JNO. LIVINGSTONE, Jr.,
Town Agent, G. W. R.,
2-c. LISTOWEL.

LISTOWEL STANDARD.

FRIDAY, FEBRUARY 6, 1880.

TOWN AND COUNTRY.

The population of Brussels is 1,375.

THE Princess Louise landed safely on Monday.

THE O. Y. B. ball takes place to-night in the Osborne hall.

SKATES for the million, latest designs and all sizes, at S. Bricker & Co's hardware store.—47.

THE measles are prevalent in town, and the schools as a consequence are thinly attended.

The Stratford Beacon is so called because its editorial matter is so extremely light. So says the Guelph Herald.

THE election in West Hastings for the Local Legislature resulted in the return of Mr. Robertson, Conservative, by a majority of 149.

CONSTABLE Hemphill informs us that he has entered action against all the parties who signed the petition to have him removed. He has evidently got a "big contract" on his hands.

WITH the incoming of February, a change has come o'er the 'spirit' of the thermometer. To all appearances the return of sleighing is assured, for a time at least, by yesterday's snow storm.

FREE LECTURES.—Owen O'Brien, evangelist, has been lecturing in the town hall during the past two evenings, on the "Tabernacle in the Wilderness," illustrated with models. He will occupy the hall again this evening.

S. BRICKER & Co. have an immense stock of stoves on hand, bought before the late rise, and which they are selling at present wholesale prices. If you want either a coal or wood stove of any pattern, call at their hardware store.—47.

EXCELLENT addresses were delivered at the C. M. Church missionary meeting on **Monday evening by Revds. Braley of Gorrie, and Dyer of Drayton.** Rev. Dr. Fowler discharged the duties of his position with credit. The meeting was a very successful one.

CONSERVATIVES in town are requested to attend the meeting of the L. C. A. in Martin's hall this evening. Amongst other business to be brought before the meeting will be the appointment of representatives to attend the annual meeting of the County Association at Stratford on Saturday.

S. S. ANNIVERSARY.—The C. M. Church Sabbath School anniversary will be celebrated on Sunday next by special services. In the morning Rev. A. P. McGregor will officiate, and in the evening Rev. J. W. Bell will conduct the services. Rev. Dr. Fowler will exchange pulpits with these gentlemen. On Monday evening a tea-meeting will be held in the church. An entertainment programme will be provided by the S. S. scholars.

COUNTY ORANGE LODGE.—The County Orange Lodge of North Perth met in Listowel on Tuesday last. The meeting was well attended. The following officers were elected for the current year: County Master, Wm. Thompson, Palmerston; D. Master, James W. Magwood, Poole; Chaplain, Dr. Burgess, Listowel; Secretary, Wm. Little, Listowel; Treas., S. S. Rothwell, Elma; Lecturer, R. L. Alexander, Palmerston; Director of Ceremonies, A. M. Morrow, Listowel.

PREVIOUS to going to press, we learn by telegram that Soper and Richardson, the boys who were charged with having committed the highway robbery on the Dover track a short time ago, have been set at liberty. They were tried on Saturday last before Judge Lizars. After a number of witnesses had been examined, the trial was adjourned till Wednesday of this week. The evidence not being all taken on Wednesday, it was further adjourned till yesterday.

FIRE.—Listowel had another fire on Sunday night last. About dusk the house of Thomas Edmondson, in the West Ward, was discovered to be on fire in the attic. With the assistance of a few neighbors, the fire was soon, to all appearances, put out; but it again broke out between seven and eight o'clock, and when discovered this time it had gained too great headway to be mastered. The building—a substantial frame structure—was burned to the ground. Is was insured for $300 in the Victoria Mutual. The fire was caused by a defective flue.

FOX BROTHERS. — The entertainment given by these musical prodigies on Thursday evening of last week was patronized by a large and intelligent audience. The performance of the boys on the pianoforte was wonderful, and infinitely pleasing as well. Mr. Bauman's performances on the violin were also of a high order, and elicited the warm approbation of the audience. The excellent impression which they have left behind them will ensure a hearty welcome should the company again favor Listowel with a call.

