AT THE HAMILTON RACES.

FOUR FAVORITES AND ONE SECOND CHOICE IN FRONT.

Sun Up, Edna D., Havoc, Springal, Lion Heart and Stonemason the Winners—Card and Selections for To-Day—Results From Across the Line.

Hamilton, June 3.—The Hamilton Jockey Club meeting opened to-day under favorable circumstances. The weather was fine, the attendance fair and the racing good. Society was well represented, both locally and from Toronto. The crowd, however, was rather slim until the Toronto train arrived. It was a good day for the public, as four favorites succeeded in finishing in front, and a second choice, Edna D., being the only outsider to land the money. The track was in good condition, though very slow. Starter Fitzpatrick was in excellent form with the flag, with the exception of the last race, when he had a field of 12; Crimea, who was well played by her stable, being left at the post. The card was a good one and furnished the best racing yet seen on the H.J.C. track while aside from the Prince of Wales' Plate, there were but three horses scratched in the five events.

Of the five colored on the card for the opening event, four went to the post, Crimea being the only absentee. Sun Up looked like a good thing, notwithstanding his heavy impost, though a strong tip on Mussulman sent his price from 4 to 5 up to 6 to 5 at the post, Mussulman being backed from 2 to 1 down to 8 to 5.

Six two-year-olds went to the post for the second race, with Truxillo the hottest kind of a tip. Maud Lyles and Cardinal were next in demand, while Edna D was nibbled at by a few.

The Wellington Handicap proved a capital race, though Havoc, admirably ridden by McGlone, won cleverly at the finish. One of America's crack jockeys, Monk Overton, made his first appearance on a Canadian track, having the mount on Subito. The Schoenfeld colt appeared very sore in his warming-up gallop, and in consequence his price went back from 2 to 2 1-2 to 1. The talent could see nothing in the race but Havoc, who was backed from 6 to 5 to 7 to 10, while a few fancied Basso and Booze.

Springal and Melcha were the only two to put in an appearance for the Prince of Wales' Plate, and Mr. Seagram's horse was such a warm favorite that there was little or no speculation.

The Trouble Steeplechase had eight starters, and promised to be one of the best jumping races seen in Canada in some time. Somersault was made a hot favorite. His stable backed him and many of the racetrack following went down on him. Notwithstanding Lion Heart's good race at Woodbine Park last week, and with Mara up, as good as 2 1-2 to 1 could be had against him. His old jockey, Gus Hamilton, sat up in the grand stand with his arm in a sling, and, though he could not lose, Red Pat, too, who would no doubt have been the contending horse had he not fallen, was quoted at a surprisingly long price, 3 to 1. The others had little support, though a tip was out on Alfonsina, and many played her for a place and to show.

The last race, a selling affair at seven furlongs, had twelve starters. After some delay, they were sent away to a straggling start, with Crimea left entirely. Stonemason, the favorite, soon worked his way to the front, and won with something to spare. Alamo, coming very fast in the stretch, secured the place, and Miss Celestine managed to beat Mr. Sass for third.

THE BASEBALL ROUND.

Buckenberger's Toronto Team Take Another Fall Out of the Bisons.

Buffalo batters failed to hit McPartlin over the Don yesterday, and as the Torontos bunched theirs, the visitors were easily beaten. Both teams fielded well. The crowd guyed Jim Field when the long first-baseman struck out twice. A base on balls, three singles and an error gave the locals a lead at the outset that the visitors failed to overcome. Score:

WALES WON THE DERBY.

tournament sent a congratulatory telegram to the Prince of Wales, who replied, saying:

"I sincerely thank you, the others taking part in the tournament and the spectators for your kind congratulations."

The Prince of Wales arrived at the Victoria Station on his return to London at 5.15 p.m. He was heartily cheered as he alighted from the train and entered his carriage to be driven to Marlborough House, where he gave a dinner to the Jockey Club at 8.30 this evening.

The Standard says that St. Frusquin returned to the weighing room with a broken stirrup leather. His jockey, T. Loates, however, says that the leather was broken at the last stride, and its breaking did not affect the result in the least.

This is the second time a Prince of Wales has won the Derby since its institution in 1780. On the other occasion the winner was Sir Thomas, by Pontiac, out of Stolesmistress, ridden by W. South in 1788. Then there were eleven starters as to-day. Sir Thomas was owned by George of Hanover, afterwards George IV.

The Epsom Town Plate Handicap, of 103 sovs., for 3-year-olds and upwards, 5 furlongs, was won by Mr. E. Wishard's ch.m. Helen Nichols, 136, by Iroquois, out of Orphan Girl, 6; Royal Flush, 110, second, and Marble, 110, third. The betting was 12 to 1 each against Helen Nichols and Royal Flush and 2 to 1 against Marble. Eight horses ran.

MURRAY'S BASEBALL CLUB.

W. A. Murray & Co.'s employes met last evening and organized a baseball club. The enthusiasts think there is lots of material among them for ball playing. Messrs. John Drynan and W. T. Murray are patrons of the club. The officers are: J. W. Drynan, president; G. W. Kennedy, vice-president; John O'Connor, sec.-treas; Frank Lancaster, manager; committee, Percy Hill, W. Cassidy, Thos. Campbell.

DIAMOND DUST.

