HERO OF LADYSMITH IS BACK IN ENGLAND

Thousands Greet Gen. White on His Arrival at Southampton.

FLAGS AND DECORATIONS

Were to Be Seen On Every Hand and the Mayor and Corporation in State Robes Bade Him Welcome.

TREMENDOUS ENTHUSIASM SHOWN

For the Man Whose Noble Efforts Gained for Him the Admiration of the World.

London, April 14.—The scene which greeted Gen. George White, when the steamer Dunvegan Castle, on which he left Cape Town, March 28, reached Southampton this afternoon, must have convinced him of the admiration of his countrymen for his gallant defence of Ladysmith during the long and trying siege of that place. From early morning, crowds collected by thousands in the neighborhood of the docks. The buildings in the vicinity were gaily decorated, and all the public institutions were covered with flags. The harbor presented a brilliant scene, and the Dunvegan Castle's berth at the wharf was resplendent with bunting and evergreens. There, Lady White, the Mayor and the members of the corporation, in their state robes, uniformed soldiers and sailors, and a number of guests awaited the gallant defender of Ladysmith.

The General Greeted.

As the steamer loomed up in the distance, with Gen. White standing on the bridge, the enthusiasm of the waiting multitude broke loose, and a storm of cheering and singing and the sounding of sirens and whistles intermingled uninterruptedly until Sir George landed at 2.30 p. m.

Presented With an Address.

The greeting between husband and wife being over, Gen. White had to undergo much handshaking and the receiving of congratulations from personal friends before he reached the dock, where the municipal authorities presented him with an elaborately illuminated address of welcome, expressing profound admiration at his "noble and successful efforts to uphold and maintain the honor and dignity of the Empire in distant Natal, which have won the lasting admiration of the civilized world."

Tremendous Enthusiasm.

During the reading of the address, the huge crowds in the vicinity seized every occasion to hurrah, and the enthusiasm was indescribable. Hats, handkerchiefs and flags were waved frantically, and cheer followed cheer in endless succession. Gen White was visibly moved at the warmth of his reception.

In acknowledging the address, he referred with admiration to his gallant garrison, every one of whom, he said, "from Gen. Hunter to the brave trumpeter, had behaved magnificently."

Gen. White in London.

London, April 14.—Gen. White and Lady White afterwards proceeded to Netley, where the General will recuperate. Hundreds of congratulatory telegrams awaited Sir George on his arrival at Southampton, including one from Queen Victoria, making an inquiry as to his health.

The General and Lady White, accompanied by their daughter, arrived in London to-night.

KIPLING IS "TOMMY'S" FRIEND.

The Great Author Talked a Long Time to a Wounded Canadian in the Hospital.

Windsor, Ont., April 14.—D. Craig of Windsor, writing from the Duke of Portland's private hospital at Rondebosch, Cape Colony, where he is laid up with sprained ankles, says: I have just had the pleasure of meeting Rudyard Kipling, and inclosed you will find his autograph, and my name, both written by him on a leaf of a peculiar tree that grows at the base of the Table Mountains. Kipling stayed with me a long time, and appeared quite interested when he learned I was a Canadian. He asked me from what part of Canada I came, and all about the country. He is a fine little fellow, and keeps one laughing continually. He told me all about his travels, and wanted to know whether the 10 acres of land he owns in British Columbia are worth paying taxes on. He spoke of his illness in New York, saying he had a mighty close call. He will be around again in a few days, and has promised to write a poem on Canada. It will not be of the "Lady of the Snows" kind, I'll bet. Before leaving, Kipling passed around cigarets to all the wounded in the hospital. He is certainly the "Tommies" friend.

How Burghers Are Duped.

One of the most amusing things about this war is the great bluff the Boer field cornets put up on their ignorant followers. The latter are told that the surrender of Cronje and the relief of Ladysmith and Kimberley are only British lies, and the poor dupes believe it. I hope the war will soon be over, as time is beginning to hang heavily.

The Victor Baseball Club held an enthusiastic meeting of organization in the board room of the Fred Victor Mission Saturday evening, when arrangements were completed for the coming season's work and the following officers elected: Manager, T. H. Mason; captain, Charles Robertson; treasurer, Arthur Hardy; secretary, Ben Brown, 139 George-street. The club is open to receive challenges and would like to arrange a game with an outside club for the Queen's birthday.

All members of the Riverside F.B.C. are requested to turn out to practice to-night at 6.30 out the old ball grounds.