TEACHERS' ASSOCIATION.—The semi-annual meeting of the North Perth Teachers Association will be held in the Central School, Listowel, on Friday and Saturday, 20th and 21st February. The programme announced is as follows: 1, Natural Philosophy, J. Crozier, B. A. 2, Introductory Algebra, J. Draper. 3, English History (4th Class P. S.) D. D. Ellis. 4, Reading by Convention, (The Prairie) page 49, IV. Book, B. Rothwell. 5, Physical Science as an Educator, R. A. Coleman, B. A. 6, Pupils' Reports, S. Ranton. 7, Mode of Conducting Promotion Examinations, R. Munroe. 8, Analysis of Gray's Elegy by Convention, page 356, IV. Book, J. Wilson, B. A. 9, Geography of British Empire, S. J. Kilpatrick. 10, Shall the Provincial Association be made representative? H. Dickenson. 11, Election of Delegates to Provincial Association. An entertainment will take place on Friday evening. Return tickets on Stratford & Huron Railway, at one and a third fare on presentation of Secretary's certificate at beginning of journey.

WEATHER BULLETIN.—A bulletin board, in connection with the Meteorological Service of the Dominion of Canada, has been introduced at the Great Western station in this town. A report of the weather throughout the United States and Canada is received by wire from the central office, Toronto, every morning at ten o'clock; also the "probabilities" for the next 24 hours. These reports are very accurate—much more so than Vennor's predictions, which are generally too comprehensive to be of any value. The public can have free access to the Bulletin board at any time, as it will be kept on view in the waiting room of the Great Western station. The following were the readings of the board Thursday at 10 a. m. "This morning the pressure was lowest over Northern Canada, and highest over the Western and Southern States. The weather is steady throughout the Maritime Provinces. Probabilities for the next 24 hours, for the Lower Lake region (which includes the Peninsula of Ontario and east as far as Kingston): Fresh to brisk; south-westerly to north-westerly winds; cloudy to partly cloudy weather, with light snow fall; stationary or lighter temperature."

