Trouble in the Cabinet Camp—Wrangling over the Spoils—Quebec's Desires.

OTTAWA, June 12.

The Cabinet met at an early hour yesterday and remained in session nearly all day without succeeding in settling the differences that have arisen respecting the filling of the vacancies and the redistribution of portfolios. The Quebec members of the Cabinet claim that, as Ontario has the Premier and the Minister of Finance, Quebec should have the Minister of Justice and the Minister of Marine and Fisheries or some other important Minister. The other members of the Government are desirous of making Albert J. Smith the successor of M. Dorion, and are willing to give Quebec the portfolio of Marine and Fisheries or the Interior, conferring it upon either Fournier or Geoffrion as may be most agreeable to the French members. The Department of the Interior would please the Quebec members most of the two, because it has the chief management of the affairs of the North West, but they refuse to be put off with this concession, demanding the Department of Justice as well. There is said to be no hope of the Quebec Ministers consenting to the appointment of Smith, or any other man outside of Quebec, as Minister of Justice.

The Cabinet is again in session to-day.

Mr. Holton arrived yesterday and was closeted with the Premier several hours.

New Advertisements,

To the Electors of the County of Kent.

GENTLEMEN:—

At the approaching election for the Local Assembly, I shall be a Candidate for your suffrages, and respectfully solicit your votes. In doing so, it is incumbent upon me to state my views upon the great questions which now agitate the public mind. Paramount among these is the question of provision by the State for the Free Non-Sectarian Education of the youth of our country. My principles are strictly EQUAL RIGHTS AND EQUAL PRIVILEGES TO ALL.

Believing, as I do, that the federal system, as applicable to the Lower Provinces, is both too expensive and too cumbersome, I shall, if elected, favor a Legislative Union of the Provinces of New Brunswick, Nova Scotia and Prince Edward Island. Could that be accomplished, as I believe it can, our constitutional rights would no longer be endangered. Pending the discussion of this question, which I venture to predict will largely occupy the attention of the new Assembly, I should advocate the immediate abolition of that effete institution—the Legislative Council, a branch of the Legislature which, in my opinion, while largely increasing the expenses of Legislation, secures to us in return no adequate benefits or advantages.

This, together with reform and economy in the administration of the departments, will be the platform in support of which I respectfully solicit your votes.

Assuring you that my best endeavors in all questions (if elected) will be to advance the best interests of our common country,

I am, gentlemen,
Yours, most respectfully,
C. RICHARDSON.