The Crawfords defeated the Marlboros in a six-innings game by 10 to 7, both teams showing up well for the opening game of the season. Batteries—Calhoun, Drohan and Walker; Harding, Mechim and Graham.

HER BOY CRUSHED TO DEATH

The Fenderless Trolley Does Its Deadly Work at the Junction on Saturday.

MRS. KYLE'S AWFUL DISCOVERY.

Heard of the Accident, and, on Looking at the Victim, Saw It Was Her Son.

Toronto Junction, April 15.—Another child fell a victim to the fenderless trolley yesterday afternoon, near the corner of Pacific-avenue and Dundas-streets, when Willie, the five-year-old son of Mr. Hugh Kyle of 142 Vine-avenue, had his life crushed out. The little fellow was with his sister and three other children when the accident happened. They had all just run out of Kemp & Whetter's butcher shop, and were crossing the road in front of the Lambton car, which was approaching from the east. They all ran across the track except little Willie who was apparently undecided which way to run and was caught by the big motor right in the centre of the track. The poor little fellow was doubled up underneath the car and carried about 90 feet before it stopped. His skull was crushed and his head was very much mangled. The child's mother was walking along Dundas-street at the time and on hearing that an accident had happened rushed to the scene, only to be painfully stricken with the sad realization that the child was her own.

Dr. G. W. Clendenan was summoned, and ordered the remains moved to Cummings' undertaking rooms, where an inquest was opened last night, with John Paterson foreman. After viewing the body and examining the spot, an adjournment was made until Wednesday. The child's father is an engineer on the C.P.R., and was telegraphed to at Havelock. The motor was in charge of Motorman Robert Howland and Conductor R. Wiggins.

A Dangerous Bush Fire.

Chief of Police Royce put out a fire in the bush near Evelyn Crescent this afternoon, that was making dangerous headway. Many boys come out from the city on Sunday afternoons and are in the habit of setting fire to grass, leaves and twigs. The police will be on the lookout for them.

Easter Services.

The Easter services in the churches of the town to-day were characterized by special musical selections and appropriate floral decorations. Special services were held at St. John's Episcopal and St. Cecilia's R. C. Churches.

Hagerman.

Mr. Nicholas Hagerman, who was stricken with paralysis, over two weeks ago, has not recovered the power of speech, and but slight hopes are entertained of his recovery. The deepest sympathy is expressed for the sufferer and his family in their trouble.

The death last week of Evelyn, the 6-year-old daughter of Mr. John Reid from measels, has caused a feeling of profound sorrow in this neighborhood. The little one was thought to be improving, and no serious results were anticipated up to within a short time of her demise. The remains were interred in St. John's Cemetery on Thursday last, service being conducted by the Rev. Mr. Duncan. She was a particularly bright and winning little girl, and Mr. and Mrs. Reid are heartbroken over their loss.

Distribution of Machinery.

The Massey-Harris Company's distribution of machinery in York will start from the Massey works to-morrow, and arrive at the Woodruff House on the Kingston-road in time for dinner.

Reservoir Park.

The cut, as finally applied by the Board of Control, will leave this, the North End Park, in a very precarious condition during the coming year. In past years sums as high as $7000 have been allowed for running the conservatories and grounds of this popular resort of the North Enders, but unless the amount now set is changed at to-day's Council meeting, $3000 will be all that will be allowed Mr. Reeves to carry the work thru. Not only will this mean the closing of the greenhouses, but the general care of the grounds will have to be neglected if the expenditure is kept within the appropriation. With $3000 it is thought that the work carried on for years may be eked out, and the pleasure given to so many thousands of visitors still maintained. It is hardly to be anticipated that the City Council will deprive the North End of many of the advantages of its only breathing spot by action so penurious and short-sighted. Reservoir Park is one of the sights for summer visitors.

North Toronto.

Services at the town churches yesterday all partook of the Eastertide feeling, and decorations more chaste than profuse brightened the interiors of the various buildings. The rector, Rev. T. W. Paterson, officiated at Christ Church, Deer Park, and the choir rendered suitable anthems in a most creditable manner.

The Rev. Canon Osler preached at St. Clement's Church, Eglinton, yesterday morning, and the Rev. T. W. Powell in the evening. At the latter service Barnley's anthem, "Awake Up My Glory," was sung by the choir.

Mayor Davis' malady has now developed into inflammation of the lungs, and his condition is considered serious.

