CANTON HOUSE.

FAMILY TEA, COFFEE AND SUGAR WAREHOUSE,

No. 109, Notre Dame Street.

SAMUEL COCHRAN invites the attention of Customers to his stock of TEAS and COFFEES, which have been selected with the greatest care, and on such terms as allow him to offer them at unusually low prices.

The MACHINERY on the Premises, worked by a Four Horse Power Steam Engine, for Roasting and Grinding Coffee, is on the most approved plan, the Coffee being closely confined in polished metal spheres, which are constantly revolving and oscillating in heated air chambers, is prevented imbibing taint from Smoke, danger of partial carbonization of the Bean and loss of Aroma, so important to Connoisseurs, which is further ensured by attention to Grinding at the shortest time prior to Sale. To this elaborate process SAMUEL COCHRAN owes the high reputation his Coffee has obtained through a large portion of the Provinces.

CRYSTALIZED SUGAR (much admired for Coffee); REFINED SUGAR in small loaves, and WEST INDIA SUGARS, of the best qualities, always on hand.

A few of the choicest selections of TEAS may be had at the CANTON HOUSE, in Native Catty Packages, unrivalled in flavor and perfume, at moderate terms.

Families residing distant from Montreal will have their orders scrupulously attended to, and forwarded with immediate despatch.

THRASHING MACHINES.

LETTERS PATENT.

TIME AND LABOR SAVED IS MONEY EARNED.

THE subscribers having secured to themselves the exclusive right of manufacturing and vending to others to use within the territory of Upper and Lower Canada,

SEVERANCE'S CELEBRATED IMPROVED HORSE POWER & THRASHING MACHINE,

one of the most valuable time and labor saving Machines ever devised by human ingenuity, respectfully inform the public, that they have just completed a new and extensive Factory on Wellington Street, enterting from Prince to George Street, which gives them more than double the accommodation they had in the old shop, which will accommodate, they trust, enough to supply the whole farming community of the United Provinces with a machine that will do more work, and cleaner grain in a day, with less expense and with greater cleanliness, than any other known invention—only requiring two horses.

We beg leave to say to our friends and the Public, that we are again prepared to furnish them in point of Thrashing Machines with an article superior even to those heretofore manufactured by us.

Our long experience in making, and the very liberal patronage we have enjoyed in the sale of our Machines, has, together with a constant determination to produce an article that will never fail to excel all others, caused us to watch carefully all the improvements that could be made from time to time, until now we feel confident in saying, that for durability, neatness of work, and amount of it they can do, our Thrashing Machines are unequalled by any in use. And while the grain is thrashed clean, and none of it broken or wasted, it is, at the same time, perfectly cleaned, fit for the Mill or any Market.

All orders addressed to us, or our Agent, Wm. Jonason, will be promptly attended to.

Machines shipped to any part in Canada, and every one warranted to be as good as recommended.

Liberal terms of payment allowed.

B. P. PAIGE & CO.

Whereas, Letters Patent were obtained, bearing date March 5, 1849, on said Machine, the public are cautioned against purchasing, using, or manufacturing any imitation article, as all infringements will be dealt with according to the law of the land.

All genuine Machines will be accompanied by a Deed signed by B. P. Paige, the owner of the right, giving the purchaser the right to use or transfer the same. Without such a Deed, no person will be safe in purchasing or using said Machine.

B. P. PAIGE.

Montreal, July 1, 1851. 374

JUDSON'S CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT,

FOR THE CURE OF

Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and

CONSUMPTION.

THE most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless, as to have been pronounced by Physicians and friends to be past all possibility of recovery, and at times thought to be dying, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medicinals which are peculiarly adapted to, and essentially necessary for the cure of

COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men, and the inventions of kind and sorrowing friends and nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medicines which were said to be *infallible* cures, but which have proved only palliatives; but this medicine is not only a palliative, but a *cure for ulcerated lungs*. It contains no deleterious drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing Consumption and all diseases of the lungs, such as *spitting of blood, coughs, pain in the side and chest, night sweats*, &c., &c.

About 1000 certificates of almost *miraculous* cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like quackery, (will show them to any person calling at our office.) This medicine will speak for itself and enough in its own favor wherever it is tried.

Caution.—This medicine is put up in a large bottle, and you must find the name of Comstock & Brothers, Proprietors, New York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John Street, New York.

TO OWNERS OF AND DEALERS IN HORSES.

CARLTON'S FOUNDER OINTMENT.

For the cure of Founder, Split Hoof, Hoof-bound Horses, and Contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts, Kicks, &c., on Horses.

CARLTON'S RING-BONE CURE,

For the cure of Ring-Bone, Blood Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.

The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Bots, &c. All of which will be prevented by giving one of these powders, and will, at any time, cure when any symptoms of disease appear, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from, or producing a bad state of the blood, are speedily cured by them. Remember and ask for CARLTON'S CONDITION POWDERS, and take *no others*.

CARLTON'S NERVE AND BONE LINIMENT FOR HORSES;

and for the cure of all diseases of man or beast that require *external* application, and for *contracted cords* and *muscles*, strengthens *weak limbs*, and is also used for *sprains, bruises, middle galls, swelled legs*, sores of all kinds.

CARLTON'S articles for *Horses*, are prepared from the recipe of a very celebrated English Farrier, and will cure, in ninety-nine cases out of one hundred, all the above complaints. They have been tried, and of the above complaints, and used by *Farriers*, Livery-men, Stage Proprietors, and others, with the most marked and decided success.

CAUTION.—*None* can be genuine unless you find the name of J. Carlton Comstock on the wrapper of each article.

FOR FEMALE AND MALE.

DR. LARZETTE'S JUNO CORDIAL, or Procreative Elixir, prescribed as an effectual restorative in cases of Debility, Impotency, or Barrenness, and all irregularities of nature. It is all that it professes to be, viz: Nature's Great Restorative, and remedy for those in the married state without offspring. It is a certain cure for Seminal Emissions, General Debility, Gleet, Weakness of the Urinal Organs, Nervous Affections, Leucorrhœa or Whites; As an Invigorating medicine, it is unequalled. Also, a certain remedy for incipient consumption, Insanity, loss of Muscular Energy, Physical Imbecility, Female Weakness, Debility, &c. It is warranted to please the user in any of the above complaints, and is of priceless value to those without offspring.

CAUTION.—Find the name of Comstock & Brother on the wrapper, or never buy it—the only genuine has their signature on the wrapper.

CARLTON'S LINIMENT FOR THE PILES, &c.

It is now used in the principal Hospitals, and in the private practice in our country, by an immense number of individuals and families, first and most certainly for the cure of the PILES, and also extensively and effectually for the cure of Bruises, Burns, Scalds, &c., &c., &c., as well as to baffle crudity unless where its effects are wilfully neglected, or improperly in the following complaints:—

FOR DROPSY—Causing extraordinary absorption at once.

SWELLINGS—Reducing them in a few hours.

RHEUMATISM—Acute or Chronic, giving immediate ease.
