COLLEGIANS PLAY HOCKEY

Varsity II. Defeated Trinity in an Intermediate Game in the Inter-Collegiate League.

THE COLLEGIATE LEAGUE OPENING

Jarvis Lost to Harbord, While Technical School Beat Jameson.

The intermediate game in the Intercollegiate Hockey League on Monday at the Mutual-street Rink between Trinity and Varsity II. resulted in an easy victory for the latter's aggregation by 13 goals to 3. The contest was Varsity's game all the way. Their forward line indulged in excellent combination throughout. By their showing in yesterday's game they appear to be strong candidates for the intermediate intercollegiate championship, having won all the games so far played. The score at half time was 6 goals to 1, and during the second half the best Trinity could do was to tally two goals, against Varsity's seven. Trinity forwards indulged too often in individual work, and during the first half of the contest did not combine to any extent, but during the second half, at times, they did a little better. Peterson and Pritchard excelling. Captain Clark at cover-point, played effectively, but could not stem the onslaught of the Varsity forwards, who were very fast, their opponents being completely nonplussed by the great team play. Housser and Caulfield were excellent, their rushes being brilliant and their shooting clean and to the mark, while Gladney and Montague worked well with their comrades in many a forward rush.

Brown, at cover, was clever, his checking and lifting being especially noticeable, while Lash in goal made few mistakes, as did McIlroy at point, the latter being always in the right place.

At the face-off Varsity started to rush things, when, after three minutes' play Montague scored the first goal. Peterson tied the score, but after that Varsity worked some combination, and as a result Brown and Housser tallied. The fifth goal furnished some fast hockey, and it took ten minutes to do the trick, when Brown, who stopped a good rush by Pritchard, carried the puck down the centre and scored by a neat shot. The next two went to Varsity in short order just before half time. On resuming play, Housser, at the face-off, secured and scored in four seconds in the fastest kind of scoring. The ninth went to Trinity, when Pritchard scored after an individual rush. The next four goals went to Varsity, when Peterson took a look in when he scored from a mixup in front of Varsity's goal. Just before time was up goals scored by Housser and Brown completed Varsity's telling score. The teams were:

Varsity II. (13): Lash, goal; McIlroy, point; Brown, cover-point; Caulfield, right wing; Gladney, rover; Housser, centre; Montague, left wing.

Trinity University (3): Duggan, goal; Strathy, point; Clark, cover-point; Pritchard, right wing; Frankish, rover; Peterson, centre; Brereton, left wing.

St. Andrew's College 4, Newmarket 2

The junior game in Group 4 of the O. H. A. series at Mutual-street rink on Monday night, between St. Andrew's College team and Newmarket, was a poor exhibition, and was won by the College boys by 4 goals to 2. The game was rough, both sides indulging in hard checking. The score at half-time was 3 to 0 in favor of S.A.C., but during the second half Newmarket played a little better, and scored 2 goals to their opponents' single tally. The shooting of both teams was poor, both forwards missing many chances to score. Doherty, Osborne, Smith and Ough were ruled off for cross-checking, slashing and tripping. For St. Andrews, McLaren in goal played excellently, stopping many clever shots, especially by Ough, Millar and Osborne. Smith at point and Douglas at cover checked and broke up many an individual rush, while for Newmarket F. Doyle performed similar feats. Hay tallied the first two goals for the Collegians, and just before half-time Doherty made a good centre rush up the ice, scoring by a neat shot. After a rest Osborne tallied twice for Newmarket, when Doherty ended the contest by putting the puck between the posts for St. Andrews. The teams were:

St. Andrew's College (4): MacLaren, goal; Smith, point; Douglas, cover; Sale, right wing; Doherty, centre; Hay, rover; Scott, left wing.

St. M. C. Won Opening Game.