The Toronto Senior Baseball League meet to-night in the Dipsing Hotel, George and King-streets, at 8.15 o'clock. All delegates are requested to be present.

The Western Capitals would like to arrange a match with any out-of-town club for July 1, Oakville preferred. Address D. McKerihen, 349 Givins-street.

The South Parkdales were not engaged in a game with the Argyles, as mentioned yesterday. It was the Argyles, with Dunlop and McCreary as battery, that suffered defeat, their conquerors being the Parkdale III. nine.

PIGEON FLYING.

The members of the Q.B.D.M.P.A. held the third race this season, when Toronto members' pigeons were released by Major Cameron at Kingston, 162 miles from Toronto, and Hamilton members' pigeons were let go at Marysville by Mr. Laroy. The Hamilton members scored first and second. Following is the time of first pigeon in each competitor's loft:

NEW HAMBURG RACES.

New Hamburg, June 3.—The opening of the Canadian trotting and pacing circuit of Western Canada occurred here to-day. The New Hamburg Turf Association hung out $2000 in purses for a two-days' program three events each day. The races to-day were well fought out.

Nellie Bruce won the trot and pace handily, making the fastest time of the day, 2.18¾, thereby again proving her superiority on this track, and to be one of the best little mares in Western Canada. In the 2.27 pace and 2.25 trot, Minnie May of Toronto won in a hard contest, her nearest rival, Jim Corbett, of Hagersville, hanging close on to her in the last three heats. Starter Scott of Tilsonburg gave every satisfaction.

TRUE BLUE GRAND LODGE PASS A RESOLUTION

Condemning the Action of the Federal Government on the School Matter—Wallace and McCarthy's Stand Commended—A Slap at Sam Hughes of Lindsay—The Next Place of Meeting.

Cobourg, June 3.—The Grand Lodge of Loyal True Blues resumed business at 9 this morning. Most of the delegates were in their places at the opening. The largest attendance was when the Committee on Resolutions entered. The committee was presenting its report, when the council, headed by the Mayor, was received. The Mayor read an address of welcome.

Grand Master Fitzgerald and Grand Chaplain Rev. J. Coburn replied.

Addresses were also made by the councilmen. After exchanging greetings with the council, the members of the Grand Lodge took up the report of the Committee on Resolutions. Members from all parts expressed themselves in hearty sympathy with all the clauses, which were as follows:

1—That this Grand Lodge affirms its strong adherence to the principle of non-sectarian schools, believeing that a dual system, especially when one section of that system is under the control of the hierarchy of Rome, is detrimental to the peace and progress of any people. We strongly endorse the patriotic course pursued by the Government of Manitoba in the establishment of a National school system, and we rejoice that the people of that province have united at the polls and by a practically unanimous vote have sustained their legislators in the matter.

2—That we cannot close our eyes to the fact that the Romish Church, by secret and Jesuitical methods, is rapidly gaining control of the Government of Canada, and it is our opinion that if our country is to be saved from becoming a vassal of Rome the free people of this Dominion must arise and determine to resist and frustrate the aggression of any ecclesiastical system.

3—That it is in grief and shame we are compelled to notice that the Dominion Government, under the influence of the hierarchy, first issued the arrogant and insulting Remedial order, and subsequently introduced into Parliament the so-called Remedial Bill, which we believe to be one of the most infamous measures ever proposed in the legislative halls of any country, and we feel that we cannot too strongly condemn the Government for its action and the Protestants of the House of Commons who so far forgot their solemn obligation to their country as to join hands with the minions of Rome and assist in the coercion of their brethren in Manitoba.

4—That while we hold strong doubts as to the validity of the claim made by Major Sam Hughes, M.P., in his paper, The Lindsay Warder, that he had received a letter from a member of his order desiring him to assist the Government in passing the Remedial Bill, we utterly repudiate any such action, it being directly opposed to the principles of our loyal order.

5—That we express our great satisfaction with the noble stand taken by a few men in the House of Commons, who, in spite of threats and entreaties, remained true to their principles and defied to their very face the powers of Rome. We feel that our heartiest thanks are due to Hon. N. Clarke Wallace, M.P., and D'Alton McCarthy, M.P., who bravely and ably led the forces in the defence of Manitoba. The course of Mr. Wallace in refusing to remain a member of a Rome-ridden Government, in resigning a lucrative position therein, rather than assist in the coercion of Manitoba, is one that should call for the admiration of every Canadian, and we congratulate him on his re-election to the position of Most Worshipful Grand Master of the Loyal Orange Association of British America. We strongly urge upon the members of our association the dire necessity of strenuously opposing all candidates for Parliamentary honors at the coming election who refuse to pledge themselves to vote want of confidence in any Government upon a motion making for Remedial legislation.

The lodge showing the largest increase for the year and winning the prize banner was Enniskillen Lodge, Picton. Toronto still retains the largest lodge, Lady Erne Lodge carrying off the banner.

Bracebridge, Ottawa, Picton and Buffalo are bidding for the Grand Lodge to meet in their respective towns next year.

In the evening a complimentary concert was tendered the delegates by the local members. Half the business has not yet been accomplished. At midnight the lodge was still in session, having resumed business at the close of the concert.

Bracebridge and Picton are offering inducements to have the orphanage erected in their town. Free sites and thousands of dollars are being offered.
