, regular $4 boots, we have reduced to $2 a pair. All our $3, $4 and $5 lines, manufactured by the best makers in Canada and the States, we will sell off at half the original prices. In cheaper grades we will offer ladies' slippers as low as 10c a pair. Ladies' kid buttoned boots, silk-worked holes, at 60c a pair. In gents' line boots and shoes we have cut the prices in half, $5 boots reduced to $2.50; $4 boots reduced to $2, and $2.50 boots and shoes reduced to $1.25. The cheaper grades of strong working boots reduced from $1.25 to 85c.

RICH ENOUGH FOR A DUKE.

Nellie Bass' Father Said To Have Broken Her Plebeian Engagement.

LONDON, Nov. 6.—London society has been deeply stirred by the news that the engagement of Nellie Bass, we hose father, Lord Burton, got his fortune and title by brewing ale, to Keith Fraser has been broken.

The young woman is an only daughter. Her father settled upon her $10,000,000 as a marriage portion and she will inherit probably $30,000,000 more after his death.

It is reported Lord Burton broke the engagement because he thought this fortune sufficient to warrant his getting a duke for a son-in-law.

Flow From a Well May Destroy a Town

BERLIN, Nov. 6.—The artesian well at Shneciedemuehl, Prussia, which threatened to inundate the town, has broken out again and is throwing forth enormous quantities of water. The foundations of the houses in the vicinity of the well have been sapped. Portions of the Kirchgasse are sinking and the people are greatly alarmed.

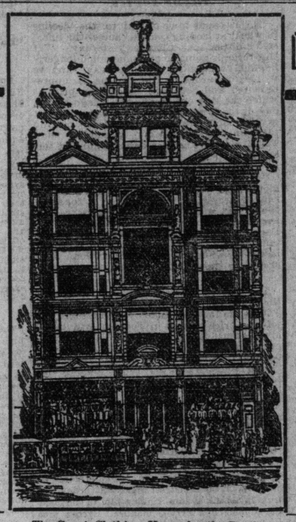
BOYS' CLOTHING

OAK HALL

An ordinary display of fine Clothing would not excite the extraordinary interest which is drawing the people to Oak Hall. It is the great size of the stock which will impress you with the fact that it is easier to select a perfect fit and a perfectly satisfactory pattern at Oak Hall than anywhere else.

The Overcoat department is an attraction all by itself.

115, 117, 119, 121 King-st. East.



MEN'S CLOTHING

OAK HALL

The Oak Hall One-Price has done its good share to make Oak Hall the great Clothing House for the people. But a "One-Price" can be popularized in only one way—by giving the best value for the least money. The great Oak Hall trade has been built up wholly on that plan.

Our Boys' clothing department is the largest in Toronto.

The Great Clothing House for the People,