Mr. Edgar Douglas, who has been in charge of the customs at Mine Centre, Seine River district, for some years past, is down on a visit to his parents, Mr. and Mrs. William Douglas of Eglinton. Mrs. Douglas is in a precarious state of health at present.

The regular meeting of the Town Council will be held to-morrow evening, and a request will be made by a number of residents for the extension of the waterworks system on some of the town streets.

Mr. Henry Kerswell of Detroit is home with his parents for a few days prior to taking up a new position with a Chicago house.

Thornhill.

The amount of Government grant accorded the Public Library this year will be $86; last year it was nearly $100.

W. Bro. J. E. Francis was presented with a past master's jewel by Patterson Lodge, A.F. & A.M., on Thursday night last. The presentation was made by Bro. J. Drury, and fittingly replied to by the recipient.

Mr. Joseph Mundey still continues very low, and his recovery is now considered doubtful.

Mr. and Mrs. T. McMurtry of Bowmanville are visiting with Mrs. A. Gallanough.

York County News.

Queensville Presbyterians gave a pancake social on Good Friday evening.

Holland Landing's bucket brigade saved William Rahm's house from burning down last week.

A patriotic ball in aid of the Canadian Patriotic Fund will be held to-night in Taylor's Hall, Holland Landing.

Dr. Lockhart of King City has been appointed M.H.O. for King Township, in place of Dr. Norman, resigned.

Clairville spring fair will be held to-morrow.

Maple citizens are petitioning the G.T.R. to have the station, which is less than a quarter of a mile from the village, named Maple. At present it is called Richmond Hill, and Richmond Hill is four miles away.

NOT A SOLDIER WAS ON DUTY

On the Route of the Czar's Drive Thru the Streets of Moscow on Saturday.

THIS CAUSED GREAT SURPRISE.

New Era Has Been Inaugurated in His Majesty's Visit to Russia's Ancient Capital.

Moscow, April 14.—The Czar has inaugurated a new era. To the intense astonishment of everybody, not a soldier guarded the line of his progress thru the streets of Moscow to-day. No bodyguard surrounded the Imperial carriage, and as the Imperial cortege passed thru crowds of joyful subjects there were no police to stop their enthusiasm or to prevent their getting a close glimpse of their beloved monarch.

The Imperial family arrived early this morning and was welcomed by the Grand Duke Serge, Governor-General of Moscow, and the Grand Duchess Elizabeth, the Minister of the Interior, many of the nobility, military and civil dignitaries and the Mayor of the municipality.

Prince Troubetzkoi presented a bouquet to the Czarina. The Czar passed in front of the honorary troops of Moscow, who were posted near the Imperial platform. The Imperial party proceeded in carriages to the Kremlin, amid the cheers of the crowds that thronged the streets, altho the day was both cold and rainy.

Before entering the Kremlin the royal party visited the chapel of the Holy Virgin, which was surrounded by a crowd of two hundred thousand. At the chapel the Czar and Czarina were met by the metropolitan.

MR. JACOB ROSE DEAD.

Well-Known Toronto Cartage Agent Dies Suddenly From Hemorrhage of the Lungs.

Mr. Jacob Rose, manager of the W. Rose Cartage Company, passed away suddenly at his late residence, 269 Church-street, shortly after midnight yesterday morning. Mr. Rose was taken ill about six weeks ago with a cold, but his condition never gave any cause for alarm. He had so far improved that the physician said he could get up yesterday, and in another week's time he could return to his duties.

About ten minutes before his death Mr. Rose got up and walked to the bathroom. In a few minutes he returned to bed and was suddenly taken with hemorrhage of the lungs.

Mr. Rose was 57 years of age, and for over 40 years had been in the cartage business. He started business with a single express wagon, and within a few months had added several more to his stock. His business continued to grow until now it is the largest of its kind in Toronto. About a year ago Mr. Rose transferred the business to his son, William, who is at present the head of the firm. Deceased was a member of the Masonic order, A.O.U.W., and formerly belonged to the Knights of Pythias. Besides a widow, he leaves one daughter, Miss Hattie Rose, and seven sons, William, of the W. Rose Cartage Co.; John, traveling passenger agent of the C.P.R.; George, traveler in Chicago; Frederick, of the Canadian General Electric Co.; Robert, Samuel and Herbert. The funeral will take place to-morrow at 2.30 p.m. to St. James' Cemetery and will be private.