St. Michael's College hockey team easily defeated the St. Peter's A.C. on the college rink, the score standing 10 to 0. As this was their first game of 1903, they feel much encouraged over the result. Both teams played well, but the combination work of the college forward line, with a strong defence behind it, were too much for their plucky opponents, who were unable to put a stop to the rushes and strong shooting. The teams lined up as follows:

St. Peters (0)—Goal, T. McGrath; point, Hodgins; cover-point, H. McGrath; forwards, Bradley, Purdie, Dempsey, O'Leary.

St. Michaels (10)—Goal, J. F. Kelly; point, J. Morrow (captain); cover-point, Morgan; forwards, Crocker, Mailloux, Dooley, Blute.

Goals scored: By Mailloux 5, by Crocker 2, by Blute 2, by Dooley 1.

Referee—Mr. John Murphy.

Victory for Howlands.

The H. S. Howland & Sons' second hockey team defeated the St. Albans II. in a league match of the Toronto Junior Hockey series. The hardware men were fast and defeated their opponents 2—0. Hutt; rover, S. Macklem; wings, J. Dickson and P. Sparling.

Toronto Collegiate League.

140,000 Saw Wales Beat England.

The opening match of the International Rugby tourney, in which England, Wales, Ireland and Scotland will participate, took place at Swansea, Wales, on Jan. 10, when England and Wales lined up against each other. Forty thousand persons paid admission to see the game, and on the adjoining housetops and steeples there were at least 100,000 more. Wales inaugurated a splendid three-quarter-back play, and in the first half the "men of Harlech" secured three goals and two tries, 21 points, to nothing for the Englishmen. This took the steam out of the Saxon fifteen, and, as an English critic put it, "they simply laid down at the first breath of the storm and quietly expired." In the second half, aided by the change of sides, England made a chance goal, and the final score was: Wales, 3 goals, 2 tries, or 21 points; England, 1 goal, or 5 points. After 15 minutes' play Pearson, the Welsh captain, was injured, and had to retire, his team playing the remainder of the match with 14 men. It was the twentieth match between England and Wales, and England has won 11 to 8 for Wales.

PORT HOPE 5, PETERBORO 1

Largest Crowd of Season Saw Group No. 2 O.H.A. Intermediate Match Decided.

PORT PERRY BEAT UXBRIDGE

Stratford Beat Woodstock—Many Outside Games Decided Monday Night.

Port Hope, Jan. 26.—The game, which decided that Port Hope will wrestle with Belleville for the O.H.A. intermediate championship, was played here this evening, with Peterboro, before the largest crowd of the season, resulting in a score of 5 to 1 in favor of the local team. Neither team displayed much brilliancy in the first half, but Port Hope had the better of the play throuout, and at half time the score was 2 to 1 in favor of the local team. In the second half the Peterboro team made a desperate effort to change the score, but the brilliant rushes of their forwards were fruitless, their flags were in constant danger, and before full time the combination of the Port Hope team proved effectual. The puck was faced by Referee Teifer of Collingwood at 8.20, and it took both teams some time to wake up to the game. Graham scored Peterboro's first and only goal in four minutes, but before half time Port Hope scored two goals. In the second half Port Hope took the only three goals, scoring in three, eight and 18 minutes respectively. The Port Hope team on the whole showed marked improvement on their former games, their defence proving almost invincible and their forwards playing a good combination. Armstrong at cover-point for Peterboro made his usual brilliant rushes, but was sent to the fence several times for tripping, while Cavanagh's work on the forward line and Glover's at point were very effective. The ice was in good condition, and the game was an excellent exhibition of clean hockey. Referee Teifer proved a strict and impartial referee. The teams lined up as follows:

Peterboro (1): Goal, Wasson; point, Glover; cover-point, Harold Armstrong; forwards, Whiteroft, Roy Armstrong, Cavanagh and Graham.

Port Hope (5): Goal, Mercer; point, Roache; cover-point, Brown; forwards, McCarthy, Boney, Masterson and McMillen.

Port Perry Leads in Group 3.

Uxbridge, Jan. 26.—An interesting game of hockey in the No. 3 district O. H. A. intermediate series was played here to-night between Uxbridge and Port Perry, resulting in a score of 5 to 4 in favor of Port Perry. The players were:

Port Perry (5): Goal, G. Hicks; point, J. Denison; cover, Callaghan; forwards, C. Denison, Vansincialt, H. Anderson, W. Ferguson.