PUBLIC SCHOOL BOARD.—The Listowel Public School Board met in the Council chamber on Tuesday evening 3rd inst., all the members present; W. Bradley, chairman, presiding. The minutes of last meeting were read and confirmed. On motion of W. G. Hay, seconded by A. Little, the following accounts were passed: J. H. Michiner 55 c.; Somerville & Bender, $1; A. Morrow, $5; W. Alexander, Insp., $7.75; Ferguson & Elliott, $2.75; C. F. Winters, $1.35; S. Bricker & Co., $2.63. The school report for the month of January was read by the chairman, as follows: 1st dept., No. on roll 50, average 40; 2nd dept., on roll 53, average 43; 3rd dept., on roll 69, average 59; 4th dept., on roll 65, average 55; 5th dept., on roll 65, average 45; 6th dept., on roll 71, average 48; 7th dept., on roll 87, average 61—total number of pupils registered during the month of January, 460. It was moved by R. Elliott, seconded by J. E. Terhune, that McBeth Green and N. Tilt be appointed to audit the accounts for 1879. It was moved by A. Little, seconded by J. P. Newman, that McBeth Green and B. B. Sarvis be appointed auditors of school accounts. The first motion being put, was carried on the following division, Yeas—W. G. Hay, R. Elliott, J. E. Terhune. Nays—J. P. Newman and A. Little. It was moved by R. Elliott, seconded by W. G. Hay, that the caretaker of the school, Mr. Lowe, be notified by the Secretary that his engagement with this Board expires on the 30th day of June, 1880. The mover and seconder of this resolution considered that the salary of the caretaker was altogether too high, and that a suitable person could be procured at a much lower salary. Mr. Hay, however, was doubtful whether the Board had the power to cancel the engagement entered into with the caretaker. Mr. Terhune said that the caretaker had always been hired by the year, and the only ground the Broad had for carrying out the resolution was the fact that the engagement had not been reduced to writing, which he considered would be doing an injustice to take advantage of, even if the Board had the power. If the resolution engaging Mr. Lowe for a year was binding, he thought it would be very foolish to attempt to pass the motion now before the Board. Mr. Newman questioned the power of the Board to cancel the engagement, and he did not think it would be policy to attempt it. Mr. Little opposed the resolution, and drew Mr. Hay's attention to the fact that Mr. Lowe's salary as caretaker was $295 per annum, not $335, the balance being allowed him by the town for ringing the bell. The yeas and nays being called for, the motion was lost on the following division: Yea—H. Hay and Elliott; nay—Newman, Terhune and Little. After some discussion on the appointment of an Inspector, that matter was deferred until next meeting. Mr. Rothwell, Principal of the School, explained to the Board the necessity of making promotions in some of the departments, and also the need of making provision for the extra work at present entailed on the senior division. The question of Miss Bolton's salary was then taken up and discussed by the Board. Miss Bolton taught in one of the divisions of the Public School during the early part of the year 1879. On the 1st day of July (about twelve days before the holidays) she tendered her resignation, which was accepted by the Board on the 2nd day of July. Miss Bolton continued teaching up to the holidays, and claims remuneration for the time which she taught, and also for the holidays. She asserts that it was her intention to continue teaching up to the holidays, although this is not stated in her notice of resignation, and her claim is apparently based upon that ground. The Board has obtained the opinion of the Minister of Education upon the matter, and his opinion appears to support the Board in refusing to pay the claim. The members of the Board were somewhat divided in opinion; it was resolved, however, to test the case if necessary, and the following motion was submitted and carried, Messrs. Hay, Newman and Little voting in favor of it, and Messrs. Elliott and Terhune voting against it, moved by W. G. Hay, seconded by A. Little, that in view of the Minister of Education's advice, we cannot entertain Miss Bolton's claim, and that the Secretary be requested to advise her that this Board is now and has been willing to pay her for the few days she taught after the termination of her agreement. The Board adjourned, to meet again on Tuesday evening next, 10th inst.

