St John, Aug 14 GEO. MORRISON, Jr.

To all whom it may Concern.

As there has been considerable speculation in regard to our late business, and as it may be somewhat interesting to some of our friends to be informed of our present position, and as we feel compelled to make a decided change in the future, we here beg to make this statement, giving the reasons which compel us to make such change.

When Mr. Chipman retired out of this business, some eight years ago, we owned him $20,000 odd. To meet this we had a good stock of goods, a large amount of debts and some real estate. We went into the business with enthusiasm, believing that we would be as successful as formerly. We thought we were as cautious as most persons in giving credit and that we gave as much attention to our business. But instead of our indebtedness growing less, we found that on October 11th, 1872, the evening of the fire in this place, our responsibility had increased to $55,000. Being reduced in circumstances in consequence of losing our stores and a large amount of goods, we were obliged to ask our creditors abroad for a discount, which request, in most cases, was readily granted. But in order to retain the good-will of our creditors in Amherst, we concluded to pay them in full, being $11,000 odd, and we hope that they and others will give the business with which we may be connected a share of their patronage, notwithstanding the withdrawal of further accommodation. Had the greater part of those indebted to us accompanied their sympathies with the payment of their accounts, as some did, we could have prosecuted our business as formerly. But now, at a period of one year from the fire, we have, within a few thousand dollars, as much in the country as we had at that time and have still a large amount of debts to discharge. We are, therefore, unable to continue the credit business, for, by investing in this way, with our ability to collect, our indebtedness, instead of growing less would increase. Under these circumstances we feel justified in saying that we would exhaust the patience of our creditors, their forbearance would cease, and, instead of indulging us a second time, they would probably force us into insolvency. Now, in order to prevent this unpleasant state of things, we find ourselves under the necessity of making a change, and the new concern, when established in the new store, will sell for cash on delivery.

To the many customers who have given us their patronage and paid their accounts, we are thankful, and to those who have since our calamity bought our goods, paid their bills and in other ways assisted us, we feel under many obligations, and state that we believe the change we are making will be to our mutual advantage.

We expect the proprietors in the new business will keep a well selected stock of goods and give those who will kindly favor them with their patronage part of the advantage which may be gained in not making bad debts and employing clerks to look after the credit business.

Contemplating all the changes, the business will be carried on under the name and style of

The Amherst Warehouse Company.

With this explanation, we now give notice that we are obliged to insist upon those who are indebted to us paying their accounts promptly. Any agreement made to take produce will be adhered to.

H. DOUGLAS & CO.

To The Public.

A PART of our goods is now at the station, and we expect to have our

STOCK COMPLETED

before navigation closes here. As our shop is large, with all parts easy of access, the

Salesroom being 38x50 feet,

and as those in attendance will not have to look after books and accounts, we feel assured that our customers will find the store airy and pleasant and the attention satisfactory.

VINEGAR BITTERS

WELL WORTH A GUINEA

PURELY VEGETABLE

CALIFORNIA VINEGAR BITTERS

DEWALKER'S

ALCOHOL

EUREKA

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and localically so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is eventually necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-tasted.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. **One** bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc.—In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Typo-setters, Gold beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuge, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is seen perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. **Keep** the blood pure, and the health of the system will follow.