Uxbridge (4): Goal, J. H. Chinn, point, James Coombe; cover, G. H. Campbell; forwards, Dr. Gilfillan, Ira Lott, P. Gordon, E. C. Gould.

Referee—P. McCabe of Peterboro.

This game virtually gives Port Perry the leadership of Group No. 3, O.H.A.

Collingwood 7, Barrie 1.

Collingwood, Jan. 26.—In the Intermediate O.H.A. hockey match to-night between Collingwood and Barrie, Barrie came up by special train to Collingwood, with 600 rooters on board, to see their town win, but they did not. The game, however, was very fast, considering the state of the ice, which was rather soft. As there is considerable rivalry between the two teams, the play was at times rather rough, and players on both sides graced the fence all during the game. The Collingwood boys, however, appeared to have the wind of their opponents, and at half-time the score was 3—0 in favor of the home team. During the second half the puck found the Collingwood goal once, but Collingwood retaliated with interest and scored four more goals before time was called. Final score: Collingwood 7, Barrie 1. M. J. Morrison of Osgoode Hall officiated as referee with excellent judgment and knowledge of the game, and gave general satisfaction. The teams were:

Barrie (1)—Goal, McNab; point, Williams; cover-point, Forester; forwards, Martin, Taggart, Riddle, Colwell.

Collingwood (7)—Goal, Patterson; point, Boyce; cover-point, Galloway; forwards, T. Collins, Belcher, C. Collins, Daymond.

Umpires—Arnold (Collingwood), W. Duff. Timekeepers—D. R. McLaren (Barrie), Frank Johnston (Collingwood). Attendance, 2000.

W.O.H.A. Intermediate Hockey.

Mr. Norman Rule, Collingwood, was referee, and his work was first-class. Arthur Cayley made his first appearance at cover-point for Orillia this season, and put up a fine game. Palmer, Nicholson, Corbeau and Corbett put up a magnificent game, the latter going the length of the ice and scoring Orillia's second goal. For Midland, English was the most prominent, and his shooting was the best of the evening. Fenton, at cover, for the visitors, put up a first-class game and was very popular with the crowd. Switzer in goal stopped many good ones and is a comer. The line-up was as follows:

ENGLISH LACROSSE TEAM'S TOUR.

Toronto L.C. Negotiating for Trip to Canada in 1904.

Lovers of our great national game will be pleased to hear that negotiations are now going on thru the Toronto Lacrosse Club with English lacrossists for a visit to Canada during the summer of 1904 by a team representing the full strength of Great Britain, which team will be selected after the present season's trials from the north or south of England, with Ireland included. The late visit of the Toronto Lacrosse Club has already proved of great benefit, both in methods of play and in the great increase of new clubs. The idea is at present for our visitors to land at Quebec, coming on direct to Toronto, where two weeks will be spent in games with city clubs, St. Catharines, Brantford, Galt, Fergus, Woodstock, etc., winding up their visit in Toronto against a combined team selected from Montreal, Ottawa, Cornwall and the west. Then they will go east for two weeks.

The T.L.C. feel that they are greatly indebted to the various associations at home for the handsome manner in which they were treated, being lavishly entertained wherever they went, and which to a certain extent was shared in the past by visiting teams from Montreal and Toronto.

Now that Canada is to have a first-class representative team of the strength of the Old Country for the first time, it is to be hoped that all clubs thruout Canada will join hands with the T.L.C. to render their trip a memorable one. The secretary of the T.C.A., J. M. Macdonald, invites correspondence on the matter.

Deer Hunting Season Too Early.

