Progressive Appeal to the Voters of East Middlesex

Having been unanimously chosen as the candidate by the convention held in London on Sept. 26, composed of representative Farmer and Labor men, living in the riding of East Middlesex, I now offer myself for re-election as your representative during the next session of Parliament. In doing so, I desire to bring to your attention a few of the things which the Progressive party advocate.

The needs of the labor man and the farmer are so similar and their interests are so inter-locked and interwoven that I have no hesitation in appealing to both classes for their support, and what will work out to be advantageous to those people will surely be in the interest of our Dominion, and therefore will be beneficial to all citizens, whether rich or poor.

I appeal to you for your support. I do so on the following platform:

1. Nationalization of our Banking System.
2. Nationalization of Public Utilities.
3. Cutting the expenditure for the maintenance of an armed force in Canada to the very bone.
4. Abolition of grants towards cadet training.
5. Abolition of Senate.
6. No court in Canada to have legal right to declare illegal any Act of Parliament.
7. No appeal from the Highest Court of Canada.
8. Reduction of tariff to make it revenue-producing rather than protection.
9. Equalization of freight rates.
10. Labelling of all food products and wearing apparel showing the manufacturer's name and address.
11. Representatives of Agriculture and Labor to be appointed on future Advisory boards and to Board of Directors of C. N. R.
12. Calling of conference to define the fields of taxation of Federal, Provincial and Municipal authorities.
13. Selective immigration policy.

These reforms are all of a Progressive nature, and I hope you will consider them very carefully and see fit to cast your ballot in support of a policy which will be of the greatest good to the greatest number.

"Archie" L. Hodgins

Farmer-Labor Candidate for East Middlesex.

Progressive Committee Rooms, Bank of Montreal Chambers, Market Square.