HIGH SCHOOL BOARD.—The first meeting of the Board of Listowel High School Trustees was held, in accordance with the provision of the Statute, on Wednesday 4th inst., in the Council chamber. The old members of the Board, namely, Messrs. Geo. Draper, D. D. Campbell, A. Hemsworth, and R. Ferguson, were present. Messrs. Wm. McKinney and Adam Austin, the newly appointed trustees, were also present, and having subscribed to the declaration, took their seats at the Board. The first business of the meeting was the election of a Chairman of the Board. It was moved by Adam Austin, seconded by R. Ferguson, that Wm. McKinney be chairman of the Board for this year. It was moved by A. Hemsworth, seconded by D. D. Campbell, that Geo. Draper, be chairman of this Board for the current year. Mr. Austin, in support of his motion, said that he had no confidence in the chairman of the Board; that the ratepayers were crying out against his extravagance; that the school was not occupying that rank or state of efficiency which it should; for the welfare of the public and in the interests of the school he thought it well to have a change in the chairmanship of the Board this year. Mr. Campbell considered that it was due to Mr. Draper to re appoint him chairman. The school building was unfinished, and he thought that the work should be completed and the house set in order before any changes were contemplated. Mr. Austin insisted on having his motion put, which was accordingly done, with the following result: for the first motion, Messrs. Ferguson and Austin. For the second motion, Messrs. Hemsworth and Campbell. Mr. Campbell, being the highest assessed member of the Board, gave the casting vote in favor of Mr. Draper, who was declared elected. Mr. Draper thanked the Board for the honor which they had conferred upon him. In regard to the charges which had been made against him by anonymous correspondents of the Banner, and others, he pronounced them to be wholly untruths. Nothing had been done in connection with the new High School from the time the land was selected till the present but what was agreed upon; the Building Committee had been notified in each instance, and nothing was done without their sanction and that of the inspector. He had discharged the duties of the chairman fearlessly and impartially, and he should continue to do so, and he was convinced that any young man who came to the Board for the purpose of obstructing it would soon change his opinion, for he would find that it is the Board's earnest desire to place the school in the greatest state of efficiency at the least possible expense. Mr. Draper again thanked the Board, and assumed the position of chairman. It was moved by A. Austin, seconded by W. McKinney, that R. Ferguson be Secretary-Treasurer of the Board. It was moved by A. Hemsworth, seconded by George Draper, that D. D. Campbell be Secretary-Treasurer. For the first motion, Messrs. Mckinney and Austin. For the second motion, Messrs. Hemsworth and Draper. Mr. Draper, having the necessary qualification, declared Mr. Campbell elected. The minutes of last meeting of the Board were then read and confirmed. The Secretary informed the Board that he had received a communication from the Adjutant-General in answer to enquiries concerning military drill in High Schools. The Board deferred taking any action in the matter. The following accounts were passed by the Board and ordered to be paid: D. D. Campbell $32.55, salary as Secretary, expenses in connection with the High School building, &c.; Wiles & Martinson $10.38 for pump; J. Smith, $4 for laying tiles; W. C. Kidd $2.50 for livery; Tatham & Co., $1.20 for 3 thermometers; R. Ferguson, $3.40 expenses in connection with H. S. building; Joseph Congdon $92.70, flues, &c., for new building; A. Hemsworth, $12, indemnity; Jno. Watson $10, indemnity. It was moved by A. Austin, seconded by W. McKinney, that all regular meetings of this Board be held in the town hall on the first Wednesday of each month, at the hour of 7.30 o'clock p. m.—carried. The question of opening the new High School was discussed. The Secretary was instructed to correspond with the Minister of Education, to ascertain if it was convenient for him to be present and formally open the school during the time of the meeting of the North Perth Teachers' Association—20th and 21st Feb. Mr. Crozier, head master of the High School, made a report to the Board of the fees paid and unpaid by pupils. It was moved by R. Ferguson, seconded by A. Austin, that W. McKinney be appointed to collect all fees from High School pupils, and account with the Treasurer for the same. Several complaints having been made to the Board concerning the inefficiency of the present system of teaching in the school, it was moved by D. D. Campbell, seconded by W. McKinney, that the chairman and Messrs. Ferguson and Austin be a committee to confer with the Principal of the High School in reference to time table and other matters connected with the school—carried. The Board then adjourned.