Sporting Editor World: An old deer-hunter, who hunted last fall in North Hastings County, Ontario, says about the hunting in Dec. county, that over half the deer shot in North Hastings County last fall were not fit to eat and a great number rotten. The weather was very warm and green flies plentiful. I claim that there is nothing that would increase the number of deer as much as to give the hunter snow. I will venture to say that every hunter that brings out his two deer has wounded two more, that he could not get, because he had no snow to follow his deer. The open season should be from Nov. 15 to 30; or, still better, the first 15 days of December. Then we would have snow, and we would not have to kill four deer to get two. It is high time that the government prohibited the hounding of deer. A hunter that cannot take a fresh deer track and shoot his two deer in two weeks should not class himself as a deer-hunter. Many hunters drive to North Hastings County from the front part of the country and return with their deer during the night. If a few game wardens were appointed to go over the hunting ground they might find many without license.

Still-Hunter.

PARKDALE WON THE FINAL

The Ice Was Soft and Snow Too Much for Rennie—Hood One Ahead of King.

THE SCOTCHMEN AT HAMILTON

Won Morning Game and Beaten in Afternoon by 22 Shots—Curling Notes.

Parkdale beat the Caledonians by 8 shots in Group 1, final, of the Ontario Tankard primary competition, at the Granite Rink last night. The ice was sticky at the start, and towards the finish some of the players with difficulty curled their stones over the hog. Parkdale started ahead, and the Caledonians never caught up. Snow was at home on the soft ice, and he made many accurate and clever shots. It was an even battle between Hood and King, with the veteran Mutual-street skip generally up. There were 13-all on the 13th end. Snow and Rennie played a rapid game, and were thru when they had curled only 16 ends on the other rink. Scores:

International Cricket.

The Philadelphia team as finally selected to visit England next summer, includes 15 players, and is made up as follows:

F. H. Bates, F. H. Bohlen, R. D. Brown, P. H. Clark, E. M. Cregar, N. Z. Graves, H. A. Haines, T. C. Jordon, J. B. King, J. A. Lester, P. N. LeRoy, C. C. Morris, G. S. Patterson, J. H. Scattergood and A. M. Wood.

The above team is the strongest that has ever represented the United States abroad. It has two first-class wicket keepers in J. H. Scattergood and P. C. Jordon, who will divide the arduous duties of "stumper" between them; some excellent bowling talent in J. B. King, P. H. Clark, P. N. LeRoy and E. M. Cregar, and some splendid batsmen in J. A. Lester, G. S. Patterson, F. H. Bohlen, F. H. Bates, R. D. Brown and A. M. Wood. The other men are also good with the willow and several of them have done good work with the ball.

The team will meet stronger opponents than ever before encountered in England by a visiting American team, but it is confidently expected that it will be able to make a respectable showing, and hold its own in a majority of the matches.

The following schedule of games has been arranged by C. W. Alcock, secretary of the Surrey County Cricket Club, who made the fixtures for the tourists:

June 8, 9, 10—At Cambridge, v. Cambridge University.

June 11, 12, 13—At Oxford, v. Oxford University.

June 16, 17, 18—At Cheltenham, v. Gloucestershire.

June 18, 19, 20—At Nottingham, v. Notts.

June 22, 23, 24—At Lord's, v. Marylebone C.C.

June 25, 26, 27—At Beckenham, v. Kent.

June 29, 30, July 1—At Taunton, v. Somerset.

July 6, 7, 8—At Manchester, v. Lancashire.

July 9, 10, 11—At Birmingham, v. Warwickshire.

July 13, 14, 15—At Worcester, v. Worcestershire.

July 16, 17, 18—At Southampton, v. Hampshire.

July 27, 28, 29—At Brighton, v. Sussex.

Aug. 3, 4, 5—At Leicester, v. Leicestershire.

Aug. 6, 7, 8—At the Oval, v. Surrey.

These games have been included in what are known as the first-class matches of England, and will be reckoned in computing the English averages, something never before done with matches with American teams. It will be noticed that the schedule does not include a game with Yorkshire, Lord Hawke's county, but in all other respects it is considered highly satisfactory, altho the games originally proposed to be played with the Gentlemen of Ireland at Dublin, and Gentlemen of Scotland have been left out.