TOWN COUNCIL.—The regular monthly meeting of the Listowel Town Council was held on Monday evening, 2nd inst., in the Council Chamber; present—J. W. Scott, Mayor; T. E. Hay, Reeve; J. A. Hacking, Deputy-Reeve; Dr. Dillabough, Jacob Heppler, A. D. Freeman, W. G. Hay, W. Bradley, H. Martinson, Wm. Hess, and Jno. Binning, Councillors. W. Bright, town clerk, read the minutes of previous meeting, which were approved. A communication was read from T. H. Roberts, applying for a renewal of his billiard license. Several accounts were read and referred to Finance Committee. The Mayor read an abstract statement of the treasurer's accounts for the month of January, 1880, as follows:—*Receipts*—Amount on hand, Jan. 1, 1880, $3,291.31; Fines, costs and licenses, $25.00; Sales of Cemetery lots, $60.20; Hall rent, $4; Taxes, $1,105.55; Total, $4,486.04. *Expenditure*—Street improvements, $26.91; Expense account, $56.85; Salaries, $39.81; High School Building, $255.00; Relief, $4.88; Interest on Debentures, $750.00; Fire protection, $9.40; Total, $1,142.94. Amount on hand, $3,343.10. By-law No. 50 for the appointment of a High School Trustee in the stead of A. D. Freeman, retiring, was introduced. It was moved by Dr. Dillabough, seconded by Jno. Binning, that Andrew McIlwraith be appointed High School Trustee. Yeas—Dillabough, Hess and Binning. Nay—Heppler, Freeman, Hay (W. G.) Bradley, Hacking, Hay (T. E.) and Martinson—motion lost. It was moved by W. G. Hay, seconded by H. Martinson, that Adam Austin be appointed High School Trustee. Yeas—Heppler, Freeman, Hay (W. G.) Bradley, Hacking, Hay (T. E.) and Martinson. Nay—Dillabough, Hess and Binning. This motion was declared carried. By-law No. 50 was then passed. Dr. Nichol took his seat at the Council Board. By-law No. 51, for the regulation of tavern licenses for the next license year, was introduced. The Council went into committee of the whole on By-law No. 51, when it was moved by Dr. Dillabough, seconded by Dr. Nichol, that the number of licenses be limited to eight. It was moved in amendment by W. G. Hay, seconded by W. Bradley, that the number of licenses be limited to seven. A discussion on the resolutions followed, in which Messrs. Hay, Binning, Nichol, Scott, Hess, Hacking and Martinson took part. The discussion resulted in the adoption of the motion fixing the number of hotels to be licensed at eight, those in favor of it being Freeman, Hay (W.G.) and Bradley; against, Nichol, Dillabough, Hacking, Hay, Martinson, Hess, Scott and Binning. Clause 2 of the by-law, fixing the amount of tavern license at $400 was then passed in Committee. By-law No. 52, for the regulation of shop licenses was next introduced. The number of shop licenses to be granted was fixed at two, and the amount at $200 each. The Committee rose, when by-laws Nos. 51 and 52 were read a third time and passed. J. A. Hacking, Chairman of the Finance Committee, read the report of the Committee, recommending payment of the following accounts: S. Bricker & Co., for pipes for market building, $2; Jas. Pelton, horse hire for engine, $4; R. McMillan & Co., biscuits for tramps, 60c.; D. D. Campbell, rent, etc., polling booth and expenses to Toronto, $10.04; A. Morrow, returning officer and rent, $5; Goddard & Green, supplies, $2.50; R. R. Hay, livery, $2; J. A. Hacking, coal oil, $4.15; J. W. Scott, expenses to Toronto and signing debentures, $18; R. Elliott, returning officer, $3; R. Hemphill, constable polling day, $1; McBeth Green, returning officer, $3; W. C. Kidd, livery for County constable, $22.75; S. McLean, for tramps, $5; Wm. Hamilton, balance salary to January 26th, and postage, $17.65; Thos. Petherick, for board for prisoners re fire inquest, $5.20; T. E. Hay, selecting jurors, $4; McBeth Green, auditor, $8; J. E. Terhune, do., $8; Wm. M. Climie, coffin for indigent, $3. The Committee suggested that in future no tramps be taken to hotels or boarding houses for meals, but should be supplied with bread and cheese when necessary. Some discussion took place on the account of W. C. Kidd, after which the report of Finance Committee was adopted. It was moved by J. A. Hacking, seconded by W. Bradley, that the Mayor, Reeve and Messrs. Heppler, W. G. Hay and H. Martinson be a Committee to define duties of the constable and report at next meeting—carried. It was moved by J. A. Hacking, seconded by H. Martinson, that Wm. Roberts be granted a billiard license in accordance with town By-law—carried. The report of the Board of Works was read, as follows:

The Board of Works met in Council Chamber on Thursday, Jan. 22; members present—W. G. Hay, W. Hess, J. A. Hacking, Jno. Binning and J. Heppler. It was moved by Jno. Binning, seconded by Wm. Hess, that Jacob Heppler be Chairman of the Board of Works for the year 1880—carried. It was moved by J. A. Hacking, seconded by Jno. Binning, that the Chairman let the job of breaking stones, 10½ cords, not exceeding $4 per cord, and furnish hammers, the contractor to furnish his own hammer handles—carried in Committee.

Mr. Heppler stated that the contract for breaking stones had been let to John Firsden at $4 per cord. Several members of the Council Board questioned the propriety of letting the breaking of the stones by contract, it having been understood by them that the stones were purchased by the corporation solely to furnish employment for tramps. Exception was also taken to the Board of Works appointing its own Chairman, and an animated discussion on this question ensued. It was contended by Mr. W. G. Hay and others that the Chairman of the Board of Works should be appointed by the Council. Mr. Hay was desirous of the position, in order, as would be inferred from his remarks, that he might have supervision of the town constable while that functionary was on street duty. A compromise was endeavored to be made by offering Mr. Heppler the position of Chairman of the Board of Works "without portfolio," and giving the coveted appointment of Commissioner of Public Works to Mr. Hay. This, however, was not acquiesced in by Mr. Heppler, who met the suggestion with a decided refusal to accept the position under any consideration. The motion, "moved by H. Martinson and seconded by W. Bradley, that W. G. Hay be appointed commissioner of Public Works for the town of Listowel for the year 1880, and that he be allowed no salary for the same," was then put and carried. The next matter brought before the Council was the question of memorializing the Attorney-General to appoint a Police Magistrate, (without salary), for the town of Listowel. After a few remarks by the Mayor, who was of opinion that the appointment of a Police Magistrate would be beneficial to the town, it was moved by Dr. Nichol, seconded by Dr. Dillabough, and resolved, that the Ontario Government be asked to appoint a Police Magistrate for the town of Listowel and adjacent territory. On motion, the Mayor, Reeve and Councillors Nichol, Binning and Hacking were appointed a committee to draft and consolidate the town By-laws with a view of having them printed. In response to an application from Thos. Gibson of the Railway Hotel at the Great Western depot, praying for a reduction of his license on account of the limited business of the hotel, it was moved by J. Binning, seconded by W. G. Hay, and resolved, that Thomas Gibson be refunded $20, the same to apply on his taxes. The question of exemptions from taxation, also a number of appeals from the assessment, on account of dog tax and for other reasons, were referred to the Finance Committee, which will meet on Saturday evening, 7th inst., in the Council chamber, for the purpose of hearing all grievances and preparing a report to be submitted to the Council at its next meeting. The Auditors' Report, being an abstract statement of the Treasurer's accounts for the year 1879, was read by the Clerk, and referred to the Finance Committee. The collector was granted an extension of time to the 9th inst., to make his return of the Roll. An application was read by the Reeve from Mr. Adam Austin, setting forth the present excellent condition of the fire engine, stating the number of fires which the engine has done service at since June 1877, (fourteen in all), also stating that he had spent much time, and devoted much attention in looking after the engine, in consideration of which he applied for a grant of $100. The application was referred to the Finance Committee. The Reeve moved for a return from the Cemetery Committee, at the next meeting of this Council, of a statement in detail showing the number of lots sold in the Cemetery, to whom sold, the amounts sold for, the amounts paid and amounts unpaid, and by whom due. This motion was seconded by H. Martinson and carried in Council. A motion was introduced to appoint Mr. W. G. Hay Chairman of the Cemetery Committee, but owing to that gentleman's *aversion to office*, (!) or for some other cause, the honor was not pressed upon him, and the motion was dropped. The Listowel Parliament then adjourned. House opens again on Monday evening next, 9th inst.

THE PRETTIEST SITE IN TOWN.

A RARE CHANCE.

WM. NIXON offers for sale at a great bargain, his valuable property known as the Listowel Nursery Market Garden, being lots No. 5, North side Inkerman, No. 6, South side Bay, Nos. 8 and 9, East side Victoria streets. Splendid corner lots, a good frame house with 6 rooms and good woodhouse, good cellar, good pump, well of water, cisterns, &c., also good stable; property well underdrained, in good cultivation, the very finest variety of fruit, about 50 apple trees and about 50 plum trees, 7 cherry trees, 3 pear trees, 24 grape trellises of the finest and hardiest variety, 24 varieties of roses, and all kinds of shrubs, bulbs and roots. If this property is not sold before the first of May, it will be sold by Public Auction for what it will bring, as the subscriber intends to emigrate to Manitoba for the good of his health. For terms and particulars apply on the premises to

WM. NIXON.

N. B.—Parties wishing to get good hardy bearing fruit trees, ornamental trees, shrubs, &c., will do well to call on me. Also parties wanting pruning and grafting done will get it done well and cheap, as I have had twenty years experience in the country.
